(हितोपदेश / प्रशस्ता./6)

Knowledge/Education gives politeness by which a man deserves to get all things. Being deserved, he achieves riches, by which he does many religious works as a result he achieves happiness.

(*naitika manjusa*, p. 561, sl No. 1656)

Shrimant Maharaja Sayajirao Gaekwad III

"It is the youth, which has had the benefit of education, to show the world what true democracy is. There will be a real democracy where every man, woman and child in a state, is filled with an irrepressible desire to do everything possible to make that community better, stronger and free. And this ideal cannot be achieved without an educated people – educated not in letters but educated in those deep and moral truths which are implied in the service of the community."

Speech & Address of His Highness Sayajirao III" Vp;. IV (pp. 745-746)

H. H. Sir Pratapsinhrao Gaekwad (29th June 1908 – 19th July 1968)

His Highness Pratapsinhrao Gaekwad was an able administrator, who was properly trained in administration by His Highness Sir Sayajirao Gaekwad - III himself. He was consecrated on 7th February 1939. During his period, the New Constitution was approved in 1940. It was viewed for the welfare of both kingdom and subjects. In 1940, the Shantadevi Trust & the Padmavati Trust for Welfare of T.B. Patients were approved. The M.S. University of Baroda was established in 1949. He said at that time "experts are to be trained from our own people." He also signed the proposal of dissolution of private states.

(Those who do not have education, nor have experience, nor have a giving heart,
Lack knowledge, have no patience, do not have any qualities nor responsibilities,
Such people, in this mortal world, are but a burden on Earth)

Education is that beam of light which shines bright even through the darkest of times. Providing education has always been considered as a noble profession. To remove the bondage associated with humanity in form of superstitions and blind-faith, education is an apt tool. Education providing institutes take up this responsibility of providing knowledge and empowerment to the people to free them from all these bondages. They exuberate immense positivity and excellence around them. The Maharaja Sayajirao University of Baroda is one such pioneering premiere institute. It believes in fostering the love of beauty, goodness and intellectual curiosity within each of its stakeholders. With this strong belief, we began working afresh on this year's Annual Report for the year 2016-2017.

The preparation and presentation of the Annual Report of The Maharaja Sayajirao University of Baroda is the resultant outcome of critical reviews and reflections on Academic, Research, Extension, Curricular, Co-Curricular as well as Social Outreach, and various other activities of the university. It gives me great pleasure to present before the Senate the 68th Annual Report of the Maharaja Sayajirao University of Baroda, for the year 2016-2017 which has been prepared under thoroughly revamped format with multiple innovative features. It highlights the important developments and significant achievements of the 14 Faculties along with 03 Constituent Colleges, 07 Centers, 02 Institutes, 14 Constituent Libraries, 16 Hostels, Health Centre, Sports Pavilion, 05 Multipurpose Auditoria, Sadhana Printing Press and Stationery Unit, Green Guest House of our University and various other academic and administrative units, spread across the 07 Campuses of our university. This year, following the path-breaking methodology of the previous year, the entire data for the Annual Report has been collected and compiled online under indigenously developed software called as ARMS. By making this possible, we have achieved a milestone in e-Governance of our university and a step further towards innovative initiatives of our Honourable Prime Minister Shri Narendrabhai Modi's call for 'Digital India'.

The University has made substantial progress over the past one year. It is my great pleasure and privilege to share with you all that the Maharaja Sayajirao University of Baroda has been now accredited with 'A' Grade by National Assessment and Accreditation Council (NAAC) in November 2016. It was indeed a great moment of pride for all of us!

I am also happy to share that our University appeared in the Times Higher Education (THE) World University Ranking in 2017. From India, THE considered 67 institutions, out of which 42 were ranked. It is the only university from the State of Gujarat to feature in this list. In the National Institutional Ranking Framework (NIRF) 2017, Faculty of Technology Engineering of the M S University of Baroda was placed in the first 100 in the Engineering category. Many faculties and Departments of the M S University of Baroda were also ranked among the top in other ranking systems. Faculty of Social Work was ranked 4th among Top Social Work Colleges in India by the Survey conducted by Outlook Magazine. With great pride, I would like to inform you that the Central Government of India has selected the Faculty of Social Work for Establishing Dr. Babasaheb Ambedkar Chair for undertaking activities such as organizing Conferences; Seminars Workshop and Training programs mainly for weaker section of society. Faculty of Social Work has received Rs. 12,20,000/- from the Ministry of Skill Development and Entrepreneurship, Government of India under the "Pradhan Mantri Yuva Scheme" under which the Faculty can enroll 250 students for developing entrepreneurs. Faculty of

Management Studies [FMS] was again ranked in A8 Super League Category in Pan India B-School Survey conducted by Business Standard in the year 2017. Dept. of Computer Engineering, Faculty of Technology and Engineering has acquired recognition as the 'Best ICT Enabled Academic Institute of the Year' awarded from A.S.S.C.H.A.M. and G. R. Foundation, in March 2017. Department of Microbiology, Faculty of Science of our university has been honored amongst the 15 Universities from around the world, chosen to receive scientific equipment from Seeding Labs' 2017 under its 'Instrumental Access program', Boston, MA, USA. The University participated in 'Times Education Expo-2017' and 'Grand Education Fair' at Ahmadabad. The Maharaja Sayajirao University of Baroda has become the Regional Centre for the 'Virtual Labs' Project Initiated by MHRD under the National Mission on Education through ICT conducted by IIT Bombay.

The Maharaja Sayajirao University of Baroda promotes research in applied and basic areas through various timely initiatives. This year, recognizing the felt need of conduct translational research in the cutting edge areas of health and life sciences by bringing together researchers in different areas of Science and Technology, we have established the Institute of Interdisciplinary Studies (Research and Extension). At present, the institute has three international collaborative projects and it is in the process of bringing international collaborators to work together and also to mobilize research funding.

The research initiatives and mechanisms which are in place in the university led to the high quality, relevant and visible research being carried out in the University. This is evinced from the high volume of research publications (628) in peer-reviewed journals by the researchers of the university in the year 2016-17.

In the same duration of time, H-index of the University increased to 74 (from 69 in 2015-16), i-10 jumped to 1616 and the total number of citations went up to 6300. The average impact factor of the publication in the year 2016-17 was 2.6. In the last five years, 53 articles were published in journals with impact factor higher than 5 (there are only 15 in all the previous years). The researchers of the University were able to bring in 50 research projects worth Rs. 10.4 Crores in the year 2016-17. During the same time duration, there are 90 ongoing research projects worth Rs. 25 Crores, and 36 projects worth Rs. 6.4 Crores were completed.

Research and Consultancy Cell (RCC) set up to promote collaboration between academia and industry acts as a liaison between the university and private or Industrial funding agencies to undertake sponsored and consultancy projects. The R & C Cell had received 48 research proposals this year for financial assistance and out of which 29 projects were provided financial support by the university from its own funds.

The culmination of any research work is the outcome of that in the form of any new policy or analysis and also in the form of invention. Three Indian Patents has been awarded to our researchers during the current year. Five teachers of the University have been awarded copy right for the invention of the products through research work.

We are constantly evolving the curriculum in consultation with all the stakeholders. Few new innovative academic programs were introduced in the year 2016-17 with an interdisciplinary approach.

The Maharaja Sayajirao University of Baroda has an iron clad policy for creation and enhancement of infrastructure to promote a good teaching-learning environment. It focuses on self-sustainable green infrastructure and energy efficient buildings. One of the initiatives given prime importance is the use of renewable energy in the university. Solar Power Plants providing more than 350kW power has been installed. The Guest house of the university has been converted into a Green Building and was bestowed with the Environmental Excellence Award. The University has received infrastructural funds of the tune of Rs. 11 Crores in the last 3 years from RUSA and Rs. 5 Crores from Government of Gujarat During this duration Sports Authority of Gujarat had sanctioned Rs. 7.8 Crores to build an Indoor Stadium. The University looks forward to providing 24x7 Internet access to faculty members and students in the hostel through Optical Fiber and WiFi Networking. All the faculties across the university are now connected to the university WiFi network.

The Maharaja Sayajirao University of Baroda has a Network of Libraries to cater to the needs of students and teachers. The library network consists of 01 Central Library and 13 Constituent Libraries. Students and teachers can access ejournal and books at the Central library through this network for seamless teaching-learning process.

The Maharaja Sayajirao University of Barodain a big way is promoting e-Governance initiatives in its academic administration. One of the most important initiatives is Digital University (DU) Frame work for the maintenance of Digital Life Cycle of each of the students. It allows the students to have a single Permanent

Registration Number [PRN], which is used throughout the stay of the student in the university. It is used in issuing books from the library to hostel admission.

Another key initiative is improvisation of administrative processes , 'Work Flow Management System' which is a web based portal to maintain a consistent watch over the movement of essential documents in the process of decision making. The university has an e-Complaint Redressal mechanism meant for the students. An interesting e-Initiative of the university is MSU Examination Portal [MEP] for examination related activities with minimum use of paper. The admission process as well as hostel allocation is completely online. The recruitment of teaching and non-teaching staff is also completely online process. Online Human Resources Management System (HRMS), which is an effective tool to unify, control and maintenance of employee life cycle is also in use. Annual Report Management System (ARMS), which is Centralized Repository Software for maintaining and updating of all Academic/Research activities, is one of the recent most innovative initiatives successfully implemented by our university.

During 2016-17 The Maharaja Sayajirao university of Baroda organized 20 Workshops, 32 Seminars and 30 Exhibitions.

In the area of Sports also the university has proven its mettle. Girl's Basket Ball Team secured 1st Position in School & College League Tournament and won cash Award of Rs. 5 Lakhs. Students of Department of Physical Education participated in All India Wrestling Inter University Competition at Haryana in February 2017. The sports team of university had won the State College League Championship organized by the Government of Gujarat.

At present, the University is in a transition stage from the old school of teaching to the new school of teaching which involves On-Line Courses, Virtual Labs, Flip Class Room Concept and Learning Using Smart-Phones. The university has already installed ICT infrastructure to implement these concepts across the campus. The first step in this direction has already been taken in the form of installation of SWAYAM Prabha DTH Channels in each of the faculty of the university. Many of the traditional class rooms are now IT-enabled with Smart Boards and Multimedia facilities. Next step will be offering of On-Line Courses as well as providing logistic support for development of the On-Line Content by the faculty members. The university will be developing a dedicated studio to promote use of Information Technology in near future. Another step will be inclusion of Virtual Labs in the Curriculum. ICT-enabled Studios and class rooms will be used for conducting interactive sessions between the experts in various disciplines within India and abroad with students of the university. This will lead to direct exposure of students to the global pool of expertise.

I would like to express special thanks to our beloved Hon'ble Chancellor, Mrs. Shubhangini Devi Gaekwad, for her continual guidance to us. We also appreciate support and efforts of the Senate and Syndicate Members, Deans, Principals, Heads of Institutions, Directors of various Units and Cells, Heads of Departments, Faculty Members, University Officials, Ministerial Staff, Alumni, and above all our beloved students and research scholars towards achieving the set goals. I also thank the Convener and members of the Annual Report Committee for their constant efforts to improve the quality and contents of the annual report.

Whether through providing equality education, research development or by providing the workforce with skilled employees, we play a distinctive role in furthering the state's as well as the nation's social, cultural, business and economic development. We embrace this obligation and are committed to ensure that our activities benefit the communities with which we serve and engage.

Prof. (Dr.) Parimal Vyas
Vice-chancellor,
The Maharaja Sayajirao University of Baroda

From the Convener's Desk....

It is my privilege to share some thoughts as the Convener of the 68th Annual Report. For me there is no greater joy than being among the learned. I am reminded of a Sanskrit shloka that glorifies the educated person:

विद्वत्त्वं च नृपत्वं च नैव तुल्यं कदाचन ।
स्वदेशे पूज्यते राजा विद्वान् सर्वत्र पूज्यते ॥

(नैतिक मंजुसा)

*(Scholar and king are never comparable. King is worshipped in his country, but scholar is worshipped everywhere.
(Naitika Manjusa)*

While preparing for the Annual Report, this year, I thought it worthwhile to contemplate over the purpose for all this hard work and how can it be used to make a difference to the society. It is rightly said that any progress is based on dreams and requires change. With this constant thought in mind, this year, we have put in our best efforts in bringing out this 68th Annual Report. The Annual Report, this year, highlights some of the prominent researches and academic achievements, along with the other major administrative reforms and educational activities carried out during the year 2016-2017. It provides an opportunity to reflect on the significance of academic researches, educational achievements and effective governance gained by The Maharaja Sayajirao University of Baroda and the contribution that The Maharaja Sayajirao University of Baroda makes in assisting the city's transformation into a knowledge-base. The Maharaja Sayajirao University of Baroda has always taken initiatives in the field of teaching and research, and has been in the limelight in areas of extension and co-curricular activities. The significant academic growth of our University is an indicator of the inherent effectiveness of this great institution and of the excellence of the human resources.

This year, The Maharaja Sayajirao University of Baroda has been now accredited with 'A' Grade by National Assessment and Accreditation Council (NAAC) in November 2016. This year, our University appeared in the Times Higher Education (THE) World University Ranking in 2017. From India, THE considered 67 institutions, out of which 42 were ranked. Ours is the only University from the State of Gujarat to feature in this list. These are two very important milestones our University has crossed this year.

Self-belief is extremely important for progress. Sincerity is a sign of such self-belief. The ability to accept, evaluate, adapt and adopt new ideas is very essential. Keeping this in mind, our University has put all efforts to generate ideas among students and teachers during the year. The University has received considerable grants during the year from various agencies for development and research activities. To enhance the teachers' and researchers' potential, various faculties and institutions have organized and conducted various regional, national and international seminars and conferences during the year. A good number of research projects have been approved with generous grants in each case. Many teachers from various faculties have been granted financial assistance for participation in conferences and seminars, abroad. During the year 2016-17, many of our faculties and institutions have done a remarkable job and under the able leadership of Prof. (Dr.) Parimal Vyas, Honourable Vice-Chancellor of our University, we have made an effort in collecting entire information for Annual Report online again this year. The details about the decisions of Board of Studies and Faculty Boards, The Opinions, Suggestions and Feedback from Alumni, Parents and Students, the awards and felicitation of individual teachers, the PhD information and unique features of every academic institution have also been incorporated in the Annual Report as special phenomena. We have also made very important progress in the area of Alumni Cell with special emphasis on Alumni activities and their online registrations. This year we have also added all Temporary Teaching staff and their research and extension activities in our report, which will be very useful to all of us. We also, continuously, keep on organizing intramural and extramural activities through various faculties and departments. National Service Scheme (NSS), various academic cells and institutions has incessantly worked for the benefit and overall development of the students of our University, throughout the year.

In terms of infrastructural advances, Solar Power Plants providing more than 350kW power have been installed. The Guest house of the university has been converted into a Green Building and was bestowed with the Environmental Excellence Award. The Sports Authority of Gujarat had sanctioned funds to build an Indoor Stadium in the University.

The students of the University showed their inclination of research and innovation, which is very well evident from 125 doctoral degrees awarded during the year 2016-17. A total of 263 Gold medals were awarded to meritorious students this year. To promote health and fitness and to encourage sports activities, the university always encourages and supports students' participation. Students of various faculties have participated in state and national level tournaments in various sports disciplines, individually and in teams. Career counselling centres for students have also been developed and all Students' activities have been positively emphasized by all faculties. The Institute of Leadership and Governance organized various need-based educational programs for the benefit of the students at large.

Meeting with the industrial requirements, the students have also been trained to secure placement with various Government, Private and Multinational Companies. The Maharaja Sayajirao University of Baroda has also strengthened its ties with the various industries in and around the city of Vadodara as well as the state of Gujarat and the nation at large. The University also very actively participated in the Switch Global Expo-2016, The VCCI Exhibition-2016, Vibrant Gujarat Exhibition 2017 and Grand Education Fair organized by Knowledge Consortium of Gujarat (KCG) and received greater leverage and position as a premiere academic institute.

The Hansa Mehta Library of The Maharaja Sayajirao University of Baroda has added 6,168 books making the total collection of books to 8,71,882 during the year 2016-17.

The University has introduced several progressive steps towards digitization of administrative processes and other technological advancements. We have efficiently managed students' cycle from admission to obtaining mark sheets in courses where they have sought admission. An innovative e-Initiative of the university is MSU Examination Portal [MEP] for examination related activities with minimum use of paper. The recruitment of teaching and non-teaching staff is also completely online process. Online Human Resources Management System (HRMS), which is an effective tool to unify, control and maintenance of employee life cycle is also in use.

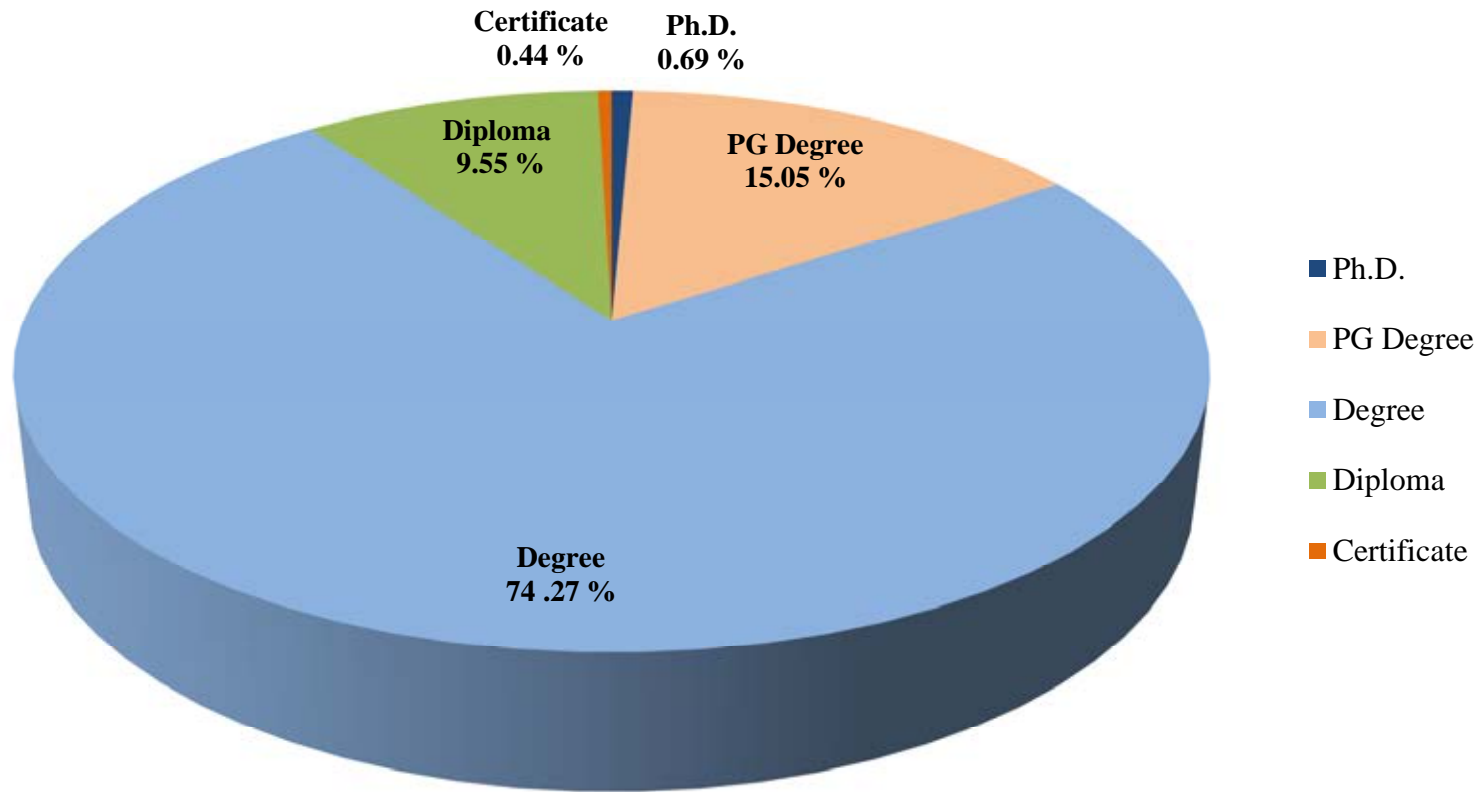

Apart from managing students requirements, various Staff Development Programs have also been organized in the year 2016-17 for our Teaching as well as Non-teaching Staff.

I wish that The Maharaja Sayajirao University of Baroda reaches the pinnacle of excellence and proves to be a model University to other universities not only in the state or the country but on the global front as well.

Faculty of Arts

3. Faculty of Arts

1 INTRODUCTION

A premier institution of teaching and research in languages, social sciences and the humanities, the Faculty of Arts, owes its genesis to The Baroda College, established in 1881 by H. H. Maharaja Sayajirao Gaekwad – III of the erstwhile Baroda State. The Faculty is sanctified by the name of the seer and philosopher, Sri Aurobindo Ghosh, who had been appointed by Sir Sayajirao to teach English and also as the Vice-Principal of the erstwhile Baroda College.

The alumni of the erstwhile Baroda College and the present Faculty of Arts included well-known personalities like Acharya Vinoba Bhave, Shri Rang Avadhoot, Shri Mota, Shri K. M. Munshi, Kakasaheb Kalelkar, Shri Rajendra Shah, Dr. M. N. Srinivas, Dr. B. Subbarao, Dr. I. G. Patel, Dr. V. Y. Kantak, Dr. Suresh Joshi, Dr. Sitanshu Yashashchandra and others.

The founding vision of the Faculty was charted, realized, and furthered by eminent academicians and stalwarts in different disciplines, and it remains committed, through its sustained efforts, to the enhancement of this rich tradition as well as the expectations and demands of the present day changing environment. Among other institutions in the region, the position of the Faculty of Arts is distinguished by the wide variety of disciplines in which it imparts training and knowledge.

The Faculty has always endeavoured to establish a network of intellectuals with a view to contributing to the cause of knowledge and imparting education, responsive to the changes taking place in the field of knowledge and technology, to encourage multi and interdisciplinary research, to introduce and develop courses, bringing them in line with contemporary theoretical developments and also relate them to societal concerns and issues. It also attempts at promoting and developing educational opportunities in tandem with the demands of social justice.

In an endeavour to bringing all its Programmes in line with the proposed uniform pattern all over the state and the country, with effect from the Academic Year (2011-2012), the Faculty of Arts introduced a Choice Based Credit System (CBCS), initiated by the National Knowledge Commission, University Grants Commission and the Association of Indian Universities.

Department of Archaeology and Ancient History

Since its founding in 1953, the Department of Archaeology and Ancient History has contributed extensively towards understanding the culture of Gujarat in particular and India in general. A large number of ancient settlements belonging to different periods of Prehistory and History have been studied by the Department through explorations and excavations. The outstanding achievements of the Department include excavations at Devnimori, Champaner, Zawar, Pazhayannur, Machad, Nageswar, Nagwada, Pavijetpur, Ambakut, Tarsang, Pithad, Bagasara, Shikharpur and Vejalka. During the last field season, the Department excavated Dhaneti, an Early Harappan burial site near Bhuj in Kachchh. One of its proud collections includes the sacred relics of Lord Buddha. In recognition of its contribution the UGC sanctioned a UGC-SAP-DRS programme, which has moved to the third phase now. The Department has four MoUs with institutions abroad. Besides these, the staff members of the Department have several national and international collaborations. The department has a museum that is housed in two halls and also a storage space for proper upkeep of excavated materials at the basement. It has laboratories for carrying out scientific investigations of archaeological ceramics, terracotta objects, metal objects and faunal remains. It also has laboratories for the conservation of artefacts. All faculty members are associated with field projects. Many of its staff and students do field work both in India and abroad. The Department also has archaeological field equipments and camping facility.

Department of Economics

Established in 1949 the Department of Economics was honored with the establishment of the I.P.C.L. Centre for studies in National and International Industrial Development in 1977 with an endowment fund of Rs.6 lakh.

The Dept. was recognized as a Department for Special Assistance by the UGC in 1985 and was granted IVth Phase from 2002-03 to 2006-07.

The Planning Commission's Centre for Research in Planning and Development was established in April 1995 with an endowment fund of Rs. 30 lakh.

Under UGC Assistance for Strengthening of Infrastructure Humanities and Social Sciences (ASIHSS) Programme, 2005-06 to 2009-10, the Dept. received a fund of Rs. 45 lakhs.

Department of English

The Department of English is as old as the Maharaja Sayajirao University of Baroda (1949) and owes its genesis to the Baroda College (1881). The Department is at the forefront of innovative and challenging courses in English

Studies. An integral part of the Faculty of Arts, it occupies a key place in the undergraduate courses of not only other departments but also other faculties. While this is so, the Department utilizes its autonomy in the framing and teaching of its curricular programs at the undergraduate and post graduate levels as well as research. The Department offers courses at undergraduate and post graduate levels as well as a doctoral program. It has curriculum updated according to the UGC model. The Department also proposes to offer an M.Phil program once it gets requisite approvals.

The Department was awarded the prestigious Special Assistance Program (Departmental Research Scheme – Phase I) of the University Grants Commission for the research project 'Cultural Representations and the Question of Identity in the Western Region, 1960-2000' from 2007-2012. It has now been awarded SAP DRS – Phase II by UGC for the period from 2013-2018. The Department is at present working on 'Representing the Region: Literary Discourses, Social Movements and Cultural Forms in Western India, 1960-2000' under this SAP DRS Phase II.

The Department has a 'Literary Society' and 'Film Club' which actively involve the students. 'The Quill' gives platform to the creativity of the students of the university, reflected in the wallpaper it brings out and the competitions it organizes regularly. It has also been identified as one of the major centers in Western India for conducting Refresher Courses in English and has successfully conducted 3 Refresher Courses since 2002.

The Department organizes Seminars, Conferences, Workshops, and Symposia on a regular basis. It is also associated with inter-disciplinary intellectual activities with various faculties within the university. The teachers are actively involved in research and publication. They participate regularly in seminars, conferences and workshops at both national and the international levels and many of the teaching staff have been recipients of national and international awards.

Department of French

The Dept. of French has achieved much in terms of academic growth and development since its inception in the 1890s when His Highness Sir Sayajirao Gaekwad appointed Shri Aurobindo Ghose to teach French in the erstwhile Baroda College. Despite severe constraints the Department of French has achieved several milestones: started Self Financed Courses in French in 1996; began French Major Courses and Post Diploma in French in 2006; journals and books have been acquired under the UGC Plan as well as proposals for additional teaching staff has been put forward; organized cultural, academic events every year and held an UGC sponsored Conference in French Studies in January 2015.

Teaching of French Language, Literature, Linguistics, Translation, Civilisation and Culture are the strong academic points of the Department. Students not only from the city of Vadodara but from all over Gujarat and other parts of India enroll for various French courses. Many students from the Department have been placed as language executives in various companies in India and abroad and there is a constant demand for translators and teachers in institutions and companies. Students have been inducted as French teachers into important schools of the city. Regular seminars and talks are held for students and teachers. Both students and teachers have been recipients of French Government Awards, Scholarships and Exchange Programmes. The Dept. of French has strong ties with the French Embassy and its Cultural Institutions in the region. Constant and regular review of syllabi, methodologies and teaching practices for better and effective teaching and learning of French is done. The Department contributes to Extension work by teaching, designing syllabi and courses for various centers: the Center for Life long Learning and Extension, the Faculty of Science, BBA, Fof Commerce and the Self Financing Courses which are run by the Department in addition to French Courses run by various other Faculties and Institutions like the ITI, Tarsali, Gujarat Hotel Management Institute, etc.

Department of German

The Department of German, established in 1962, by the senate of the M.S.U., is a P.G. Department and offers full-time and part-time courses in German for students and general public. It is now established itself as one of the premier institutions of German Studies in India. It is the first university in India to use the concept of "DACHL" and pioneered in spreading it to the other universities. It has separate papers on Austrian, Swiss, Migrants Literature and also Depiction of India in German Literature in the curriculum and promotes European perspective of German Literature. At the Postgraduate Level department also includes papers on linguistics and didactics specializing in Teaching German as a Foreign Language. The teaching faculties of the Department and its students have been selected to visit the German speaking countries under fellowships and students exchange program. The department has been also inviting guest professors and lecturers from Indian Universities and also from the German speaking countries for specialized subjects. The department works closely with the German Universities and has academic partnership with universities and academic and culture institutes from all the three German speaking countries. Ever since its inception the department closely works and assists the German industries and multinational companies in and around Vadodara through services of language expertise, translation, interpretation etc. Since few years the department has been playing a major role in providing language teachers at the international schools and other schools for teaching German as a foreign language.

Department of History

Since inception (1949) and under UGC Special Assistance Programme (1979 onwards in the VI, VII & VIII plan) the Department of History emerged as distinguished centre of medieval and modern Indian History in Western India. From 2010-11 Department have introduced semester system under CBCS at Graduation, Post-Graduation & Doctoral levels. The under graduate and post graduate courses designed reflects the direction, in which it is growing. Researches encompass the socio-economic history of Western India with special emphasis on the process of urbanization, community, maritime and cultural studies.

The Department has repository of documents in Modi-Gujarati and Marathi script from the prominent banking houses: the Haribhakti and Shamal Bechar; numerous Bombay Presidency printed documents and manuscripts in Persian (Khatpatras/Sale Deeds) which pertain to the 18th, 19th & 20th Centuries. The Department has developed Prof. S. C. Misra Archival cum Library Cell which has digitalized documents; and these serves the purpose of data base-on the Economy and Business Culture and Institutions in Western India with particular reference to Gujarat. It also has its library located on first floor which houses around 5000 Books, Journals & Thesis donated by Prof. Dwijendra Tripathi (IIM-Ahmedabad), Prof. R. J. Shah & Prof. Purohit (MSU). Currently the digitization of all manuscripts is in process through donation from HARIBHAKTI RANESHWAR MAHADEV SANSTHAN CHARITABLE TRUST.

Department of Library and Information Science

The Department of Library and Information Science was established in 1956 and since then, it has been functioning for the educational development in library and information field. Department of Political Science

The Department of Political Science of the Maharaja Sayajirao University of Baroda is one of India's most renowned institutions of teaching and research in political studies. Established in 1954, it has been fortunate from the beginning in attracting to its portals the best talent among teachers and students. by their superior researches

in political theory, international political studies, electoral studies, foreign policy and public administration, many of the faculty members of the Department have brought national and international fame to the Department. Their encouragement and guidance of appropriate research programs and other institutional contributions has laid a formidable foundation for the Department's development and progress. The Department today proudly recalls the legacy left by its illustrious faculty members like Rajni Kothari, Bhikhu Parekh, A H Somjee, C N Bhalerao, K S Desai, A P Rana, Thomas Pantham, V G Nandedkar, D H Mohite, P M Patel and A P Mavalankar among others. The Department of Political Science has successfully completed three phases of funding from the Ford Foundation; three phases of funding from the UGC-SAP as well as the UGC ASIHSS.

Department of Russian & French

Established in 1952, the Department of Russian is one of the only Centers of Higher Education in Western Region of India, imparting training in Russian Philology at UG, PG and Part-time levels.

Department of Sanskrit, Pali & Prakrit

The Department of Sanskrit, Pali & Prakrit originally the Department of Sanskrit, Faculty of Arts is one of the best known Departments which have made a distinct mark in National and International field of academics for the excellence of Teaching and Research. The Department has made substantial contribution to the growth and development of Indology. It is as old as the Baroda College, which was founded by the late H.H.Sayajirao Gaekwad – III. Since the inception of Baroda College in 1881 A.D. in the ex Baroda state this Department is functioning as a full fledged Department with the facilities starting from undergraduate to Ph.D. programme.

In the field of Indological Research, the Department has carved a niche and it has made valuable contributions. The Department is one of the important centres of Sanskrit Studies in India providing facilities for teaching and research in three ancient languages such as Sanskrit, Pali & Prakrit. It has also the distinction of having a provision for study and research in fourteen Shashtra disciplines like Vedanta, Purana, Alamkarashastra etc. The Department has maintained a strong research culture and demonstrated an impressive record of producing Doctoral Research. It has produced so far 63 Ph.D. students who have prepared their research work on different aspects of Indology. At present the Department is also very active in this direction. More than 10 students are working now for their Ph.D. degree. under different expert teachers of the Department. The teachers encourage the students in the field of research. The thrust areas of the Department are Vedas, Epics, Puranas, Classical & Modern Sanskrit Literature Manuscriptology,. Vedanta, Purana, Dharmashastra, Alamkara Shashtra, Nyaya, Sanskrit Grammar and various literary forms in Sanskrit

The distinctive feature of this department is that it is not confined only to Sanskrit studies. The Department was named as the Department of Sanskrit, Pali & Prakrit since 1982. Before that it was only the Department of Sanskrit. The Department of Pali was a separate Department till 1981 in the Faculty of Arts. Prof.V.R.Joshi retired as the Head of the Department of Pali. Prakrit was taught at the Oriental Institute, The M.S.University of Baroda. Later on the Department of Pali & Prakrit were merged in the Department of Sanskrit. Since then it is known as the Department of Sanskrit,Pali & Prakrit.

Since 1982, the teaching of Prakrit and Pali languages is carried on at M.A. (Principal and Entire) level. So the department not only provides facilities for learning Sanskrit but also for Pali and Prakrit languages. From the day of its inception up till now, the department has maintained and preserved the glorious tradition and dignified trend of teaching and research what was sincerely practised by the illustrious indologists of past, who had worked in this department and had kept the flag of traditional lore flying with dignity and status. It has created a healthy atmosphere and has given space for smooth progress of the department.

Under the inspiration and encouragement of the great stalwarts, the members of the department have tried their best to make it more progressive. Among the old veterans who are always in our hearts and to whom the department cannot but remember are Prof. B.R.Arte, Dr.V.C.Lele, Prof. G.H.Bhatt, Dr. S.S.Bhawe, Prof. A.N.Jani, Prof. S.G. Kantawala, Dr. S.S.Nachane and some others who have made this department as an important centre of learning.

Department of Sociology

The Department of Sociology came into existence in June 1951. Professor M. N. Srinivas was the founder and the first Head of the Department. Under the able guidance of M. N. Srinivas and I. P. Desai, the Department earned a name as a leading department of teaching and research in Sociology in India.

The syllabi for various courses are revised from time to time with a view to bringing them at par with those suiting to the contemporary academic demands. At the post-graduate level, there is an emphasis on both theoretical and empirical materials.

The Department has instituted the M. N. Srinivas Scholarship for PG students, and the I.P. Desai Scholarship for UG students. The Gift Book Collection Library is a unique feature of the department. It is a collection of books, gifted by students, teachers and other donors.

Faculty of Commerce

1 INTRODUCTION

Bachelor of Business Administration Program

Bachelor of Business Administration Program is a premier institute imparting education in Business Studies with conceptual, theoretical and practical knowledge in various aspects of business like finance, economics, operations, marketing and basic accounting, etc. It has completed the two decades of its glorious journey.

Department of Accounting and Financial Management

The Department of Accounting and Financial Management is the biggest of the Faculty of Commerce, in terms of size and enrollment, having a team of professionally qualified and young teachers engaged in promoting and imparting education to more than 13,000 students at UG and PG courses. The Department was established since the inception of the Faculty of Commerce and The Maharaja Sayajirao University of Baroda in 1949. It offers knowledge in the varied areas covering financial Accounting, Cost and Management Accounting, Direct and Indirect Taxes, Auditing, Financial Management, Capital Market, Investment Analysis as well as the Regulatory Framework related with the finance discipline at B.Com., M.Com and P.G. Diploma courses. Members of the Department keep participating in various State, National and International Level Seminars and Conferences and contribute by presenting papers in such conferences.

In recent years, the arena of accounting has caught the national importance. India is now converging with international Financial Reporting Standards. In such a scenario, the role of the department of Accounting and Financial Management turns out to be vital and of national importance. The transactions in Capital Markets are increasing by leaps and bounds and the regulatory framework is tightening up. Under these circumstances, the department equips the students with the foundations of the capital markets. Looking to the present needs of e-world, the department had introduced the paper of Basics of IT and e-accounting at UG as well as PG Diploma level.

The Subject of Accounting and financial management is an ever growing and contemporary discipline and in the light of the same, the department regularly revises the syllabi of its courses considering the contemporaneous changes. With the introduction of semester system as well as Choice Based Credit System at the faculty level, the department has taken initiative to update and upgrade the syllabi of various subjects dealing with the world of accounting and finance. Placement drives at UG and PG level is a feature at the department. The department takes measures for and is committed towards academic excellence.

The department also has a vibrant and active Accounting and Finance Students' Association (AFSA-UG and PG) which worked actively during the year. During the year motivational lectures have been organized.

Department of Banking and Insurance

Our Department courses are very popular amongst those who wish to pursue Banking and Insurance as a career and/or as a business opportunity. Department courses help employees in commercial banks, cooperative banks and Insurance companies in their career progression. In particular many Cooperative banks in Vadodara give one increment on passing one year P.G. Diploma course and two increments for passing our two years M.Com Degree course.

Department of Business Economics

The department is one of the oldest such department of its kind in India. It imparts teaching and learning in the field of applied economics. It has faculties who are well qualified and educated.

Department of Cooperative Management and Rural Studies

Department of Cooperative Management and Rural Studies was established in 1949 and since inception has been playing a vital role in providing education in areas of cooperatives and rural development.

It is the only university department in the state of Gujarat and perhaps one of the very few in the country, imparting education in the area of co-operatives. The department offers Post-Graduate Degree, Diploma Courses and Ph. D. programme.

From "Department of Cooperation" the department was renamed to "Department of Cooperative Management and Rural Studies" in 2009 to enlarge its scope from not only limiting itself to cooperative management but also the overall Rural sector.

*Faculty of
Education and Psychology*

5. Faculty of Education and Psychology

1 INTRODUCTION

The genesis of the Faculty can be traced back to 1935 when the then King of Baroda state His Highness Srimant Maharaja Sayajirao Gaekwad started the Secondary Teachers' Training College as a temporary institution to train the graduate and matriculate teachers of secondary schools. It was made a permanent institution in 1938, because of its good work and salutary influence on the secondary school system of the state. During the same year the college was provided with a permanent building and practicing school of its own. The institution was raised to the status of Faculty of Education and Psychology when the Maharaja Sayajirao University got formally established on 29th April, 1949.

The Faculty of Education and Psychology is one of the distinguished institutions and has the only of its kind Department i.e., the Center of Advanced Study in Education (CASE). The faculty has also the Department of Research Support (DRS) in its Dept. of Educational Administration since 1994 and now elevated to the status of Department of Special Assistant (DSA-I) since 2015. It has a total of three departments viz. Department of Education, Department of Educational Administration and Department of Psychology. It offers a number of courses viz. Bachelor of Education, Bachelor of Psychology, Master of Education, Master Degree in Psychology, Master in Educational Management, Post-Graduate Diploma in Educational Management, Post-Graduate Diploma in Clinical and Community Psychology, Post-Graduate Diploma in Human Resource Development, M.Phil.in Education, Doctor of Philosophy (Education), and Doctor of Philosophy (Psychology). The Faculty of Education and Psychology organizes national and international conferences and seminars every year in the emerging areas of education and psychology. It provides facilities for teaching and research in various branches of Education and Psychology.

Department of Educational Administration

The Department of Educational Administration is one of its own kinds in India. It was established in the year 1951 and since then, the Department has been progressing consistently in the field of teaching, research, and extension. It was elevated to the status of Department of Research Support (DRS) by the University Grants Commission in the year 1994. Since then, the Department has been organizing many international and national seminars, workshops and training programmes in the field of Educational Management and striving to develop Educational Management as a Discipline. Now, the Department is upgraded by University Grants Commission to SAP-I (Special Assistant Programme –Phase I) till March, 2020. The Department has academic and research collaborations with several foreign universities. It has been offering Professional Diploma in Educational Management (PDEM) course for Educational Managers at all levels of education, and Master Degree in Educational Management (M.Ed.M.) for those looking for a career as researchers/practioners in educational management. It organizes Competency Based Institutional Management in Education (COMBIME) programmes and Capacity Building programmes for school Teachers. The Department has been working in close collaboration with its sister Department of Education (CASE). The teachers of the Department have been guiding Doctor of Philosophy (Ph.D.) in Education. It has also conducted number of research projects during DRS-Phase I, II and III of SAP (DRS-UGC) and launched several projects in educational management.

Department of Psychology

The Department of Psychology at the M. S. University of Baroda is one of the oldest and strongest departments in the Western India. The Psychology Department was started in 1952. Prior to this, Secondary Teacher Training college ran courses in Educational Psychology, Educational and Psychological Measurement, Experimental Psychology and Statistics. The STT college also had a laboratory of Experimental Psychology since 1935. With the establishment of the Maharaja Sayajirao University of Baroda on 29th April 1949, the Student Teacher Training college was incorporated into the University and the Faculty of Education and Psychology was established as one of the faculties of the University. However, in view of the progressive development as well as various specializations in courses and also increasing number of students interested in basic and other applied fields of Psychology, a separate department of Psychology was setup in 1952.

Since its inception, the department has grown tremendously both in the sphere of teaching as well as research. The department undertakes various functions of teaching as well as research and guidance. A separate guidance and counseling center catering to the needs of student community was attached within the department till 1965. Over a period of time the enrollment of students opting psychology has increased manifold, from 8 students in 1952 to 500 approximately in 2016, at undergraduate and post-graduate levels. Besides this, department also helps other disciplines such as Performing Arts, Fine Arts, and Medicine in teaching Psychology and research methodology. The number of students undertaking research at the post-graduate level as well as enrollment for Ph.D. has also increased considerably over a period of time.

Vision : Department of Psychology is dedicated to provide an exceptional scholarly and intellectual environment to serve our students, professionals, and community. We will strive to promote new directions, partnerships and

programs that will enhance personal, professional and academic skills of our students and faculties.

Mission : Department of Psychology will continuously and relentlessly work to provide excellent learning and training in the science and practice of psychology. We will emphasize both research based and applied experiences in our curriculum. We will develop educated individuals who are competitive in knowledge and job market. We will integrate teaching, research, and practice by involving students in classroom activities, research projects, consultancy projects and field-based experiences. This mission will be accomplished through committed and enthusiastic faculty and staff who are dedicated to high quality teaching, research and service to the university and community.

Counselling centre : The students actively engage in conducting psychological tests such as IQ evaluation, personality, aptitude, interest as well as learning disability tests for clients of various age groups. They engage in career counselling and also assist in cases with severe mental health related issues.

Department of Education

The Department of Education is well known as a Centre of Advanced Study in Education (CASE) since 1965. It provides academic leadership in the field of Education in the country. The Department of Education also has been raised to the status of IASE by MHRD, New Delhi. The Department has been organizing various need based training programmes for the teachers of schools and faculty members of DIETs, PTC & B.Ed. Colleges. The Department is vibrant in organizing continuous academic programmes for undergraduate, postgraduate and research students. It also conducts state and national level Workshops/ Seminars and provides academic platform for educationist of India and abroad. The department has been offering academic services to support Gujarat State Government and also MHRD on various developmental projects in Education. The Department is also having a Study Centre of IGNOU and provides Counselling to B.Ed students of Distance Education. It monitors and supervises the National Project Sarva Shiksha Abhiyan in the State of Gujarat. Department of Education is presently focusing on area of Teacher Education, Educational Technology, ICT in Education, Guidance and Counselling, Value Education and Life Skills. Several externally funded research projects are being taken by most of the staff members for conducting research in these areas. Apart from this, the Department is also providing academic support to the local schools by organizing specialized training programmes and workshops for teachers on various aspects of teaching learning process. CASE also orients newly recruited lecturers of the M.S. University of Baroda in the Methodology Teaching and Evaluation. Post Graduate Diploma course in Guidance & Counseling is a self finance course offered by the Dept. since one and half decade and is running very successfully. An important feature of the Department is the love and infinite care of its teachers and determination of its students. It is said the "Life itself does not give you joy, its up to you to will it, life gives you time and space, its up to you to fill it". It is because of this love, care, grit and determination that the students of this institution have made it to top schools in the city, state and country.

Institute of Advanced Study in Education (IASE)

The Ministry of Human Resource Development for the promotion of research and development in the teacher education institutes provides special assistance and status to those institutes which have been working par excellence in the areas of teacher education and has potential for the same. The Institute of Advanced Studies in Education (IASE) is one such status given to one institute in every nine districts. Since Gujarat has twenty six districts there are two IASEs, one of which is the Department of Education of Faculty of Education and Psychology, the M.S. University of Baroda. Under IASE, we have received a grant of more than rupees seven lakh for research and training for up to the academic year 2011 2012. During this period a total of twelve workshops have been conducted on Research Methodology, Adolescent Education, Life Skills, Language Education, Science Education, Indo German Reflections on role of Education in Globalised World, Research Writing, Yoga Education and Value Education Innovations in Education.

Research Studies on Life skill education, Special Education, Guidance and Counseling, Science Education, Peace Education, Chemistry Education, Environment Education, Mathematics Education and Language Education have been completed and the reports have also been submitted to GCERT, Gandhinagar.

Experimental School

5A. University Experimental School

1. INTRODUCTION

His highness late Maharaja Sayajirao Gaekwad has developed Vadodara as "Culture city". He founded "Baroda high school" to enhance education in the state. The ironman of India Shri Sardar Vallabhbhai Patel had also studied in this school. Then in 1951 A.D. this school was put under faculty of Education and Psychology, the M.S. University of Baroda for teaching practice and experiments hence named as the Experimental School. At that time the school was upto the 11 standard. In each class only 35 students were given admission. The ratio of teacher was 2:5 per each class. In 1976 the science stream and commerce stream were started due to the new education policy of the government.

The students of this school have brought glory to this school by achieving the first rank to the tenth rank in Vadodara city as well as in the Board Examination. Today this school is one of the leading schools of the city. The students have also brought glory to the school in various fields like drawing, music, hobbies and sports. This school has given the society leading professional like doctors, lawyers, sportsmen, industrialists, engineers, musician, dancers and successful businessmen who are spreading fragrance of this institute in their fields.

Many leading prominent persons have graced the school with their presence. India's first prime minister Shri. Jawaharlal Nehru, India's president Dr. RadhaKrishnan, Dr. Zakir Hussain, The Governor of Bombay state Shri. Prakash, Mr. Yashwantrao Chauhan, The Education minister of India Shri. Saiyadeen, Expert Educationist of America Mrs. Dr. Rais, the Educationist who came to guide the Education Department of India Shri Gai Focus, the member of akhil hind secondary Education Council Shri Dr. K.L. Shrimali, Shri Dr. Harekrishna Mehta, Shri Dr. Deshmukh, the Agriculture Minister of India Mr. Prabhudasbhai Patel have visited the school.

The First Term of the school started on the very date of 09 June 2015

Faculty of Fine Arts

1 INTRODUCTION

Department of Applied Arts

Applied Art Department is a part of the Faculty of Fine Arts from its inception. This department is known for its contribution to the University and the city of Baroda, for providing design solutions at various levels. We provide Professional courses at graduate and post-graduate levels giving degree and diploma. Our courses have wide professional acceptance. The course teaches fundamental design and its aesthetic applications in visual communicative and advertising media.

Our endeavor is to bridge the gap between the conventional and the modern design practices.

Foundation class provides the basics of design, sensibility by initiating the students and laying a strong foundation. By the final year our students have an ability to present their work and match the currently requirements of the market in various formats.

The department trains its students to become a composite personality before stepping into the professional arena. As our Course encompasses a wide range of job opportunities, courses are improvised periodically to satisfy the demand of the market.

Department of Graphic Arts

Since its beginning the department has gained a tremendous reputation of being a professional department of higher education & the development has played an important role in the contemporary Graphic Art scene worldwide. This department has one of the largest infrastructures in India and provides all the facilities for exploring the possibilities of graphic art as a creative means of expression. Our alumni are working and freelance print makers, teaching in many art schools and art centers across the country & made marks in the field of contemporary Graphic Arts.

Department of Museology

The M.S. University of Baroda, Vadodara was pioneer in instituting museum training at the Post-Graduate level in a university in 1952. Since then the Department of Museology, Faculty of Fine Arts has trained many persons who are working on different museum posts in museums in India and abroad. The training is recognized as a preservice professional qualification for employment in museums by the Government of India and state Governments. The department is conducting three courses: (1) M.A.(Fine) Museology (2) One Year In-service PG Diploma in Museology (3) Ph.D. programme.

The department has its own museum which functions as laboratory for the students of museology. The museum has magnificent collection of Saptamatrikas belongs to 9th cent. A.D.; scroll of coloured drawing showing war between Tipu Sultan and British army; miniature Malwa paintings depicting Ragmals; archaeological objects; arts and crafts; and botanical and zoological specimens.

Many events are scheduled by organizing temporary exhibitions, lectures, demonstration during academic terms. Department has its own reference library and conservation laboratory.

The Department also provides technical assistance to needy museums.

Department of Painting

One of the major departments of the Faculty of Fine Arts. The department of Painting has made a definitive mark in the field of Visual art and remained in the forefront of Art Education scenario in India since its inception in 1950.

The department has been nurtured by eminent Artist-teachers like Prof. N. S. Bendre, Prof. K. G. Subramanyan, Prof. Gulamhammed Sheikh, Prof. Jyoti Bhatt, Nasreen Mohamedi in the past. The present crop of teachers are all practicing artists of repute with considerable teaching experience.

Our strength remains teaching through a distinctive studio practice programme that emphasize researching both old and new media, synergising academic rigour and praxis with creative freedom and constant interaction with the larger professional world of Art.

We prepare students for a changing world that requires combination of creativity, innovation, conceptual and technical skills and a desire to break new grounds.

Department of Sculpture

The Department of Sculpture has played an important and dynamic role in the development of Contemporary Sculpture in the country since 1960s. It is evident from the number of alumni who are working and teaching in most of the art schools in India. The Department has well-lit studio space, foundry and well equipped workshop, basic tools and materials to be able to work with all known methods to contemporary sculptures.

This is evident through numerous Awards, Scholarships and various achievements awarded to the students during the academic year 2015-16.

*Faculty of Family
and
Community Sciences*

1 INTRODUCTION

From humble beginnings in December 1948 the faculty has evolved into a premier institute encompassing dynamic fields of study. The faculty comprises along with a composite programmes eight major fields of specialization:

- Clothing and Textiles
- Foods and Nutrition
- Family and Community Resource Management
- Human Development and Family Studies,
- Extension and Communication.
- Institute of Hotel Management and Catering Technology
- Institute of Fashion Technology
- Women's Studies Research Center

Over the past six decades since its inception (1950-51), the faculty has made conscious efforts toward redefining and broadening its view in response to the rapidly changing national and global scenarios. Grounded in the philosophy of ensuring individual, family and social well being, the programmers offer a judicious mix of basic and applied disciplines. Based on its unique disciplinary perspective, each department trains students to understand the interface between micro and macro level issues in their socio-political and technical environments.

The Major Objectives of the Faculty of Family and Community Sciences

1. To create a class of professionals in all the major fields suitable for government, industries, and voluntary organizations and self employment.
2. To train the students and widen their horizons by exposing them to micro and macro level issues in the changing scenario of the social technical environment.

Benefits and opportunities

Students are encouraged to develop their faculties through independent learning and research under the constant guidance of able and qualified teachers. At the end of the program students emerge out as well rounded personalities with a clear perspective and abilities to undertake their role as professional and entrepreneurs. In addition graduation in this faculty also opens up new avenues for professional development in various fields such as social work, hotel management, interior design, food industries, public health and dietetics, textile and fashion industries, communication, journalism and education.

Department of Extension and Communication

The Department of Extension and communication is preparing students since 1956 in formal teaching at school and college level as well as in communication in rural and urban non formal education programmes. The rapid proliferation and progress of telecommunications and media technologies in recent years and their socio -cultural impact have brought about profound changes in almost every sphere of human activity, and education is no exception. This led to the changes in the academic structure of the department. As a result, the curriculum in the department has been revised so as to make it more relevant to the today's information society. Now, it focuses on two major components "Extension" and "communication". The department offers courses that include experience and training in the theories and practices of the modern communication process with special reference to Extension.

The courses are offered to initiate the students into conceptualizing and developing various communication methods and materials for formal and non-formal educational set ups. The focus on extension programmes planning, implementation and evaluation, make the students eligible for employment in community development programmes with government and non-government organizations. The graduate programmes of the department open up avenues for post graduate studies in the department along with other areas of specialized services in extension or social welfare agencies. The programme will benefit the country specially by providing communication and extension personnel for developmental projects.

The department has five laboratories each for media studies, non-formal education- Pragati, methods of teaching, audio visual projection and rural work. The reading cum documentation centre exclusively for students in the department has theses, books, and journals for different courses offered at both the undergraduate and post graduate levels. A total of two scholarship, two gold medals and a prize are instituted for the achievers at the undergraduate and post graduate levels of the department.

Programmes offered:

1. B.Sc (Family & Community Sciences) – Degree Programme in Extension & Communication

2. Post graduate Diploma in Development Management
3. M.Sc (Family & community Sciences) – Degree Programme in Extension & Communication
4. Ph. D Degree Programme in Extension & Communication

Department of Family and Community Resource Management

The Department of Family & Community Resource Management offers educational programmes leading to B.Sc. (F.C.Sc.), M.Sc. (F.C.Sc.), M.Phil. & Ph.D. Degrees. The department has prepared itself to offer various courses under Honours Programme and choice based courses. The Department of F.C.R.M. train it's the students in Hospitality Management and Interior Design at undergraduate and postgraduate level through internship in relevant fields. In the academic year 2015-16 the department has launched its B.Sc. Honours Program in Interior Design. The course provides extensive knowledge in basic and advanced interior design. The pioneer batch has successfully launched its brand "Revelations", under which various products of aesthetic as well as utility value designed by the students were displayed. Apart from curricular activity the faculty members of the department have authored and co-authored papers that were published in the reputed refereed journals and edited volumes. Eighty percent of Faculty participated and presented papers at State/National/International level Seminars/Conferences.

Department of Foods and Nutrition

The Department of Foods and Nutrition is a premier institute in the country with recognition from the Union Ministry of Health and Family Welfare as Institute of Excellence for training programmes in Maternal and Child Health and in the Management of Non communicable Diseases. The department has UGC DSA SAP III Program which is in its third phase (2015 – 2020).

The department has shown phenomenal growth in terms of academics, research and development. The department offers three specializations at undergraduate level i.e. Dietetics, Public Health Nutrition and Food Science and Quality Control. At Masters level two specializations namely Dietetics and Public Health Nutrition is offered. There are 23 doctoral students in the department. The department has successfully initiated the higher payment programme of the B.Sc. (hons.) in Foods and Nutrition & P G Diploma in Food Service Management.

Staff and students have actively participated in various seminars and symposia and have won several awards. This year 10 awards have been won by the staff and students. 14 papers have been published in various national and international journals. Further 38 abstracts have appeared in various proceedings of the seminar/conferences.

The Department had the opportunity to send 2 students on an exchange program for PG and UG with a fellowship from Erasmus Mundus to Poland.

The staff has also generated funds by getting research funds from institutions like Todler Foods, DBT, GUJCOST, UNICEF and GOG. The department organized three seminars & academic activities namely ;

- 1) National Seminar on "Food and Nutrition Priorities – From Evidence to action' on 2-3 September 2016.
- 2) Workshop and National Seminar on – Inborn Errors of Metabolism and New Born Screening -Exploring the link between Nutrients and Metabolomes on 9 and 10th September 2016.
- 3) Food Product Development – From Concept to Consumer on 3rd March, 2017.

Lastly our staff are on various expert panel of Nutrition programmes like MDM, ICDS and collaborate & National Health Mission with agencies like UNICEF, Nutrition International, NIPCCD, GOG, Sports Authority of Gujarat etc. etc. Thus, overall the department had a fruitful year in terms of academics, research and extension activities.

Department of Human Development and Family Studies

Established in 1949, the Department of Human Development and Family Studies is a pioneer institution in the country. It is the first center for Advanced Study (CAS) in the discipline, recognized by the University Grants Commission (UGC), New Delhi. The discipline of 'Human Development and Family Studies' is an interdisciplinary social science, that contributes to the well being of individuals and families across the life course, by understanding the intricacies of human behavior and development. The major focus is to generate knowledge and conduct significant research on a range of critical areas affecting individuals and families in today's society. Through innovative outreach efforts, the department extends knowledge to policymakers, employers and professionals. The department is committed to maintaining high academic standards with a focus on collective ethos and teamwork thereby providing scope for autonomy, innovations, and critical inward reflections.

Institute of Fashion Technology

The Faculty of Family and Community Sciences has evolved into a premier institute encompassing dynamic fields of studies. Spanning over a period of six decades the faculty has made conscious efforts towards redefining and

broadening its view in response to the rapidly changing national and global scenario. It offers a professional culture, vibrant teaching learning ethos, engagement with the issues of social relevance, team work and intrinsic motivation to better the best. The inception of The Institute of Fashion Technology in the year 2013 under the umbrella of Faculty of Family and Community Sciences is the outcome of the above.

The Institute of Fashion technology is the first of its kind in Baroda which includes multi disciplines under the same roof mainly to create educational, social and business opportunities for the fashion and technology industries. The Institute was created with the vision that fashion education needs to remain competitive and provide employment in the rapidly changing fashion industry. The various programs offered by the institute will run under the aegis of the premier departments in the field of Family and Community Sciences i.e Clothing and Textiles and Extension Communications.

The institute is offering three degree programmes in:

- Textiles and Apparel Design
- Garment Technology
- Fashion Communication

It also offers one year Diploma Program in Fashion Retailing and Merchandising

To achieve the goal of transmitting a broader range of competencies, the institute created its innovative curriculum that addresses the needs of fashion industry. The courses develop the creativity in students while also teaching key technical skills needed to succeed in this competitive industry. These programmes encourage and facilitate innovative design and production through creative exploration, applied research and collaborative enterprise. Our courses are developed to reflect current industry practices, extend students' market knowledge and explore enterprise opportunities. Students will thus be developing a clear understanding of the collaborative and holistic nature of design projects.

The Institute also aims to impart professional education to students who are looking out for new specializations and emerging professions within the fashion field such as Image Consultants, Fashion Stylists, Fashion Photographers, Fashion merchandisers, Exhibition Designers, Fashion Designers.

8. Faculty of Journalism and Communication

1 INTRODUCTION

The Faculty of Journalism and Communication (FJC) was set up in the M.S. University of Baroda vide Syndicate Resolution Number S.R.2 (4) dated 28. 08.1993. It initially offered a one year post-graduate Bachelors in Journalism and Communication Programme (BCJ), which five years later, in 1997, was replaced by a four-semester Masters in Communication Studies programme. The nomenclature of this course has been recently changed to Masters of Journalism and Mass Communication (MJMC). FJC offers a comprehensive curriculum which encapsulates a range of relevant subject areas and related practical work. One of the key ongoing features of the programme is that during the proceeds of the course, students get ample opportunity for exposure and hands-on training in the field. For instance, students report on the beats and publish the newsletters through daily reportage of varied local events like industrial exhibitions, university Youth Festival, conferences, etc. Their print media lab journal "Itivritt" is also published each year. Similar work is done for Radio and Television too, and many programmes and films have been produced over the years. Such an interface helps student build their confidence and capability to be effective practicing journalists in the future. The New Media component has also been integrated into the theory and practical aspects of the curriculum.

Department of Journalism and Communication

Department of Journalism and Communication

The Faculty was established in 1992 and launched a two year programme Master of Communication Studies in 1997, replacing the then existing one year post graduate Bachelor's programme. The Faculty offers a two year (four semesters) MJMC programme which familiarises the students with Communication theories, intricacies of media society relations, and basic cultural and contemporary media issues. The Faculty also strives to provide intensive theoretical instructions and practical training in journalism and allied areas like radio, television, new media, public relations, corporate communication, advertising, etc. With a thorough grounding in theory, research, and intensive practical training in different media, the students have a wide range of avenues open to them when they graduate from the Faculty and become practitioners in the field. From the academic year 2012, the Faculty upgraded and refreshed the syllabus content, and having changed from the marks to grades evaluation, now offers an 84 credits four semester comprehensive, contemporary, and interdisciplinary programme.

*Faculty of
Performing Arts*

1 INTRODUCTION

The Faculty of performing Arts is the one of the pioneer Institute for Promoting Indian classical Music, Dance & Drama with a years old foundation since 130 years. The institute having it is only institute in Western part of the country which is imparting knowledge of Traditional Indian Performing Arts. In these years the institute is having a mission for continues process of finding the innovative ways to keep these Performing Arts as the legacy of Indian culture with new dimensions of research and its development.

Department of Dance

Department of Dance established in 1951. The Department of Dance became part of the College of Indian Music, Dance and Dramatics, The M.S. University of Baroda. The Department uniquely amalgamates the traditional practice of art-dance teaching, i.e. the guru-shishya parampara, with the contemporary practice of art education. The best features of the guru-shishya parampara, and modern educational methods were interwoven to construct a comprehensive and professional course in Dance. It encouraged independent thought, bold experimentation and intense research activity.

The department puts equal emphasis on the theory and practice of dance. Students are groomed to be not only dancers but also accomplished teachers, critics, historians and artistes. Two dance styles Bharatanatyam and Kathak are taught in the department. The base of Bharatanatyam remains the Kalakshetra school as the pioneers, Late Mohan Khokar and Anjali Merh, trained there. Even the Tanjore school had been absorbed too. In Kathak, the training remains Jaipur Gharana as the course was started by Late Pandit Sunderlal Gangani and has been carried on by his family. Along with performances of kathak and Bharatanatyam, the department also encourages training in and performances of folk and Modern creative dance.

The Department has in its list number of dance dramas like Shri Chandramauliswara Kuravanji, Ramayana, Ritu-Samhara, Bhumiya, Shakuntal Chetana, Mukti and many more.

The stalwarts like Great Nattuvanar Guru Shri Kuber Nath Tanjorkar, Padmabhushan Prof. C.V. Chandrashekhar Guru Shri Sundarlal Gangani were the Strong Pillars of the Department. Guru Shri Kuber Nath Tanjorkar and Guru Shri Sunderlal Gangani both hailing from families with traditional links with music and dance, contributed greatly in creating a strong base of training in the department. The late Mohan Khokar, the first head of the department, laid a solid foundation for research and theory. Anjali Merh continued his work and took the department to glorious heights. Other teachers who remain unforgettable for their work in the department are Kundanlal Gangani, M.K. Saroja, Nargis Katpitia, Umadevi Dutta, Prafulla Oza, Pradeep Barua, Jyotsana Mehta, Prof. Dr. Parul Shah, Smt. Juthika Mahen, and N.R. Pillai. The present teaching staff HOD Dr. Jagdish Gangani, Shri Harish Gangani, Smt. Narayani Shah, Dr. Smruti Vaghela, Dr. Ami Pandya, Ms. Preeti Damle, Ms. Jalpa Patel and Ms. Dhvani Mahaskar were all trained at the department.

Department of Dramatics

The Department of Dramatics is a foremost constituent of the Faculty of Performing Arts, the Maharaja Sayajirao University of Baroda, established in 1950. It is one of the pioneer theatre departments imparting training at the University level offering UG, PG Degree and Ph.D Programme in Dramatics as also a two year diploma in the subject. It has nurtured a number of aspiring artists wanting to pursue theatre arts as a profession. The potential training is towards creative performing artists, production/technical designers, academicians who are able to respond to changing times of the contemporary society. The course structure is designed to foster creative and intuitive abilities and the student is encouraged to experiment with different theatre techniques in Acting & Productions where by attaining a systematic understanding of the art and science of theatre.

The Department has also acted as a protagonist and catalyst in the societal commitments and development through its varied activities and programmes. The goal is to train students not only in the performing skills but also in their mental and intellectual activities so as to become aware of critical ideas and understand the philosophy of contemporary arts and life. Our endeavour is to form a bridge between the conventional and most modern, keeping close to the basics which evolved over centuries and connecting them to present day modern applications.

Department of Music(Instrument)

DEPARTMENT OF INSTRUMENTAL MUSIC : In 1886 Gayan Shala was founded by the Late Maharaja Sayajirao of Baroda with a thread of his own institute known as "Kalawant Karkhana" and through his patronage this institution the oldest of its kind in India has served the cause of Performing Arts for over 130 years. On the establishment of The M. S. University of Baroda, the Gayan Shala has developed into full fledged college and since June 1950 Department of Instrumental Music is also established with various other departments of the Faculty. This is a prime department in western region of India impacting knowledge in Instrument like Sitar & Violin from Diploma to Ph D level. The department is having its own system of teaching, i.e. Traditional & Institutional way of

teaching simultaneously. The Department of Instrumental Music is the place where teaching and learning of pure traditional Indian Classical Music is undisturbed till day. So many academicians & Wellknown performing Artists are the alumni of this well-known department.

ANY INNOVATIVE PROCESS ADOPTED BY THE FACULTY /COLLEGE IN TEACHING AND LEARNING

we follow the ancient Indian Teaching system
with the help of modern tools use Multimedia and ICT

19(B) ANY INNOVATIVE PROCESS ADOPTED BY THE DEPARTMENTS IN TEACHING AND LEARNING**Department of Dance**

The Teaching in most of the subjects of the department is one to one kind of teaching. A teacher Students bonding is best remedy to overcome any problem in teaching and learning process.

Department of Dramatics

*MANCHPARVA a National theatre festival is been introduced in this year. The response from the society as well as the artists' community was overwhelming. MANCHPARV created a new dimension to collaborate with the national performers. *Sature Theatre

*The traditional art is use to create awareness programme as well as environmental protection programme to educate the society. It also creates Audio Visual programs for various agencies which are running such programmes for environmental awareness.

Department of Music(Instrument)

Department of Instrumental Music: The department introduced core compulsory dissertation in PG level programme in the subject of MVI. It is also part of evaluation system with credits The Department has two exam system. First is the CBCS system which is introduced till Jr. Masters and annual system that falls in the old annual exam system. Under CBCS system the evaluation is done on the basis of one internal and one external exam as well the annual system is evaluated on the basis of two internal exam and one annual exam. There will be Continuous Internal Assessment in both Practical papers at MPA in all semesters, which are culminating into End Semester examination of 200 marks in accordance to the exam scheme. In Semester IV the Master Degree students will be required to do a theoretical Dissertation and submit at the end of the Semester. As dissertation work is a continuous process there will be no internal exam for Dissertation and students will be evaluated at the end semester examination of 100 marks. The major changes adopted in all the semester is all the practical exams will be conducted at semester end only.

Faculty of Pharmacy

1 INTRODUCTION

The Faculty has successfully completed one year in December 2016. The objectives of imparting education, combined with creation, dissemination and application of knowledge, are being met in an integrated form, to create a synergistic impact.

Department of Pharmacy

The Department of Pharmacy runs B.Pharm and M. Pharm (in six different disciplines) courses. The admission to these courses is through ACPC. The Department also runs Ph. D. in Pharmacy course. The admission to this is based on qualification at national level exams like GPAT, NET/SLET or PET.

4(A) BOARD OF STUDIES

| Sr. No. | Name of Board of Studies | Dates of the meeting | Details of Syllabi revision, updation/ modification of course structure, eligibility criteria etc. |
|---------|-------------------------------------|----------------------|---|
| 1 | Board of Studies(Pharmacy) | July 30, 2016 | Preparation of Panel of Examiners, Consideration of names of the referees for Ph.d degree,Revision of M.Pharm Syllabus,Praposal to start new Pharm. D course, Praposal to start new B.Pharm course under self finance |
| 2 | Faculty Board of Pharmacy | July 30, 2016 | Consideration of implementing proposed syllabi for B Pharm and M Pharm from academic year 2016-2017: It was resolved to take suitable action based on PCI regulations |
| 3 | Special Faculty meeting of Pharmacy | March 09, 2017 | Consideration of revision of syllabi as per PCI regulations: It was resolved to implement new syllabus alongwith scheme of examination and passing for B Pharm from 2017-2018 as per the PCI regulations |
| 4 | Board of Studies in Pharmacy | March 09, 2017 | Consideration of revision of syllabi as per PCI regulations: It was resolved to implement new syllabus alongwith scheme of examination and passing for B Pharm from 2017-2018 as per the PCI regulations |

4(B) FACULTY BOARDS

| Sr No. | Dates of the meeting | Key decisions taken in the Faculty Board |
|--------|----------------------|---|
| 1 | July 30, 2016 | Preparation of Panel of Examiners, Consideration of names of the referees for Ph.d degree,Revision of M.Pharm Syllabus,Praposal to start new Pharm. D course, Praposal to start new B.Pharm course under self finance |

4(C) FEEDBACK TAKEN DURING THE YEAR

| Sr. No. | Feedback From | Dates of Meeting | Results of Analysis of the feedback in points | Remarks, if any |
|-------------------------------|---------------|--------------------|---|---|
| Department of Pharmacy | | | | |
| 1 | Students | September 19, 2016 | The Feedback form was received from the university and got filled by the Students to analyse the teaching skills of teachers. | Efforts are being to make the feedback system online. |

| | | | | |
|---|----------|--------------|---|---|
| 2 | Students | May 06, 2017 | The feedback form was filled for each teacher subject wise. Specific/major aspects wherein the teacher needs improvement were brought to the teacher's notice. | * Efforts are being made to make the feedback forms available on line * Efforts are being made to get the filled feedback forms analyzed through some software for arriving at average grading, suggestions and comments |

Faculty of Science

1 INTRODUCTION

In 1926, the then Viceroy and Governor General of India, Sir Isaac Rufus laid the foundation stone of Sayajji Jubilee Institute under Baroda collage, which soon became a leading institution of higher education and research in science. With the establishment of the university in 1949, all the science departments of Baroda Collage were reconstituted and the Faculty of Science was established. Since 1949, the Faculty offers programmes leading to B.Sc., M.Sc. and Ph.D. degrees in Botany, Chemistry, Geography, Geology, Mathematics, Physics, Statistics, and Zoology. Thereafter the Faculty added four more departments, viz. Department of Biochemistry (1955), Department of Microbiology (1964), Department of Computer application (2013), and Department of Environment Studies (2014). Faculty is also offering master's degree in Biotechnology, Biostatistics and Petroleum Geology. The Faculty steadily made significant strides in various disciplines of science that attracted students from all over India and other countries and soon it developed into a cosmopolitan Centre of higher education in Science. Recognition came in the form of liberal grants for research from UGC under the special assistance programmes like DRS, DSA and COSIST to many departments and also from DST under FIST programme. ICMR established the population Research Centre in the faculty. Department of Biotechnology selected Microbiology Department to start M.Sc. Biotechnology as one of the first five centres in the country. Recently Faculty became one of the first institutions to have Genome Research Centre in India. Dr. Venkat Ramakrishnan an alumnus of the faculty was awarded Nobel Prize in Chemistry in 2009. The growth of the faculty has thus complemented the pioneering efforts of the great visionary, The Maharaja Sayajirao Gaekwad III, who had taken pains to improve science education and around Baroda.

Department of Biochemistry

Established in 1955, the Biochemistry Department is well known nationally and internationally for its quality postgraduate training, its intellectual rigor and quality research. The department attracts students from the best colleges from all over the country. The students who pass out from department get a very strong base in Biochemistry and all allied subjects. The courses offered by the department are Ph.D., M. Phil, M.Sc. (Biochemistry), Post Graduate Diploma in Applied Biochemistry (PGDAB) and M Sc. (Medical Biotechnology). The training that students get at the department helps them clear CSIR- NET and join premier institutes in India.

Department has completed two phases of level I DST FIST program (2001-6; 2007-12). In the report year UGC, New Delhi has awarded the SAP-DRS Program (2012-17). In addition, faculty members have received grants from premier funding agencies like DBT, DST, CSIR, UGC, ICMR, GSBTM. Research interest of the faculty members can be broadly classified into areas like Cell and Molecular biology, Endocrinology, & Microbial Physiology. The research focuses on current areas like Genetic Polymorphism and Molecular basis of various diseases, Stem Cell research, Protein Folding, Bio-fuels and Bio-fertilizers, Hybrid Antibiotics, Pro-biotics etc.

Department of Botany

Department of Botany, one of the leading department in Faculty of Science has good potentials in terms Academics and Research. The teaching staff is diligent ,particular Department has BARO-HERBARIUM ARBORETUM, BOTANICAL GARDEN, MUSEUM, CENTRAL RESEARCH FACILTY, COMPUTER ROOM, LIBRARY, LECTURE THEATRE & DEDICATED RESEARCH LABS in terms of conducting theory and practical classes. The staff caters about 700 students in the department including Core II and Foundation courses. The strength of research activities of the department is reflected with project in various subjects. At present department is focusing on biodiversity and Climate Change due to which funds amounting to more than Rs. 3 crores has been received. This has made the department to spearhead towards the Centre of Excellence in Biodiversity. The department also has numbers of projects in the field of Plant Biotechnology with project grant of more than Rs. 1 crore. The department in the year 2015-16 has received research project from various funding agency viz.DST, UGC, ISRO, DRS, DBT, GBB, GSBTM amounting to Rs.6.3 Crore. Recently the department has received a DST – FIST from Government of India and Zero Gravity Project from United Nations Office of Outer Space Affairs (UNOOSA) which will give a baseline for developing Space Biology Laboratory in the department.

Department of Geography

The Department offers Bachelor of Arts as well as Bachelor of Science Degrees and M.Sc. and Ph.D. Degrees in Geography. Through the graduation and post-graduation level courses, the students are imparted in-depth knowledge on various branches of physical and human geography and regional and systematic geography. The basic aim of the course design of the Department is to train the students with the finer nuances of every branch of the discipline with the help of the modern methods and tools of teaching. The student is exposed to GIS and Remote Sensing tools and Computer Cartography at an early stage so as to enrich him/her to master the use of the tools at the end. From under graduation 1st Semester onwards, students are exposed to ground realities in both physical and human aspects by conducting intensive field surveys.

The Department offers guidance for doctoral research in Urban Geography, Regional Development Planning, Land Use Studies, Industrial Geography, Social Geography, Geography of Health, Resource Management and Geography of Environment.

The Department was established in 1952 by Prof. V. A. Janaki. Currently the faculty strength is four Professors, two Associate Professors, one Assistant Professor and five Temporary Teaching Assistants

Department of Geology

The Department of Geology was established in the year 1951 initially in the Faculty of Technology and Engineering with limited staff and equipment's with undergraduate teaching. The present venue of the Department in the Faculty of Science was established in 1965 with full fledged undergraduate, postgraduate courses and research programmes in varied disciplines of Geology. An extension wing was added in 1987. At present there are 12 faculty members in the Department, of which six are Professors. The Department is offering B.Sc., M. Sc., MSc. (Applied Geology) and M.Sc. (Petroleum Geology) courses. Since its inception, a total of 145 students have completed their Ph.D. and 12 students are working at present for their Ph.D. The research students include those with fellowships from CSIR, major research projects and also from ONGC, GSI, ISRO, PRL and state government departments. The Department is well known nationally and internationally for high quality teaching and cutting edge research particularly in the areas of Quaternary Geology, palaeoclimatology, Geomorphology, Neotectonics, Sedimentology, Metamorphic Petrology, Ichnology, Palaeohydrology and Remote sensing. Majority of the teaching staff are actively pursuing their research with the help of funding from Department of Science and Technology (DST), Ministry of Earth Science, ISRO, UGC and others. Over the years, the Department has gained a reputation as a major contributor to the frontline research in Earth Science in the country. All staff members are well known for producing high quality research which is published and cited in reputed national and international journals.

Strengths

The Department has traditionally maintained a vibrant atmosphere of teaching and research. The main strength of the Department is the well qualified and highly distinguished faculty. The staff members are well known for their research work in their respective fields. The Department also has several laboratories and state of art equipments for carrying out teaching and research. The syllabi of the various courses are periodically upgraded in line with contemporary trends and needs. This is reflected in the large number of students qualifying in NET and other competitive examinations. The students also get placement regularly in several reputed government and private organisations.

The Department is housed in three storied building along with an extension wing. All staff members are provided with individual rooms in addition to the laboratories. The Department has well equipped laboratories with sophisticated instruments, several lecture rooms with audio-visual facilities and computer room with internet facility for staff and students. Specialised laboratories with advanced instruments which include Sedimentology lab, Geochemistry lab, Remote Sensing lab, Advanced Optical lab and Micropalaeontology lab. The Department also has a well furnished Seminar room and library. The Department is known for producing high quality research publications in reputed national and international journals. All staff members have excellent academic credentials and are recognised for guiding research students. Some of the staff members possess very high citation index, a reflection of the high quality research being carried out in the Department. Some of the aspects of research being actively pursued by the staff members of the Department are as follows.

- a) Quaternary climatic and Hydrogeological changes in Western India.
- b) Evolution of Coastal plains and sediment disposal system along Gulf of Cambay and Kachchh.
- c) Geometry and nature of active faults in Gujarat.
- d) Evolution of Great and little Rann of Kachchh using subsurface cores.
- e) Environmental conditions during late Quaternary in the Nal-Bhal corridor.
- f) Structural and metamorphic history of the Aravalli Group of rocks of NE Gujarat.
- g) Ichnological and Sedimentological studies of Mesozoic and Cenozoic sequences in Gujarat.

Department of Mathematics

DEPARTMENT OF MATHEMATICS

Established in 1949, the Department of Mathematics at Faculty of Science The Maharaja Sayajirao University of Baroda is actively engaged in researches in Analysis, Classical Harmonic Analysis, Special Functions, Topology and Classical General Relativity, Fluid Mechanics. Mathematics Department is well known for teaching, research and extension activities. Department offers B. Sc., M. Sc., M. Phil. , Ph. D. and B. A. (Honors) courses.

Researches in analysis began with the advent of Prof. U. N. Singh in January 1958 and since then many workers in the department have produced good amount of quality research work in the study of Fourier Series in general and

lacunary Fourier Series in particular. While the work on general trigonometric Fourier Series, in connection with the convergence and summability problems, is noteworthy; in the area of lacunary Fourier Series, the department has put in significant research work regarding the problems of their absolute convergence, study of properties of Fourier coefficients and convergence and summability problems not only in the setting of circle group but currently in the setting of totally disconnected compact abelian groups as well.

Since, 1973 the department is actively engaged in the researches in the field of Special Functions also. The research work done and being done cover varied topics such as Hypergeometric functions and associated polynomial systems, multiple series and associated function viz, Lauricella functions, Appel's functions, H-functions, G-functions, of polynomial sets and their q-analogues.

It is now more than 21 years that the department is actively working towards researches in Topology. The work going on as the topology can broadly be classified into two areas: Dynamical systems and Compactifications and Projective objects. Interesting problems in the area of dynamical systems include studying the impact of robustly and persistently dynamical properties, like expansivity and shadowing, on compact invariant sets such as homoclinic classes, chain components and chain recurrent sets. Multidimensional dynamics including Chaos is another area of interest. Work is also being done in the area of G-spaces, Compactifications and Projective objects. Many staff members have collaborative research work with research workers at leading institutions in India and abroad.

The department has FIST programme of DST since 2009. Also department gets recurring library grant from the National Board for Higher Mathematics, DAE. The department has initiated infrastructure renovation programme with the support from UGC XI plan and DST – FIST support. Department now has a well equipped seminar room with capacity of 70 people with modern equipments and one new computer laboratory with latest configuration computers.

Department of Microbiology

The Microbiology Department was started in 1964, and since 1985-86, it also offers the DBT funded M.Sc. Biotechnology Course in addition to the M.Sc. in Microbiology and Ph.D. in Microbiology. M.Sc. Microbiology entrance exam conducted by the Department is open for students coming from all across the country. The Department has produced more than 100 Ph.Ds and a large number of research papers are regularly published in journals of international repute. The Department funded under DST-FIST-I program under which new equipments have been purchased and other infrastructure facilities were strengthened. Department has received support from UGC-DRS, UGC-DSA and COSIST programs. The Department has a strong base in Microbial technology and the main focus of the program is on Genetics, Molecular Biology, Industrial Microbiology, Immunology and other contemporary areas such as genomics and bioinformatics.

Department of Physics

The department of Physics at the Maharaja Sayajirao University of Baroda was established in 1949. Department is running U.G., P.G. and Ph.D. programmes. In M.Sc., students are offered Solid State Physics, Electronics and Communication, Nuclear Physics and Molecular Spectroscopy as specialization. The department is also equipped by two of the oldest and famous observatories:

(i) Astronomical Observatory and (ii) Meteorological observatory.

Students are being selected for higher studies in premier institutions of India and a sizable number is seeking admission abroad. All teaching staffs are equipped with personal Computer with net facility at their desk and research labs have work stations and other higher configured computers for advanced theoretical work.

The Department had been awarded University Grants Commission's Department Research Support (DRS) phases I, II & III, and COSIST programs and the Department of Science & Technology had been awarded DST-FIST programme in Condensed Matter Physics as thrust research area. University Grants Commission, New Delhi has awarded DSA Phase-I in the thrust areas of Condensed Matter Physics and Nuclear Physics. In addition to this, various funding agencies have granted over 3.00 cores for supporting ongoing research activities of the department, while department has obtained approximately Rs.6 Crores during last five years.

The research interests of department cover experimental and theoretical Condensed Matter Physics, Material Science, Experimental Nuclear Physics, and Spectroscopy, theoretical Particle Physics and Astrophysics are the fields being undertaken by many staff members as their research activities. The research laboratories are well equipped by TDPAC Set up, Mossbauer Spectrometer Set up, Thin Film Coating Unit, Conductivity and Hall-Effect, UV-VIS-NIR Spectrophotometer, Impedance Gain Phase Analyzer, X-ray Diffractometer, Closed Cycle Cryogenic systems (two) for Mossbauer and conductivity Measurement system, Keithly programmable constant current source, and Keithley Programmable Nano Voltmeter, L.C.R. meter (Agilent) E4980A, Digital single Pan Micro-Balance, Gamma Ray, Spectrometer system, 2.0" X 2.0" NaI Scintillation detector, FTIR-4100 Spectrometer, Thermal, Analysis(DSC), AFM, Workstations-4, Cluster Computing facility (Supercomputer).

Current research activities of the department is as follows:

(i) Theoretical condensed matter Physics: Model calculations on transport properties and ground state properties of graphene, a-b initio calculations on transport through atomic chains and wire optical properties of small clusters and atomic clusters. Results have been published in journals and presented at various national & international conferences.

The first principles calculations based on density functional theory are used to investigate the electronic, mechanical, optical and vibrational properties of variety of materials both at bulk and nanoscale levels including metal clusters, graphene and graphene like materials, semiconductor wires etc. The pressure or strain dependent studies on materials are interpreted in terms of their applications in nanodevices and seismic waves. These approaches are also being used to understand the interaction between the inorganic and biomolecules for their perspective uses in nanoelectronic devices.

(ii) Experimental solid state Physics: work on (a) Crystal growth, Thin film and their characterization (b) electrical, optical and spectroscopic properties of polymers and their composites, (c) conduction through ionic conductors, (d) Photo luminescence studies of nanomaterials for the application of making LEDs. Rare earth doped tungstate nanomaterials were explored for solid state lighting application (e) Study of conjugated polymers for low cost electronic and photovoltaic applications and (f) effect of SHI irradiation on polymer nano composites .

(iii) Particle Physics: Rare B-meson decays to two pseudoscalar nonets using factorization have been studied and the ranges of several parameters related to B-mesons have been narrowed down. Singlet axial-vector coupling constant of a nucleon has been calculated using QCD sum rules in which correlators of two axial-vector currents between one-nucleon states has been studied. Transition form factors of eta and eta-prime mesons is being investigated taking into account finite meson and quark masses and with few other changed parameters.

(iv) Nuclear Physics: The experimental Nuclear Physics activities are being carried out by using national facilities such as Pelletron of TIFR/BARC, Mumbai and IUAC, New Delhi and Variable Energy Cyclotron (VEC) of Kolkata. The study of fast neutron induced fission and reaction cross-section has been carried out for the advanced reactors and Accelerator Driven subcritical systems (ADSS) applications. Secondly, the study has also been made to measure precise elastic scattering angular distributions, at near energies, for the weakly bound systems and two different energies for radioactive ion beams. Fission fragments angular and mass distributions of various systems in the actinide and rare earth region are also of prime interest of the research group.

Department of Statistics

The Deptt. of Statistics at The M.S. University of Baroda was established in 1949. The Deptt. has UG and PG teaching as well as research activities leading to Ph.D. students of the deptt. undertake projects, surveys and case studies during their post graduate studies. In early years departmental research was mainly in the areas of classical probability stochastic processes & modeling etc. Gradually the faculty members involved into the areas of Statistical Inference, Quality Control etc. The deptt. on an average publishes good number of papers every year. Minor-Major research projects funded by several funding agencies are undertaken by the staff members of the deptt. The staff members have participated in various conferences/ seminars, workshops etc. and are also serving on the editorial boards and as office bearers in various academic bodies / programmes. The deptt. is also providing consultancy services to various industries in and around Baroda city. Departmental staff members have published more than 100 research papers in the journals of national/ international repute. Major research projects funded by DST/UGC have been completed during last five years. Projects funded by Govt. of Gujarat have also been taken up

*Faculty of
Social Work*

1 INTRODUCTION

Faculty of Social Work at The Maharaja Sayajirao University of Baroda was founded in the post-independence era in 1950, 15th March.

The Faculty of Social Work has followed a generic approach to Social Work Education, since its inception.

The Faculty was recognized for its work by the University Grants Commission, New Delhi, and was awarded the DRS and DSA programme.

The institute has completed the 1st phase of DSA in Social Work with the theme of Poverty Alleviation and Social Development in the thrust area of Children, Women, Elderly, and SC/ST as well as ASIHSS Programme.

As a matter of pride, on the basis of the performance of the Faculty in the 1st Phase and 2nd Phase of DSA programme, the University Grants Commission, New Delhi, has granted 3rd Phase of DSA programme from April 2014 to March 2019 with total grant of Rs. 1.2 Crores.

The faculty has been actively engaged as an academic and research body closely working with the Government, Corporate and NGO Sector to enhance service delivery through technical assistance, policy formulation, programme implementation and outreach services.

The faculty as an institution has made rich contribution in state and national level planning of Women, Children, SC/ST, HIV/AIDS, Corporate Social Responsibility and other welfare programmes. The Faculty is recognized as the Nodal Agency for undertaking Need Assessment/ Impact Assessment studies by Government of Gujarat especially, the Department of Tribal Welfare. Faculty is also Nodal Agency for CHILDLINE, India.

The Faculty of Social Work is first in the country to start a CSR Cell with the help of Corporate to guide the corporate to provide support, guidance and consultancy to the corporate for conducting CSR activities.

In this view the faculty has earned and implemented following prestigious agencies and programs.

National Service Scheme

The University Grants Commission headed by Dr. Radhakrishnan recommended introduction of national service in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service. NSS is a voluntary association of young people in Colleges, Universities and at +2 levels working for a campus-community linkage.

The cardinal principle of the NSS program is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation building.

Major activities conducted by NSS during June 2016- June 2017,

- Faculty of Social Work celebrated Good Governance Day on 25th December 2016 as a part of NSS activities at our faculty as well as at Saffron Tower. We gathered around 200 people to spread awareness on Digital Banking, Cashless Payments and Financial Literacy.
- National Youth Week celebration from 12th to 19th January 2017, Around 40 NSS Volunteers went to their respective field work villages and put up posters on Digital India and Cashless Transaction. Several villages in the vicinity of Vadodara city like Sangma, Khalipur, Ganpatpura, Bil, Kandari, Kurali, Chandranagar, Tundav, Namisara etc. Posters were also put up in all the different faculties of The Maharaja Sayajirao University Of Baroda.

*Faculty of
Technology and Engineering*

1 INTRODUCTION

The Faculty of Technology and Engineering as it stands today formed alongwith the establishment of the Maharaja Sayajirao University in 1949 is an outgrowth of what was popularly known as the "Kala Bhavan Technical Institute" (KBTI) established in June 1890 by his late Highness The Maharaja Sayajirao Gaekwad III of Baroda state. In May 1990, it completed 100 years of glorious services for the cause of Technical Education.

Department of Applied Chemistry

The Applied Chemistry Department was established in 1975 and has infrastructure for catering to the needs of different disciplines of Engineering and Technology. Situated in the chemical industrial belt of Gujarat, it offers a four semester Post-graduate course in M.Sc.(Applied Chemistry), and a two semester Post-graduate Diploma in Corrosion Technology. The department also offers a Ph.D. programme. The department staff is actively engaged in research in the areas such as liquid crystals and liquid crystal polymers, metal-incorporated polymers, pour-point depressants, organic synthesis including natural product chemistry, catalysis, inorganic micro- and meso-porous materials, and waste water treatment containing dyes/heavy chemicals. The staff of the department has achieved research grants from DST, AICTE, UGC, CSIR, BRNS and ONGC. The department has also instituted two gold medals for the students securing the highest aggregate marks in the four semesters in M.Sc. course. The department has an outstanding research record as reflected in the number of research papers published and the number of Ph.D. degrees awarded.

Advanced instrumental facilities like FT-IR, UV-VIS Spectrometer, TGA, GPC, Polarizing Microscope, SLS, Microwave synthesizer Labstation, Lyophilizer(Freeze-Drier) are also available in the department to undertake the quality research.

The Department has close interactions with various surrounding industries such as RIL, GACL, GSFC, ERDA, GIPL, DACL, ONGC, SUD Chemie, SPARC etc. and many students are employed by these and other industries through Campus interviews.

The Department has also collaborative Ph.D. programme with Electrical Research and Development Association (ERDA), M/s Solvay Industries, M/s Intas Biopharma and these organizations are recognized by the University for Doctoral degree in Applied Chemistry.

The Department has been recognized for special support under the DST-FIST program of Department of Science and Technology, New Delhi for the duration 2004-2009 (Rs.23 Lakhs) and under level-I from 2010-2015 (Rs.35 Lakhs).

The Department has also been generously supported by University Grants Commission, New Delhi under the special assistance Program (SAP, DRS-I) (Rs.40 Lakhs).

Department of Applied Mathematics

A leading Applied mathematics department in terms of industrial collaboration and industrial mathematics activities

Department of Applied Mechanics

The Department of Applied Mechanics and Structural Engineering was established in 1949 with undergraduate course. Post graduate courses started from 1962. Department has started Post graduate programs in Geotechnical engineering during 1962, than Structural Engineering in 1964. After that Post graduate course in Fracture mechanics started in 1986. Two Post Graduate courses: Post B Sc (Diploma) in Geotechnology and M Sc (Tech) Geotechnology started during 1984 and 1987 respectively. The department has dedicated faculty with total sanctioned strength of teaching staff as 31. The department has excellent research team and has identified thrust area of research in Structural engineering, Concrete technology and Geotechnical engineering.

Department has total 31 sanctioned teaching post out of which 7 Professors, 13 Associate Professors and, 11 Assistant Professors. Among them 10 staff members are holding Ph D degree and 1 staff member is pursuing doctoral research work. The growth of the department is largely due to its Post –graduate degree programmes in structural engineering, geotechnical engineering and fracture mechanics.

Department of Architecture

Maharaja Sayajirao Gaekwad III, ruler of the erstwhile State of Baroda in the western part of the Indian subcontinent, was not only a visionary leader but also an institution builder. Under him, the princely state began to experience the first aspects of urbanization and became one of the most progressive states in the country.

In 1890, he founded the Kalabhavan Institute of Industrial and Fine Arts. He realized that with the consolidation of British rule in India, the practicing British Architects in the country would require skilled assistance. With this in mind, the Department of Architecture was established, initially as a section of Fine Arts, under the leadership of Professor T.K.Gajjar, a textile chemist. The course was essentially in draftsmanship and was awarded a certificate in Architectural Assistantship.

The Department of Architecture offers a ten semester (five year) Under graduate course in Architecture leading to the degree of B. Arch. which conforms to the recommendations of the Council of Architecture (COA), and is recognized by both COA and the All India Council of Technical Education (AICTE). Major subjects of the course are Architectural Design and Building Construction Technology supported by other technical and humanities subjects.

The Department also offers a self financed four semester (two year) Post graduate course in Urban and Regional Planning leading to the degree of MURP which conforms with the guidelines laid down by the Institute of Town Planners India (ITPI) and is recognized by ITPI and AICTE. The main subjects of the course are the Planning studios on Area Planning, Metropolitan Planning and Regional Planning supported by other subjects including Infrastructure and Governance.

Department of Chemical Engineering

The Chemical Engineering Department of The Maharaja Sayajirao University of Baroda, established in 1963, is the oldest Chemical Engineering department in the state of Gujarat. The department offers post graduate courses in Petrochemical Engineering and Polymer Technology. Till date our 1600 graduates, 400 post graduates and 19 PhDs have left their indelible mark on the profession all over the world. The department boasts of around 70% on campus placement of its undergraduate students.

In the more than five decades of its existence the department has received four P. C. Ray awards for best B. E. dissertation in Chemical Engineering from the Indian Institute of Chemical Engineers. It has also received seven ISTE-IPCL awards for best ME thesis. Teachers of this department have been honoured by various organizations.

Students graduating from this department have earned high reputation in the profession both in India and abroad. The department strives continuously to orient its academic resources to cater to the changing outlook of the profession. The integrity, dedication, aptitude and knowledge of the students make them among the best in the world.

The department has received funds of the order of 48 lakhs in the last decade from various funding agencies AICTE, UGC.

The department has a state of art Polymer Laboratory developed by M/S SABIC as per industry standards for polymer processing and testing. The department is supported by its alumni for refurbishing the existing laboratories and work on the same has been initiated.

Department of Civil Engineering

The department of Civil Engineering is one of the pioneer departments of the Faculty of Technology & Engineering. The department started its UG course in 1949 and PG courses in 1956. It offers a four year B. E. degree course in Civil Engineering and two year M.E. degree courses in Civil with specializations Environmental Engineering, Highway and Transportation Engineering and Hydraulic Structures. It also offers Ph.D. programme in Civil Engineering.

The department has identified few major thrust area as –(i) Environmental Management and Impact Assessment Studies (ii) Monitoring of Environmental Mediums (iii) Reservoir Performance and Flood Related Studies (iv) Hydroinformatics (v) Traffic flow analysis (vi) Transportation Infrastructure Planning and Appraisal (vii) Public Transport Management The department has successfully completed sponsored projects of various organizations.

Department of Computer Science & Engineering

The Computer Science & Engineering Department Of The Maharaja Sayajirao University is one of the most renowned institutions in Gujarat, having produced a reservoir of world class computer professionals.

The Maharaja Sayajirao University of Baroda has always been pioneer in offering new courses and teaching / research facilities in emerging areas of higher education. Commensurate to this tradition the University was first in the State of Gujarat to offer a Bachelor of Engineering Course in Computer Science & Engineering in the year 1982 and a post graduate Maser of Computer Applications course in the year 1984.

The department has five well established laboratories. The department has been mainly focusing on strengthening research facilities, UG/PG teaching and improving the infrastructure, which has resulted in reaching high degree of acceptance of students by IT industry reflecting almost 100% placement through campus recruitment.

This department is one of the 14 institutions of our country to have been selected under the Project "IMPACT", initiated by the department of Electronics, WORLD BANK , & Switzerland government, which is aimed at improving the quality of Technical manpower being developed in India.

Department of Electrical Engineering

After the expansion of the long standing Kalabhavan Technical Institute into the Maharaja Sayajirao University of Baroda the Electrical engineering department of Faculty of Technology and Engineering, Baroda came into being. The Electrical and electronics engineering department of the Faculty of Technology and Engineering is one of the few institutions to achieve a ISO9002 certification. It started offering Bachelor in engineering (B.E.) degree in

electrical engineering from 1949. This was later followed by the masters and part time degrees in other disciplines of the subject.

After the The Foundation Stone of the Faculty was laid by (late) Honorable Shri V. N.Gadgil in July, 1949 and the college started offering 3 and 1/2 years degree courses in Electrical Engineering during the same year.

1956 is an important year in the history of the Faculty, as Postgraduate courses were started in Electrical Engineering, another First in the Western region of the Country.

Over and above the development of new curriculum and courses to meet the expanding needs of a neo-technological Society, efforts have been made to improve the teaching-learning and the evaluation procedures at the faculty. These include implementation of a Semester System and continuous internal assessment in the department as a mode of examination reform which has also been implemented in other departments

The department also looks into the interests of the students thereby organizing regular industrial and other field visits. The department is in regular touch with various industries to enable the students to have a practical exposure. The United Nations Development Programme (UNDP) played an important part in providing financial support. The aid provided was given to develop the Microprocessor applications of the department which has been done to the fullest.

The World Bank under the project IMPACT sanctioned grant for development of electronics labs. Later many AICTE and UGC grants were sanctioned to this department. The department produces 120 students every year in Electrical and Electronic Engineering discipline.

Department of Mechanical Engineering

The department of Mechanical Engineering established in 1951 is one of the oldest departments in this Faculty. Over these years the department has grown academically through technology teaching and research work carried out at undergraduate and postgraduate level. The department has undertaken thirteen laboratory development programs in the last fifty years for the up-gradation of existing laboratories. In 2007-08, one modernization project under AICTE, MODROBS scheme completed for modernization of Machine Tools laboratory. We have been actively in association with the neighboring industrial houses through active consultancy and extending our existing testing facilities. A number of research, modernization and development of laboratories are undertaken. Quite a few projects (for research, modernization development of its laboratories) are funded by AICTE, UGC, GEDA, DAE etc. In 2009, department successfully completed a research project related to the development of nuclear safety code sponsored by BRNS, DAE. The project is extended & a comprehensive experimental test facility is being built up in the department for Reactor safety division, BARC, Mumbai. The "Siemens Centre of Excellence in Industrial Automation" has been set up in the department, with total outlay of Rs 102.00 Crores, one of the single largest investment to come to university in the history of The M.S.University of Baroda.

Department of Textile Chemistry

The Textile Chemistry Department is the oldest department of The "Kalabhavan" Technical institute which was started in the year 1890, by his Highness Late Maharaja Sayajirao Gaekwad III of Baroda, in the Faculty of Tech. & Engg. That time Textile Chemistry was popularly known as 'Rangshala', where artisan courses were conducted in Bleaching, Dyeing, Printing, Sizing etc. The first Head of the department was Prof. T. K. Gajjar when Kalabhavan was established in 1890.

In the late Nineteenth Century, Diploma in Textile Chemistry (Three years) Course was started; about hundred students were admitted and passed out from the department.

After independence, the year 1949, The Maharaja Sayajirao University of Baroda was established and department of Textile Chemistry was also commenced with the establishment of Faculty of Technology & Engineering. Since then, the department has kept moving from diploma courses to Ph.D. courses. The department presently offers B. E. (Textile Processing Engineering), M.E. (Textile Chemical Processing), Diploma in Textile Chemistry (DTC) and Ph.D (Textile Chemistry) courses. The thrust areas of the Department are Eco-friendly textile wet processing, Nano-Technology in textile processing, Natural dye applications, Chemical modification of textile fibres for improved performance etc.

Department of Textile Engineering

The Maharaja Sayajirao University of Baroda is one of the foremost universities of India and well known for its composite culture and academic freedom to the faculties and department. Department of Textile Engineering has the privilege of one of the founder unit of this oldest and reputed university. It was established in 1890 under the name of RANGSHALA and during that time artisan courses were offered in Bleaching, Dyeing and Sizing. Gradually the department began to provide complete Engineering courses. The First step was offering the Certificate course in Weaving (1897) and the Diploma in Weaving (1907). In 1949, The Maharaja Sayajirao University of Baroda was established and different faculties were made. The department is under the "Faculty of

Technology & Engineering". In 1953, the First Degree Course in Textile Engineering and then in 1954 Textile Technology was started. Further in 1964, Master Degree in Textile Engineering was started and then in 1994 another Master Degree in Man Made Textiles was started. Besides these, there is also a facility for Doctoral Degree.

VISION & MISSION OF THE DEPARTMENT:

To cultivate Excellency in Textile Engineering, Education & Research in order to generate valuable resource for Industry, Academic And Research Institute. They can contribute positively by their scholarly capability and ingenuities to the progress of these sectors and thereby India in the World and always remain a source of pride for all Indians.

LANDMARK – YEARS

- 1890: Kalabhavan Technical Institute started offering artisan and apprentice courses in Dyeing, Bleaching and Sizing.
- 1897: Textile Technology certificate course introduced (School of Weaving).
- 1908: Diploma and certificate course in Weaving Technology.
- 1949: Forming of University.
- 1949: Federation of Mills and Industries earmarked Rs. 7,53, 000 for Textile Technology.

WREMI

In 1980s in Gujarat State a massive step to boost up the agricultural production was taken up by modernising existing irrigation projects and constructing a few new ones including Sardar Sarovar Narmada Project. A need arose for water management process and water management technology that ensures optimal use of water for maximizing crop production.

Looking forward to the need of the state, the Govt. of Gujarat motivated the idea and shown utmost willingness in 1982 to extend all possible help for establishing Water Technology and Management Centre to run a graduate course at The Maharaja Sayajirao University of Baroda. Thus in 1982, when Govt. of India entered into a bilateral agreement with the United States of America, Water Resources Management and Training Project of USAID became a reality. The institute was established under this project. From 1st April 1983 to 30th September 1992, Govt. of Gujarat invested Rs.2,36,55,000/- and the USAID provided US\$ 6,75,000/-, for establishing the Centre from 1984 to 1988. From 1988 to 1991 it was called as Irrigation Management and Training Institute. Upto that time Institute was a part of Civil Engineering Department of Faculty of Technology and Engineering.

This Institute is now christened as Water Resources Engineering and Management Institute (WREMI) headed by The Director vide M. S. University, Senate Resolution No. 8 and 10 dtd. 24/3/1991.

The Institute is a full fledged academic department under Faculty of Technology and Engineering of The Maharaja Sayajirao University of Baroda having a campus of 5 hectares near village Samiala, Taluka-Vadodara in Vadodara District. The Institute is 12 km away from Vadodara Railway Station on Vadodara-Padra Highway. It has six class rooms, requisite laboratories, computer rooms, conference room, seminar hall, library facilities, cafeteria, reprographic unit, administrative wings, display room, etc. Out of 5 ha of land about 3 ha is utilized for carrying out on field research work.

19(B) ANY INNOVATIVE PROCESS ADOPTED BY THE DEPARTMENTS IN TEACHING AND LEARNING

Department of Applied Mathematics

1. Remedial Mathematics teaching for B.Pharm students
2. Use of ICT in teaching

Department of Applied Mechanics

UG and PG classes are being taught using audio visual facilities. PG students are being kept abreast of the latest in the technical field by augmenting their knowledge through site visits.

Department of Architecture

Over and above traditional lectures using the black board, the other teaching method adopted are: Power point presentations, Class discussions, individual desk critiques, individual and group design reviews, measured drawings of buildings and their analysis, model making, drawing and sketching, field trips for practical knowledge, hands on working with different materials, inviting experts for lectures

Department of Chemical Engineering

It is mandatory for the students of pre-final year to undergo a three/four week industrial training to different industries in and around Baroda. Post training seminar is organized for the students to share their experiences in the industry they visited what he/she learn in the training programme. This activity is in addition to the seminar and project so that all the students get an idea about the details of the industries in and around Baroda.

Department of Computer Science & Engineering

- Extensive use of LCD projectors in classrooms and labs.
- Project based learning in majority of subjects
- Moodle being implemented for lab assignments
- CBTs being developed by teachers in their respective courses
- 'Earn while Learn' for about six to seven students of final year wherein they work on live projects of the University and get stipend for the same

Department of Mechanical Engineering

Department of Textile Engineering

WREMI

- ☐ Most of the classrooms have been upgraded to include facilities for making classroom teaching more interactive and effective.
- ☐ Facilities for making Audio-Visual presentation through LCD projectors (recently installed) have been provided.
- ☐ Tutorials have been introduced to provide specialized and remedial learning to students.
- ☐ Interaction with experts in the field; real time, as well as online virtual through video graphed talks and interviews have been incorporated.
- ☐ The library has been equipped with more than 60 computers which facilitate navigation, searching and downloading.
- ☐ New software have been produced to provide lectures of experts on-line (LAN).
- ☐ Facilities for conducting on-line examination both through LAN and intra-net have been included for enhancing learning and training.
- ☐ Placements made through on-line examination.

20 DETAILS OF INFRASTRUCTURAL DEVELOPMENT DURING THE YEAR

Baroda Sanskrit
Mahavidyalaya

17. Baroda Sanskrit Mahavidyalay

Department of Baroda Sanskrit Mahavidyalay

Baroda Sanskrit Mahavidyalaya which has been an internationally reputed institution of the traditional Sanskrit studies, is the constituent body of the M.S.University of Baroda and fully recognized in the entire Gujarat State. It offers Under-Graduate, Graduate, Post-Graduate as well as Doctoral Degree Courses in numerous ancient Indian Shastras through the medium of Sanskrit, at the University level. B.S.M. in its long, glorious tradition has been highly acclaimed for producing generations of nationally renowned scholars in various profound Sanskrit disciplines.

Sanskrit Mahavidyalaya of the M.S.University of Baroda,formerly known as the Rajakiya Sanskrit Mahavidyalaya during the time of the erstwhile Baroda State, has completed a hundred years (1915-2016). A programme for preparing students through courses in the Vedic and the Shastric disciplines in a traditional approach is a special feature of its academic and professional side. These courses prepare the students leading to Certificates, Diplomas and Degrees. The main objective of the Institute is to train the students with a view to enabling them to accept various professions related to oriental studies and render valuable services to the community.

Recently, the institute has undertaken some educational experiments to modernize Sanskrit education and thereby to satisfy the cultural needs of the community at large, under the programme of popularization of Sanskrit learning. There is a good response from the community to these courses. These courses are being prescribed in view of the recommendations of various Education Committees and Commissions.

Dept. of Traditional Sanskrit Studies

In the year 1989 this institution was shifted to the D.N. Hall on the University campus, from the city area i.e. Mandvi. In the year 1996 the University had instituted a Dept. of Traditional Sanskrit Studies at the Baroda Sanskrit Mahavidyalaya. Now the Dept. has its own Board of Studies. Recently, the Dept. has also undertaken some educational experiments to modernize Sanskrit education and thereby to fulfill the cultural needs of the community at the large, under the programme of popularization of Indian Shastras, and the Vedic Studies. There are a large number of students studying in the institution coming from the city, the state and the outside. There is good response from the community to these courses.

18. M.K. Amin Arts & Science College and College of Commerce, Padra

1 INTRODUCTION

The M.K. Amin Arts & Science College and College of Commerce, Padra was established during July 1965. Shri M. K. Amin, a famous industrialist of Sejakuva, Padra Taluka has donated the building as well as huge arena of the college to the M. S. University of Baroda for imparting higher education to the rural population of Padra taluka and Vadodara district. Moreover students pursuing professional courses like CA, CS, CPT, etc are also admitted to B.Com degree course of this college. Students from elsewhere in Gujarat and outside from Gujarat state can also access University education here. This college is continuously putting efforts to produce illustrious leaders, academicians, heads of institutions, entrepreneurs, members of senates & syndicates. In B.Com Degree programme various core and interdisciplinary subjects are being incorporated. Since, 2012-13 CBCS (Choice Based Credit System) was introduced and progressively and successfully implemented in the B.Com degree programme. These B.Com students are offered with Accounting & Financial Management, Human Resource Management, Marketing Management, Banking and Business Finance, Business Economics, Co-operation & Rural Studies as special subjects. The College provides opportunities to the students in terms of organizing competitions (like quiz, drawing), seminars, workshops, field trips, projects, assignments & tutorials. The teaching staff utilizes the facilities for doctoral and post-doctoral studies, UG sponsored projects, seminars & exhibitions and students events. Under IQAC of the University students participate in various curricular and co-curricular activities. Department of Physical Education provides excellent sports guideline and facilities. Students also get opportunity to join any one of the three wings of NCC, namely Army Wing, Air Force Wing and Navel Wing.

Polytechnic

1 INTRODUCTION

Polytechnic is the constituent college of The Maharaja Sayajirao University of Baroda, emerged from erstwhile Kalabhavan which rendered services in technical education in the country for a period close to a century. The status of this Polytechnic is unique in the country, being the only Polytechnic attached to a University. The objective being to provide leadership in technical education with changing times. A strategy of our University has always been to rise to cater the changing aspirations of the society.

The institution named Polytechnic was established in the year 1957, by the Maharaja Sayajirao University of Baroda. The foundation stone of the Polytechnic was laid by (Late) Honourable First President of India, Shri Rajendra Prasad in 1957 & college continued to offer conventional courses of three years duration in Civil, Mechanical & Electrical Engineering.

The aims & objectives of this institution was to cater proper technical personnel to developing industries in and around Baroda city. In the year 1969, Model Diploma Courses in Oil & Gas, Plastics & Fertilizer (Petrochemicals) Technology, now of three years duration were started under indo-USSR agreement which have been a source of 'Model' to many in the country's academic & industrial field. Presently it is three years Diploma in Petrochemical Technology.

Polytechnic at present offers Diploma Courses, in conventional field like Civil, Mechanical, Electrical, Petrochemical Technology and Information Technology. In addition to these Diploma Courses, Diploma in Computer Engineering, Electronics & Communication Engineering and Diploma in Architectural Assistant ship are offered as Higher Payment Program.

As a part of our effort to fulfill social commitment, the Polytechnic, being academically a sister concern of the Faculty of Technology & Engineering. It has been possible to conduct continuing education programs for employed youths by having part-time Diploma courses in Civil, Mechanical & Electrical Engineering. The academic policies of Polytechnic are jointly decided by the Board of Studies of Faculty of Technology & Engineering of the Maharaja Sayajirao University of Baroda which has superior status in quality & content.

As per government resolution in 2013 the ITI Certificate holders are also admitted, directly to Ist Sem of Second Year diploma with an intake of 114 and 6 TFW.

Department of Applied Chemistry

The Department of Applied Chemistry was established in the year 1956 under the headship of Dr.(Prof.)J.M.Lohar.

This department was started with the view that knowledge of chemistry is necessary for engineers. It was found that engineers without the knowledge of chemistry are not real technologists. So this subject is taught to all branches of diploma engineering.

Department of Applied Mathematics

Department of Applied Mathematics, Polytechnic, established in 1958. Our department involves in teaching of Engineering Mathematics to all Diploma Engineering courses at polytechnic. Our department is excellent in terms of teaching.

Department of Applied Mechanics

Department is involved in commercial testing of materials and structural design apart from teaching.

Department is not directly awarding Diploma.

Department is involved in teaching subject of :Engineering Mechanics to first year Diploma programme of civil, mechanical, electrical, petrochemical, IT

At second year diploma civil and mechanical it is involved in teaching subjects of Mechs. of Structure and Strength of Materials.

At second year diploma Arch. Asstship. subject of structure I and II,

At final year diploma civil subject of Structure Design Drawing and Soil Engineering,

At final year Architectural assistantship. subject of structure III

Department of Civil Engineering

Department of Civil Engineering is imparting knowledge in various fields of Civil Engineering such as Building Construction Technology, Civil Engineering Drawing, Construction Planning and Management, Environmental Engineering, Highway and Transportation Engineering, Irrigation and Water Management, Material Technology, Surveying and Computer Application Development in Civil Engineering.

Apart from Theory Teaching, the Departmental Teachers are actively involved in imparting Practical Aspects and knowledge in various subjects taught through well-developed and equipped laboratories and Drawing Halls. The Modernization of Surveying laboratory has taken place with the purchase of modern field-survey instruments such as Total-Station, Auto Levels and Digital Plannimeter.

Further to add, every year the Department is organizing Study tours, and Field visits, Special lectures and seminars for students in order to enhance their knowledge regarding the novel materials, Construction, Operation and management Techniques used worldwide.

Department of Electrical Engineering

Department of Electrical Engineering runs 2 Regular 3 Years Diploma Courses:

1. Diploma in Electrical Engineering with the intake of 150
2. Diploma in Information Technology with the intake of 30

Department of Electrical Engineering also runs 4 Years Extended Diploma Course in Electrical Engineering with the intake of 65.

Department has full staff strength with rich experience in 8 different fields of Electrical Engineering.

Department has fully equipped laboratories for all the subjects related to Electrical, Electronics, Communication as well as Computer Engineering.

Department of Petrochemical Technology

□ The Department of Petrochemical Technology (Chemical Engineering) is academically part and partial of Chem. Engg. Deptt. at Faculty of Tech. & Engg. of The M.S. University of Baroda was established in the academic year 1969-70 under the Indo-USSR agreement.

□ The Laboratories of Petroleum Refining & four chemical engineering laboratories were re-established in the year 1990 after the building collapse due to cyclone in 1984.

□ The unique course is conducted with 45 intake capacity for the S.S.C. passed students.

□ The Four year Diploma PCT course was started in 1973 with oil & gas, Plastic & Fertilizer as a special subject then the course was modified to three year diploma in 1982 as per the national policy. The course has been revised in 1992, 2003 & 2008 & implemented progressively.

□ Each year industrial visits & Expert Lectures are arranged for final year students. Passed students are employed in companies like Essar, L & T, Reliance, Dupont, Rubamin, and Tata Chemicals with starting salary of Rs 5000 to 10000 per month. In Academic year 10-11 fourteen student join Degree chemical Engg. Course.

Computer Engineering Programme

Computer Engineering is a Higher Payment Program at Polytechnic. The program content is designed and modified regularly to meet the continuous changes taking place in the Software and Hardware service Industry. The programs consists of basic to recent courses related to Software Development, Software testing, Software management and Web Designing, Web Development and Programming Languages etc. with an emphasis of Needs in the Industry and Society as a whole. The outgoing students have a bright scope of engaging themselves in some industry, (Software Developer, Web Designer, and DATA Services Etc.) along with an Entrepreneurial opportunity.

Electronics & Communication Engineering Programme

Diploma in Electronics and Communication is a Higher Payment Program. Total Intake is 60+3.

Architectural Assistantship Programme

The Department of Architectural Assistantship is a Higher payment program at polytechnic. Total intake of 60.

20C. Computer Centre

The Computer Center of The M S University of Baroda was established in 1979. In its early days, the computer centre was a data processing centre & major data processing jobs were executed for many corporate firms in the vicinity of Vadodara like Jyoti Ltd., ONGC, Alembic Chemicals, IPCL etc. The Payroll System of the Maharaja Sayajirao University of Baroda was computerized as early as in 1981-82. Subsequently, the Examination Result Processing System was also developed, which is still in use. The Computer Centre has been the hub of the computer related activities of the University since its inception.

The Computer Centre has been managing and administrating the University Network which includes wired and wireless. Wireless network has been established at following places since January 2014.

Highlights of University Wired Network

- Initial Project funded by VETF (USA) & executed, monitored and supported by TPT (India) in year 2000
- Over 27 km of Optical Fiber Cable
- Around 1000 Optical Fiber Connections
- 150+ km of copper cabling
- 100+ Departments and/or buildings
- 4500+ Network Connections
- 1 gigabit Internet Bandwidth (provided under NKN network)
- Unified Threat Management (Firewall, Content Filtering and Monitoring) at Gateway Level
- 24 x 7 Intranet / Internet facility
- E-resources (Inflibnet) access

Highlights of University Wi-Fi Network

- Five campuses are covered under Wi-Fi phase I Project. They are Faculty of Technology and Engineering, Faculty of Science, Faculty of family and community science, University head office, C C Mehta Auditorium and all 16 gents and ladies hostels of the University.
- Over 1000 Managed Access Points
- Phase – II in progress for entire campus Wi-Fi
- Integration by Industry's best Wi-Fi Network Company – Aruba (now HP)
- Facility Management Services for 3 years from the date of implementation

Surfland Cyber Café

The Surfland Cyber Café facility at the Computer Center has continued to provide various internet and computer related services to the University community. With the University becoming a participant of the National knowledge Network, a bandwidth of 1 GBPS (which includes 550 MBPS of internet bandwidth and the remaining intranet bandwidth among participating institutions) is available for the University networks.

Surfland Cyber Café under the Computer Center has been a favorite place for University fraternity of all ages for accessing e-resources using internet and intranet. Our University network has access to the electronic journals both from the UGC-InfoNet program and the Indest Consortium of AICTE. Due to the state-of-the-art computer network of the University, these priceless electronics resources including hundreds of Electronics Journals of the highest quality are accessible from every computer connected to our network. The University community has been utilizing the bandwidth provided and the electronic journals accessible to the fullest possible extent. The INFLIBNET as well as 'Indest' organization have been highly appreciative of this effective utilization.

Computer Centre at University Head Office

With co-ordination with Exam Section Student life cycle system from Maharashtra knowledge Corporation Limited was implemented since 2012-13. This year also we have continued the registration of online admission process for all the programs except those programs for which the admission process has been conducted by central admission committee of Govt. of Gujarat. This facility was customized in MKCL portal and it was integrated with University website so that students get the information about the whole admission process from University website.

Webserver and Email Server

Computer Center has been maintaining Web Server(www.msubaroda.ac.in) and Email Server (mail.msubaroda.ac.in) those are hosted on the servers of the Computer Center and are being actively used for publishing exam results, merit lists, annual reports, event advertisement etc. This is also being used as the testing platform for various network based applications being developed in-house. Since April 2014, we have signed the MoU to shift our email server on the Gmail. The email ids of all staff members of our University have been continued to be created whenever requested by faculties and Institutions.

The branch office of the Computer Center at the University office has been efficiently handing all the existing systems for administrative work (Payroll System, PF System etc.) and Examinations Result Processing.

CCC Exams

The Maharaja Sayajirao University of Baroda has been directed to conduct CCC examination by resolution from Government Administrative Dept no: PRCh-102005-1519- Part 1-K, dated 10.12.2015. 20I. Directorate of Students' Welfare

One of the most exemplary product and noble thought behind the primary motive to grant financial aid to 'genuine but economically disadvantaged' future assets of this nation pursuing their studies at the Maharaja Sayajirao University started way back in the academic year 2012-'13 which resulted in bringing the haves and the have not on equal footings. This is how DSW came into existence

What is DSW?

Directorate of Students' Welfare with the aim to plan and organize the cocurricular activities for the students at the University and College level.

The main objectives of the Directorate are to coordinate different activities of Sports, Literary, Cultural, Moral Education, and Placement and Counselling and so on.

The Directorate also supervise the Students' Union activities to allow them to work in a democratic setup to solve the genuine problems of the students and to bridge the gap between the students and University administration.

- **Creating a sense of community service** through participation
- **Inculcating positive thinking** for physical and mental health,
- **Providing conducive atmosphere** to strengthen teaching- learning process, student- teacher relationship, peer group relationship, etc.
- **Coordinating the programs** of Centre for Women's Studies, Equal Opportunity Cell, Health Centre, Board of Sports and Placement and Counselling.

Constitution of DSW

As the name implies, the objective of the office is to ensure the welfare of student community. It will work as an agent between students and the administration of The Maharaja Sayajirao University of Baroda, Vadodara. The responsibility of the Directorate is of two fold. i.e. to guide and assist students to overcome their problems and on the other hand not to compromise on the Rules and Regulations of the Maharaja Sayajirao University of Baroda, Vadodara.

To facilitate the overall personality development and to inculcate the basic values amongst the young students of the University to groom them as Good Citizens of the Nation. The Directorate will also supervise the Students' Union activities to allow them to work in a democratic setup to solve the genuine problems of the students and to bridge the gap between the students and University administration. The faculties and administration of the university seek at all time to impress upon the students the fact that moral and spiritual bases are the corner stones for the development of character and good citizenship. A student is expected to remain disciplined under all circumstances, show respect for rights of others, and reflect a sense of personal honour as demanded of good citizens.

20K. Indira Gandhi National Open University

The Origins

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has continuously striven to build an inclusive knowledge society through inclusive education. It has tried to increase the Gross Enrollment Ratio (GER) by offering high-quality teaching through the Open and Distance Learning (ODL) mode.

The University began by offering two academic programmes in 1987, i.e., Diploma in Management and Diploma in Distance Education, with a strength of 4,528 students.

Today, it serves the educational aspirations of over 3 million students in India and other countries through 21 Schools of Studies and a network of 67 regional centres, around 2,667 learner support centres and 29 overseas partner institutions. The University offers about 228 certificate, diploma, degree and doctoral programmes, with a strength of nearly 810 faculty members and 574 academic staff at the headquarters and regional centres and about 33,212 academic counsellors from conventional institutions of higher learning, professional organisations, and industry among others.

Course Development

IGNOU's method of instruction differs radically from that of other conventional universities. Indira Gandhi National Open University has adopted a multimedia approach to instruction. The different components being: self-instructional materials, counselling sessions, both face-to-face and via teleconferencing mode. For courses in Science, Computers, Nursing as well as Engineering and Technology, arrangements have been made to enable students undertake practical classes at select study centres.

Flexibility

In the tradition of Open Learning, IGNOU provides considerable flexibility in entry qualification, place, pace and duration of study to students. A Bachelor's Degree Programme (i.e. BA/BCom/BSc) of three years duration can be completed in six years if the student so desires.

Credit System

IGNOU follows a credit system that is based on the time factor involved in studying. One credit is equivalent to 30 study hours inclusive of all learning activities. Different programmes have different credit requirements. Students have the right to collect credits at their own pace, convenience and according to their own capability. IGNOU also provides a credit transfer facility whereby credits may be transferred from any other University to IGNOU after fulfilling the necessary requirements.

20M. Institute of Leadership & Governance

India is engaged today in making concerted, all-round efforts to emerge as a major global power with significant economic, strategic, political and cultural presence across the world. The human, natural, physical and financial resources of the nation have to be effectively marshalled and channelized into the desired directions in order to achieve this goal. In this process, leadership at all levels – from grassroots to the top – shall play the stellar role, supported by appropriate structures, practices and processes of effective, transparent, participatory and accountable governance.

Both leadership and governance relate to a wide arena of public life in the country. Political leadership from local to national levels, corporate leadership, leadership in the social and educational sector, leadership in non-profit organizations etc. critically shape the future of our peoples and nation. This leadership at different levels will have to be supported by appropriate, fair, just and efficient governance system.

Hence, an institute focussed on training and trans-disciplinary research in different aspects of leadership as well as on studies on good governance structures, practices and processes is highly essential today. Such an Institute is by its very nature interdisciplinary in nature, principally involving fields of Political Science, Public Administration, Sociology, Business Management, Psychology, Organizational Studies, Social Work etc. As The Maharaja Sayajirao University

of Baroda has a sound base of knowledge and expert faculty members in these areas, it is proposed that an Institute of Leadership and Governance be established under the University.

This Institute will academically support the country's efforts to move ahead in the comity of nations as a powerful, peaceful, distinctive and prosperous country. The Institute shall be a non-partisan and non-sectarian organization open to the different ideas, positions and methods on leadership development and governance in alignment with the vision and mission of the University.

21E. National Service Scheme

Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service. NSS is a voluntary association of young people in Colleges, Universities and at +2 levels working for a campus-community linkage.

The cardinal principle of the NSS program is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation building.

The University Grants Commission headed by Dr. Radhakrishnan recommended introduction of national service in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

In the recent years (2016-17), the strength of NSS Volunteers has soared upto 1000 students across the 13 different faculties of M.S. University.

Aims and objectives of NSS

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems in the community and the Solutions in which they can be involved.
- Develop among them a sense of social and civic responsibility.
- Apply their education in finding practical solutions to individual and community problems.
- Develop competencies required for group living and sharing responsibilities.
- Gain skills in mobilising community participation.
- Acquire leadership qualities and democratic attitudes.
- Develop capacity to meet emergencies and natural disasters.

| 38 | Shri Gaveesh | Music (Vocal) | Arousing Interest and Making Hindustani Classical Music (North Indian) More Popular Among the Masses: With Special Reference to Khayal Singing Style | Dr. Ashwinikumar Singh | 347 22/09/2011 | EX5/2006 30/08/2016 |
| Faculty of Pharmacy | | | | | | |
| 39 | Shri Kanhed Ashish Mohanrao | Pharmacy | Computational Designing of Some Novel Enzyme Inhibitors | Professor M. R. Yadav | 286 27/12/2012 | EX5/1831 08/08/2016 |
| 40 | Shri Patadia Riddhish Kaushikbhai | Pharmacy | Development and Evaluation of Pulsatile Release Formulations for Time Controlled Therapeutics | Dr. R. C. Mashru | 267 30/07/2012 | EX5/2843 06/12/2016 |
| 41 | Shri Shidore Mahesh Mohan | Pharmacy | Design and Synthesis of Novel Heterocyclic Ring Systems as Potential CNS Acting Agents | Prof. M. R. Yadav | 287 27/12/2012 | EX5/2881 09/12/2016 |
| 42 | Ms. Desai Jagruti Laljibhai | Pharmacy | Development of Formulations Containing a Protease Inhibitor as an Anti-HIV Drug for Enhancement of Oral Bioavailability and Targeting to HIV Reservoirs | Dr. Hetal Thakkar | 248 19/10/2011 | EX5/2843 06/12/2016 |

| Sr. No. | Name of the Research Scholar | Subject | Title of the thesis | Name of the Research Supervisor/guide | Year of Registration | Notification number |
|---------------------------|--|---------------|--|---|----------------------|------------------------|
| 43 | Shri Imran Anvarbhai Vhora | Pharmacy | Osteoporosis Treatment: A Genomic Approach | Professor Ambikanandan Misra | 93 22/05/2013 | EX5/2881 09/12/2016 |
| 44 | Shri Mundada Piyush Kishor | Pharmacy | Development of Alternate Drug Delivery Systems for Drugs Used in Treatment of Chronic Diseases | Dr. Krutika Sawant | 227 21/12/2010 | EX5/3962 03/03/2017 |
| 45 | Shri Machhi Jatinkumar Pravinbhai | Pharmacy | Evaluation of Neurological Efficacy of Some Novel Heterocyclics | Dr. Kirti Patel – Guide, Professor M. R. Yadav – Co-guide | 297 25/03/2013 | EX5/172 12/04/2017 |
| 46 | Shri Navnitkumar Khemchandbhai Prajapati | Pharmacy | Synthesis and Biological Evaluation of Novel Heterocyclic Compounds for CNS Disorders | Dr. R. C. Mashru-Guide, Professor M. R. Yadav - Co-guide | 257 09/02/2012 | EX5/790 14/06/2017 |
| Faculty of Science | | | | | | |
| 47 | Shri K. Vinothkumar | Bio-Chemistry | Molecular Characterization of Quinolone Resistance in the Clinical Isolates of Vibrio and Shigella spp | Dr. Ashima Bhardwaj – Guide Prof. G. Naresh Kumar – Co Guide | 1826 12/09/2012 | EX5/2843 06/12/2016 |
| 48 | Shri Kishu Ranjan | Bio-Chemistry | Role of Fas Associated Death Domain (FADD) Protein in Regulation of Apoptosis and Inflammatory Signaling in Cancer | Dr. Ashima Bhardwaj – Guide Prof. G. Naresh Kumar – Co Guide | 1825 12/09/2012 | EX5/2881 09/12/2016 |
| 49 | Ms. Tina Jubin | Bio-Chemistry | Elucidating the Role of Poly (ADP-ribose) Polymerase in Dictyostelium Discoideum Growth and Multicellularity | Professor Rasheedunnisa Begum | 108 28/09/2011 | EX5/3962 03/03/2017 |

| Sr. No. | Name of the Research Scholar | Subject | Title of the thesis | Name of the Research Supervisor/guide | Year of Registration | Notification number |
|---------|-------------------------------|---------------|---|--|----------------------|------------------------|
| 50 | Shri Mohmmad Shoab Mansuri | Bio-Chemistry | Role of MicroRNAs and Oxidative Stress Related Gene Polymorphisms in Vitiligo Pathogenesis | Professor Rasheedunnisa Begum | 109 07/10/2011 | EX5/3962 03/03/2017 |
| 51 | Shri Mehul Ashokkumar Mistri | Bio-Chemistry | Molecular and Enzymatic Studies in Children with Tay-Sachs Disease | Dr. Jayesh Sheth – Guide, Professor Sarita Gupta – Co-Guide | 375 12/10/2010 | EX5/172 12/04/2017 |
| 52 | Shri Dhaval Kiritbhai Patel | Bio-Chemistry | Bioinformatics, Biochemical & Structural Characterization of Adhesion Proteins from Probiotic Lactobacillus spp | Dr. Desh Deepak Singh – Guide, Professor Sarita Gupta – Co-Guide | 1827 12/09/2012 | EX5/505 18/05/2017 |
| 53 | Shri Shah Kunal Rajendrakumar | Bio-Chemistry | Biochemical and Biophysical Characterization of Lectins from Plants | Dr. Desh Deepak Singh – Guide, Professor C. Ratnaprabha – Co-Guide | 1820 30/08/2012 | EX5/505 18/05/2017 |
| 54 | Ms. Khyati Dhansukh Bhatelia | Bio-Chemistry | Study the Role of Mavs and Mita in the Modulation of Inflammatory Pathways in Human Breast Cancer | Dr. Rajesh Singh | 1892 19/07/2014 | EX5/790 14/06/2017 |
| 55 | Shri Nirav Kirankumar Mehta | Botany | Correlation between Aboveground Biomass and Soil Organic Carbon across Forest Covers of Gujarat | Dr. N.S.R. Krishnayya | 428 13/08/2009 | EX5/2103 12/09/2016 |

| Sr. No. | Name of the Research Scholar | Subject | Title of the thesis | Name of the Research Supervisor/guide | Year of Registration | Notification number |
|---------|-------------------------------|-----------|---|---|----------------------|------------------------|
| 56 | Ms. Divya Ashokbhai Patel | Botany | An Integrated Approach to Evaluate Allelopathic Potential of Some Medicinal Plants | Professor Neeta Pandya | 433 09/07/2012 | EX5/2843 06/12/2016 |
| 57 | Ms. Soma Kishore Mazumder | Botany | Capacity of Two Local Ferns to Phytoremedy the Effluent of Petroleum Refining Industry at Baroda, With Reference to Heavy Metals and Fluoride | Dr. Punita Parikh | 24 29/06/2011 | EX5/2843 06/12/2016 |
| 58 | Ms. Isha Mahendrakumar Bhatt | Botany | Screening of Wood Rot Fungi for Production of Extracellular Enzymes and Biodegradation of Textile Dyes | Dr. K. S. Rajput | 352 12/07/2010 | EX5/3962 03/03/2017 |
| 59 | Ms. Krupaben Vinodray Unadkat | Botany | Phytoremediation of Heavy Metal Ions by Selected Aquatic Weeds | Dr. Punita Parikh | 1894 06/08/2014 | EX5/790 14/06/2017 |
| 60 | Shri Nilesh Kishor Narkhede | Chemistry | Anchored Silicotungstates Synthesis, Characterization and Use as Catalysts for Some Organic Transformations | Professor Anjali Patel | 423 19/06/2012 | EX5/2006 30/08/2016 |
| 61 | Shri Kausik Bandyopadhyay | Chemistry | Development of Novel Forms of Few Active Pharmaceutical Ingredients through Alternate Synthetic Process | Dr. Mukul R. Jain – Guide, Dr. Amar Ballabh – Co. Guide | 420 13/04/2012 | EX5/2006 30/08/2016 |
| 62 | Shri M Shyam Sundar | Chemistry | Synthesis and Study of Novel Atropisomeric Molecules | Professor A . V. Bedekar | 1840 24/12/2012 | EX5/2103 12/09/2016 |

| Sr. No. | Name of the Research Scholar | Subject | Title of the thesis | Name of the Research Supervisor/guide | Year of Registration | Notification number |
|---------|--------------------------------|-----------|--|---------------------------------------|----------------------|------------------------|
| 63 | Shri Jigar Yavantkumar Soni | Chemistry | Synthesis of Quinuclidine Derivatives: Structure Activity Relationship and Application | Dr. Sonal Thakore | 338 19/04/2011 | EX5/2843 06/12/2016 |
| 64 | Ms. Sukriti Ramesh Singh | Chemistry | Development of Environmentally Benign Bifunctional Heterogeneous Catalysts Based On Phosphotungstate and their Applications in Organic Transformations | Professor Anjali Patel | 424 19/06/2012 | EX5/2844 06/12/2016 |
| 65 | Ms. Rinky | Chemistry | Metal Complexes of Quinolone Drugs: Synthesis, Characterization, Antibacterial and DNA Binding Studies | Dr. Debjani Chakraborty | 476 30/08/2009 | EX5/2881 09/12/2016 |
| 66 | Shri Kushan Pankajkumar Parikh | Chemistry | Gemini Surfactants : Synthesis, Physico-Chemical Properties and Applications | Dr. Sanjeev Kumar | 337 19/04/2011 | EX5/2881 09/12/2016 |
| 67 | Ms. Ekta Vipin Shah | Chemistry | Template-Directed Synthesis of Nanoparticles: Their Characterization and Application | Dr. Hemant P. Soni | 336 21/06/2010 | EX5/2881 09/12/2016 |
| 68 | Ms. Pulipaka Ramadevi | Chemistry | Design, Synthesis and Anticancer Activity of Ruthenium(II) - Polypyridyl and „Piano-stool“ Type Ruthenium(II) - Arene Complexes | Dr. Debjani Chakraborty | 123 06/01/2012 | EX5/2881 09/12/2016 |
| 69 | Shri Sunil Kumar Singh | Chemistry | Method Development and Fate Determination of Tebuconazole in Soil and Water | Professor Padmaja P. Sudhakar | 88 12/05/2008 | EX5/790 14/06/2017 |

| Sr. No. | Name of the Research Scholar | Subject | Title of the thesis | Name of the Research Supervisor/guide | Year of Registration | Notification number |
|---------|--------------------------------|--------------|--|---------------------------------------|----------------------|------------------------|
| 70 | Ms. Benerji Upasana Swaroop | Geology | Holocene Climatic Variability Using Mudflats from Saurashtra, Western India | Dr. D. M. Maurya | 310 02/11/2010 | EX5/790 14/06/2017 |
| 71 | Ms. Meera Hardevsinh Chudasama | Mathematics | A New Class of Special Functions Suggested by the Generalized Hypergeometric Function and Its q-Analogue | Dr. B. I. Dave | 1871 18/01/2014 | EX5/790 14/06/2017 |
| 72 | Shri Suhail Muzaffar | Microbiology | Functional Analysis of the Genes Involved In the Development of Magnaporthe Oryzae | Prof. B. B. Chattoo | 158 25/02/2008 | EX5/2006 30/08/2016 |
| 73 | Shri Chandra Prakash | Microbiology | Functional Characterization of SKP1 in Rice Blast Fungus (Magnaporthe Oryzae) | Prof. B. B. Chattoo | 117 16/02/2008 | EX5/2006 30/08/2016 |
| 74 | Ms. Sushma Shankarrao Meshram | Microbiology | Functional Characterization of Pathogenicity Related Gene(s) in Magnaporthe Oryzae | Prof. B. B. Chattoo | 70 31/01/2009 | EX5/2006 30/08/2016 |
| 75 | Shri Abhik Saha | Microbiology | Study of Malarial Antigenic Proteins on Monocyte Functionality Involved in Protection | Professor T. Bagchi | 463 24/03/2009 | EX5/3962 03/03/2017 |
| 76 | Shri Md. Hashim Reza | Microbiology | CorA Magnesium Transporters in Growth and Pathogenicity of the Rice Blast Fungus Magnaporthe Oryzae | Dr. J. Manjrekar | 25 01/07/2011 | EX5/3962 03/03/2017 |

| Sr. No. | Name of the Research Scholar | Subject | Title of the thesis | Name of the Research Supervisor/guide | Year of Registration | Notification number |

Statement showing Student-Teachers Ratio for the Last Five Years

The staff and students ratio is calculated on the basis of students enrolled divided by the number of Teachers (excluding Faculty of Medicine). The table below shows the staff student ratio for the last five years.

| Year | No. of University Teachers | Students Enrolment | Staff-Student ratio |
|-----------|----------------------------|--------------------|---------------------|
| 2012-2013 | 1,063 | 37,058 | 1: 34.86 |
| 2013-2014 | 1,057 | 35,539 | 1: 33.62 |

Financial Assistance sanctioned to Teachers for Participation in Conferences and Seminars etc. Within India during the year 2016-2017

| Sr. No. | Name and Designation | Department | Name of Conference etc. attended with dates/duration |
|---------------------------|---|------------|--|
| Faculty of Science | | | |
| 1 | Dr. Vinaykumar Singh | Chemistry | To present paper "Ferrocene Functionalised 2 ⁰ to 3 ⁰ amines and their Dithiocarbamate Complexes as potent antimicrobial Agents" at National Conference on Frontier of Organometallic Chemistry 2016 held at the Leela Kovalam, Kovalam Beach Road, Thiruvananthapuram, Kerala during 3 to 6 December 2016 |
| 2 | Prof. Prasanna Ghalsasi Professor | Chemistry | To participate in the National Conference on Chemical Frontier 2016 held at Planet Hollywood Beach Resort, Goa during 25-28 August 2016 |
| 3 | Dr. Debjani Bagchi Assistant Professor | Physics | To present paper on "Using single molecule force spectroscopy to study mechanical properties of biopolymers" at National Workshop on SPM Techniques held at NCL, Pune during 11th-13th August 2016 |
| 4 | Prof. J. P. Singh | Physics | To present paper "Twist-six corrections to eta-photon and eta-prime-photon transition form factors in QCD" at XXII DAE-BRNS High Energy Physics Symposium at University of Delhi, New Delhi during 12 to 16 December 2016 |
| 5 | Dr. M. Srinivas Associate Professor | Physics | To present paper "Photoluminescence studies of Nanosensors" at National Conference on Luminescence and applications (NCLA-2017) held at IICT, Hyderabad during 9-11 January 2017 |
| 6 | Mr. Jaimin Acharya, Research Scholar | Physics | To present paper entitled "Pre-equilibrium neutron emission in $^{19}\text{F} + ^{89}\text{Y}$ reaction at 150 MeV" at 61st DAE-BRNS Symposium on Nuclear Physics, SINP, Kolkata during 4-9 December 2016 |
| 7 | Prof. Surjit Mukherjee | Physics | To deliver Plenary talk on "Heavy ion fusion, breakup and quasi-elastic reactions" at DAE Nuclear Physics Symposium 2016 held at Saha Institute of Nuclear Physics, Kolkata during 5-9 December 2016 |

| Sr. No. | Name and Designation | Department | Name of Conference etc. attended with dates/duration |
|----------------|--|-------------------|---|
| 8 | Prof. Bhushan S. Deota | Geology | To present paper "Fluctuation Record of Janappa Garang Glacier from LIA" at National Conference on Himalayan Cryosphere held at Indian Institute of Science, Bangalore during 22-25 January 2017 |
| 9 | Dr. M. A. Limaye | Geology | To present paper on (1) "Granite induced deformation: An Example of superposed folding from Lambia Formatin, Champaner, Group, SAMP, Gujarat" and (2) Microstructural investigation along contact aureole: A case study from Narukot formation, Champaner Group, Gujarat India at Natinal Seminar and Annual General meetng of geological Society of India held at I.I.T. Kharagpur during 21-23 October 2016 |
| 10 | Dr. K. S. Rajput | Botany | To present paper on Structural diversity in the growth patterns of convolvulaceae at XXVI Annual conference of Indian association for angiosperm Taxonomy (IAAT) and International seminar on conservation and sustainable utilization of biodiversity held at Department of Botany, Shivaji University, Kolhapur during 7th to 9th November 2016 |
| 11 | Prof. Rolee Kanchan | Geography | To present paper on "An Assessment of Chemical properties of Surgace water of South Gujarat, India" at ISRS-ISG National Symposium 2016 held at IIRS, Dehradun during 7 to 9 December 2016 |
| 12 | Prof. Haribhai kataria, Professor | Mathematics | To present paper on "Soret and heat Generation effects on MHD flow of radiating and chemically reactive Nano Fluid past an oscillating vertical plate with ramped wall temperature and surface concentration through porous medium" at ICEMS-2016 conference held at Jaipur Natinal Univesity, Jaipur 17th to 19th March 2016 |
| 13 | Dr. Shital Shukla, Associate Professor | Geography | To present paper on "Assessing Vulnerability towards Disasters for Risk Mitigation in Gujarat" at 9 th International Geographical Union Conference (IGU) on Land Use Change, Climate Extremes and Disaster Risk Reduction held at Shaheed Bhagat Singh College, University of Delhi, Delhi on 18 to 20 th March 2016 |

| Sr. No. | Name and Designation | Department | Name of Conference etc. attended with dates/duration |
|--|--|-------------------|--|
| Faculty of Technology & Engineering | | | |
| 14 | Dr. Y. H. Gandhi Associate Professor | Applied Physics | To present paper as technical talk entitled "Contribution of OSL, Components on nature of OSL decay curve under Physical treatment" at National Conference on Luminescence and applications held at CSIR-IICT, Hyderabad during 9-11 January 2017 |
| 15 | Prof. Arun Pratap | Applied Physics | To present paper on "Citation Indices: Inatroduction AP-index " at 5th IoS Conference held at Central University of Rajasthan, Bandrasindri, Ajmer during 22nd - 23rd October 2016 |
| 16 | Dr. N. D. Chavda, Assistant Professor | Applied Physics | to present paper "Entanglement in two-body random ensembles" at conference on Nonlinear System and Dynamical(CNSD-2016) held at Indian Institute of Science and Educational Research (IISER), Kolkata, West Bengal during 16-18 December 2016 |
| 17 | Dr. Ran Bahadur Assistant Professor | Applied Chemistry | To present paper "Removal of Hb ²⁺ ion by using modified aberflite IRA-400 (CI)" at 20th CRSI National Symposium in Chemistry and 11th CRSI-RSC Symposium depart of Chemistry held at Guwahati University, Guwahati, Assam during 2-5 February 2017 |
| 18 | Ms. Nikita, Research Scholar | Applied Chemistry | To present paper "Thin film composite membranes containing functionalized carbon nanotubes for low pressure desalination process" at MARCO 2017 International Conference held at Thiruvananthapuram, Kerela, during 8-11 January 2017 |
| 19 | Mr. Pavan Karkare, Research Scholar | Applied Chemistry | to present paper "Synthesis and Characterization of β -CD Induced Block copolymers via ARGET-ATRP of Vinyl and Acrylate Monomers" at MARCO 2017 International Conference held at Thiruvananthapuram, Kerela, during 8-11 January 2017. |
| 20 | Dr. Suvarna D. Shah | Civil Engg | To attend Short term training workshop on "Urban Stormwater Management-Science, Policy and Engineering Training for Smart Cities" under Gian (Global Initiatives f Academic Networks under MHRD) held at Institutes of India-Department of Hydrology, Indian Institute of Roorkee during 27th February to 6th March 2017 |

| Sr. No. | Name and Designation | Department | Name of Conference etc. attended with dates/duration |
|----------------|--|-------------------|---|
| 21 | Dr. Nivrav. G. Shah | Civil Engg | To attend Short term training workshop on "Urban Stormwater Management-Science, Policy and Engineering Training for Smart Cities" under Gian (Global Initiatives f Academic Networks under MHRD) held at Institutes of India-Department of Hydrology, Indian Institute of Roorkee during 27th February to 6th March 2017 |
| 22 | Mr. Shilpesh C. Rana Assistant Professor | Civil Engg | To attend short term training programme on "Advanced Engineering Optimization through Intelligent Techniques" held at SVNIT, Surat during 27-31 March 2017 |
| 23 | Shri S. M. Dave Associate Professor | Civil Engg | To present papers(i) Modelling pain on-street parking policy for CBD area of second order metropolitan city using soft computing technique and (ii) Effect of reheating on various properties of viscosity grade and polymer modified bitumen' at International Conference TPMDC 2016 held at IIT, Mumbai during 19th to 21st December 2016 |
| 24 | Shri D. M. Rathva Assistant Professor | Civil Engg | To present paper“Effect of reheating on various properties of viscosity grade and polymer modified bitumen” at International Conference TPMDC 2016 held at IIT, Mumbai during 19th to 21st December 2016 |
| 25 | Dr. Piyush P. Gohil | Mech. Engg. | to present paper on "Effect of Fillers Concentration on Tensile Strength of cotton fiber polyster Composites" at International Conference on Hybrid and composite material, Chemical Processing; HCMCP-2016 held at St. Peters engineering college, Hyderabad during 25-27 October 2016 |
| 26 | Dr. Jignesh R. Mehta | Mech. Engg. | To present paper Preliminary investigations on a novel rotating media liquid-air contacting device without liquid pool' at Recent Advancement in Air-conditioning and Refrigeration (RAAR -2016) held at CVRCE Bhubneshwar during 10-12 November 2016 |
| 27 | Dr. Chetan K. Modi, Associate Professor | Applied Chemistry | To present paper on "Entrapment of metallo-pyrazole complexes inside the nanovoids of zeolite-y as heterogeneous catalysts" at International Conference on Materials Science & Technology (ICEMTech-2016) held at Conference Centre, University of Delhi, New Delhi during 1st to 4th March 2016 |

| Sr. No. | Name and Designation | Department | Name of Conference etc. attended with dates/duration |
|----------------|--|---------------------------------|---|
| 28 | Prof. P. T. Deota, Professor | Applied Chemistry | To attend Indian Science Congress 2016 held at Mysore, Karnataka during 3rd to 7th January 2016 |
| 29 | Dr. Rakesh K. Sharma | Applied Chemistry | To present paper Binary mixtures of PEO-PPO-PEO Triblock copolymers for improved bioavailability of lamotrigine' at VIth conference held at Solid State Physics Division, Bhabha Atomic Research Center (BARC), Mumbai during 21 st to 23 rd November 2016 |
| 30 | Dr. Pravin C. Patel, Assistant Professor | Textile Engg | To present paper on "Application of Luminescence Materials in Textiles" at National conference on Luminescence and its applications (NCLA 2016) held at Taywade college, koradi, Nagpur during 18-20 February 2016 |
| 31 | Dr. Hireni Mankodi, Associate Professor | Textile Engg | To attend International Summer Term Course 2016 on Medical Textile and Tissue Engineering at Global Initiative for academic Network (Gian) held at NIT Jalandhar (Punjab) during 18 to 30 July 2016 |
| 32 | Dr. Milind Koranne Associate Professor | Textile Engg | To present paper on "Unfoldable seamless 3D shapes on a shuttle loom" at 3rd International conference on Industrial Textiles-products, application & prospects held at PSG College of Technology, Coimbatore, India during 26-27 August 2016 |
| 33 | Dr. D. P. Chattopadhyay Professor | Textile Chemistry Tech. & Engg. | To present paper on bacterial infection and mal odour caused by bed wetting: an advanced textile" at International Conference on textile & Clothing present and future trends held at Department of Jute and Fibre Technology, University of Calcutta, Kolkata, during 3-5 January 2017 |
| 34 | Prof. Satishkumar K. Joshi | Electrical Engg | To present paper on "Recapitulation of Electric Spring; A Smart Grid Device for Real Time Demand Side Management and Mitigating power quality issues" at NPSC 2016, held at Indian Institute of Technology, Bhubaneswar during 19-21 December 2016 |
| 35 | Mr. Vishwas Raval Assistant Professor | Computer Science & Engineering | To present paper "iCure-an IoT application for Indian Currency recognition in vernacular languages for visually challenged people" at International Conference held at Amity University, Noida during 12-13 January 2017 |

| Sr. No. | Name and Designation | Department | Name of Conference etc. attended with dates/duration |
|--|--|------------------------|---|
| Faculty of Education & Psychology | | | |
| 36 | Ms. Parisha Jijina | Edu. & Psy. | To present paper on "Looking in the mirror: Reflectin of Psychologists of their own professional-personal growth & development" at 51st National & 20th Interntional Conference held at Indian Academy of Applied Psychology (IAAP), Bengaluru during 6th-8th May 2016 |
| Faculty of Fine Arts | | | |
| 37 | Dr. Ambika Patel Associate Professor | Museology Fine Arts | To present paper "Conversation Training in India: Role of Higher Education Sector" at ICOM-CC Education and Training in Conservatin Working Group held at NRLC (Natinal Research Laboratory Lucknow, Lucknow during 5 & 6 December 2016 |
| Faculty of Arts | | | |
| 38 | Dr. Charul Jain, Assistant Professor | English | To present paper entitled "Integrating Authentic maerialsinto Eap Classroom" in 10th International & 46th National Annual ELTAI Conference on Learning and Teaching English in India: Setting Standards organized by RKG Institute of Technology for Women at Gaziabad during 9th to 11th July 2015 |
| 39 | Dr. Hitesh D. Raviya, Associate Professor | English | To present paper on "Fictional Representations of Women in Anita Rau Badami's "Can you hear the Nightbird Call?" at 29th IACS Interntional Conference on Canadian Studies: Theory and Practice held at School of Science and Humanaties in Collaboration with Indian Association Canadian Studies at Karunya University, Coimbatore, Tamilnadu during 27th January 2016 |
| 40 | Prof. Mandakini Jha Professor | Sociology | To present paper on "Durkheim's Social Facts as Things' and Pre-colonial 'Feminism' in India" at 19th International Conference of Forum of contemporary Theory held at Doon University, Dehradun during 18-21 December 2016 |
| 41 | Dr. M. Sreedevi Xavier | Sociology | To present paper „Socio-Cultural and Economic Aspects of Tribal Paintings in India Language of the paper" at 24th Conference of Gujarat Sociological Society to Ambaiji during 11th -12th February 2017 |

| Sr. No. | Name and Designation | Department | Name of Conference etc. attended with dates/duration |
|----------------|-----------------------------|--------------------------|---|
| 42 | Ms. Varda Vasa | Sanskrit, Pali & Prakrit | To present paper 'Need of Research on the commentaries of Vaiyakaranabhusanasarah' held at All India Oriental Conference, Haridwar during 12th to 14th November 2016 |
| 43 | Dr. Shweta Jejurkar | Sanskrit, Pali & Prakrit | To present paper 'Krishna-Lahari-A Significant Lahari Poem of modern Sanskrit Literature' held at All India Oriental Conference, Haridwar during 12th to 14th November 2016 |

20C. Computer Centre

The Computer Center of The M S University of Baroda was established in 1979. In its early days, the computer centre was a data processing centre & major data processing jobs were executed for many corporate firms in the vicinity of Vadodara like Jyoti Ltd., ONGC, Alembic Chemicals, IPCL etc. The Payroll System of the Maharaja Sayajirao University of Baroda was computerized as early as in 1981-82. Subsequently, the Examination Result Processing System was also developed, which is still in use. The Computer Centre has been the hub of the computer related activities of the University since its inception.

The Computer Centre has been managing and administrating the University Network which includes wired and wireless. Wireless network has been established at following places since January 2014.

Highlights of University Wired Network

- Initial Project funded by VETF (USA) & executed, monitored and supported by TPT (India) in year 2000
- Over 27 km of Optical Fiber Cable
- Around 1000 Optical Fiber Connections
- 150+ km of copper cabling
- 100+ Departments and/or buildings
- 4500+ Network Connections
- 1 gigabit Internet Bandwidth (provided under NKN network)
- Unified Threat Management (Firewall, Content Filtering and Monitoring) at Gateway Level
- 24 x 7 Intranet / Internet facility
- E-resources (Inflibnet) access

Highlights of University Wi-Fi Network

- Five campuses are covered under Wi-Fi phase I Project. They are Faculty of Technology and Engineering, Faculty of Science, Faculty of family and community science, University head office, C C Mehta Auditorium and all 16 gents and ladies hostels of the University.
- Over 1000 Managed Access Points
- Phase – II in progress for entire campus Wi-Fi
- Integration by Industry's best Wi-Fi Network Company – Aruba (now HP)
- Facility Management Services for 3 years from the date of implementation

Surfland Cyber Café

The Surfland Cyber Café facility at the Computer Center has continued to provide various internet and computer related services to the University community. With the University becoming a participant of the National knowledge Network, a bandwidth of 1 GBPS (which includes 550 MBPS of internet bandwidth and the remaining intranet bandwidth among participating institutions) is available for the University networks.

Surfland Cyber Café under the Computer Center has been a favorite place for University fraternity of all ages for accessing e-resources using internet and intranet. Our University network has access to the electronic journals both from the UGC-InfoNet program and the Indest Consortium of AICTE. Due to the state-of-the-art computer network of the University, these priceless electronics resources including hundreds of Electronics Journals of the highest quality are accessible from every computer connected to our network. The University community has been utilizing the bandwidth provided and the electronic journals accessible to the fullest possible extent. The INFLIBNET as well as 'Indest' organization have been highly appreciative of this effective utilization.

Computer Centre at University Head Office

With co-ordination with Exam Section Student life cycle system from Maharashtra knowledge Corporation Limited was implemented since 2012-13. This year also we have continued the registration of online admission process for all the programs except those programs for which the admission process has been conducted by central admission committee of Govt. of Gujarat. This facility was customized in MKCL portal and it was integrated with University website so that students get the information about the whole admission process from University website.

Webserver and Email Server

Computer Center has been maintaining Web Server(www.msubaroda.ac.in) and Email Server (mail.msubaroda.ac.in) those are hosted on the servers of the Computer Center and are being actively used for publishing exam results, merit lists, annual reports, event advertisement etc. This is also being used as the testing platform for various network based applications being developed in-house. Since April 2014, we have signed the MoU to shift our email server on the Gmail. The email ids of all staff members of our University have been continued to be created whenever requested by faculties and Institutions.

The branch office of the Computer Center at the University office has been efficiently handing all the existing systems for administrative work (Payroll System, PF System etc.) and Examinations Result Processing.

CCC Exams

The Maharaja Sayajirao University of Baroda has been directed to conduct CCC examination by resolution from Government Administrative Dept no: PRCh-102005-1519- Part 1-K, dated 10.12.2015. Computer Centre is conducting the exams of CCC on behalf of the University. During year 2016-17, CCC examinations of more than 10,000 candidates has been conducted successfully by the University.

Innovative Approach

7 students of Final Year BE (Computer Science and Engineering) and MCA are working under Earn While Learn scheme for the development of University Projects as part of their academic project. Students get opportunity to work on live projects under the guidance of technical team of the University along with their teachers. They also get 2000 Rs per month as remuneration of the same.

20I. Directorate of Students' Welfare

One of the most exemplary product and noble thought behind the primary motive to grant financial aid to 'genuine but economically disadvantaged' future assets of this nation pursuing their studies at the Maharaja Sayajirao University started way back in the academic year 2012-'13 which resulted in bringing the haves and the have not on equal footings. This is how DSW came into existence

What is DSW?

Directorate of Students' Welfare with the aim to plan and organize the cocurricular activities for the students at the University and College level.

The main objectives of the Directorate are to coordinate different activities of Sports, Literary, Cultural, Moral Education, and Placement and Counselling and so on.

The Directorate also supervise the Students' Union activities to allow them to work in a democratic setup to solve the genuine problems of the students and to bridge the gap between the students and University administration.

- **Creating a sense of community service** through participation
- **Inculcating positive thinking** for physical and mental health,
- **Providing conducive atmosphere** to strengthen teaching- learning process, student- teacher relationship, peer group relationship, etc.
- **Coordinating the programs** of Centre for Women's Studies, Equal Opportunity Cell, Health Centre, Board of Sports and Placement and Counselling.

Constitution of DSW

As the name implies, the objective of the office is to ensure the welfare of student community. It will work as an agent between students and the administration of The Maharaja Sayajirao University of Baroda, Vadodara. The responsibility of the Directorate is of two fold. i.e. to guide and assist students to overcome their problems and on the other hand not to compromise on the Rules and Regulations of the Maharaja Sayajirao University of Baroda, Vadodara.

To facilitate the overall personality development and to inculcate the basic values amongst the young students of the University to groom them as Good Citizens of the Nation. The Directorate will also supervise the Students' Union activities to allow them to work in a democratic setup to solve the genuine problems of the students and to bridge the gap between the students and University administration. The faculties and administration of the university seek at all time to impress upon the students the fact that moral and spiritual bases are the corner stones for the development of character and good citizenship. A student is expected to remain disciplined under all circumstances, show respect for rights of others, and reflect a sense of personal honour as demanded of good citizens.

20J. Women's Grievance Cell

The WGRC received two complaints during the period 2016-17

2. Case of Mr. Harnish H Gamit, Laboratory Assistant working at Faculty of Education and Psychology, The M S University of Baroda was handled by the faculty grievance committee. The report was approved by the syndicate

Presentations were made during the NAAC peer team visit.

20K. Indira Gandhi National Open University

The Origins

The Indira Gandhi National Open University (IGNOU), established by an Act of Parliament in 1985, has continuously striven to build an inclusive knowledge society through inclusive education. It has tried to increase the Gross Enrollment Ratio (GER) by offering high-quality teaching through the Open and Distance Learning (ODL) mode.

The University began by offering two academic programmes in 1987, i.e., Diploma in Management and Diploma in Distance Education, with a strength of 4,528 students.

Today, it serves the educational aspirations of over 3 million students in India and other countries through 21 Schools of Studies and a network of 67 regional centres, around 2,667 learner support centres and 29 overseas partner institutions. The University offers about 228 certificate, diploma, degree and doctoral programmes, with a strength of nearly 810 faculty members and 574 academic staff at the headquarters and regional centres and about 33,212 academic counsellors from conventional institutions of higher learning, professional organisations, and industry among others.

Course Development

IGNOU's method of instruction differs radically from that of other conventional universities. Indira Gandhi National Open University has adopted a multimedia approach to instruction. The different components being: self-instructional materials, counselling sessions, both face-to-face and via teleconferencing mode. For courses in Science, Computers, Nursing as well as Engineering and Technology, arrangements have been made to enable students undertake practical classes at select study centres.

Flexibility

In the tradition of Open Learning, IGNOU provides considerable flexibility in entry qualification, place, pace and duration of study to students. A Bachelor's Degree Programme (i.e. BA/BCom/BSc) of three years duration can be completed in six years if the student so desires.

Credit System

IGNOU follows a credit system that is based on the time factor involved in studying. One credit is equivalent to 30 study hours inclusive of all learning activities. Different programmes have different credit requirements. Students have the right to collect credits at their own pace, convenience and according to their own capability. IGNOU also provides a credit transfer facility whereby credits may be transferred from any other University to IGNOU after fulfilling the necessary requirements.

The Origins of Baroda Study Centre

20M. Institute of Leadership & Governance

India is engaged today in making concerted, all-round efforts to emerge as a major global power with significant economic, strategic, political and cultural presence across the world. The human, natural, physical and financial resources of the nation have to be effectively marshalled and channelized into the desired directions in order to achieve this goal. In this process, leadership at all levels – from grassroots to the top – shall play the stellar role, supported by appropriate structures, practices and processes of effective, transparent, participatory and accountable governance.

Both leadership and governance relate to a wide arena of public life in the country. Political leadership from local to national levels, corporate leadership, leadership in the social and educational sector, leadership in non-profit organizations etc. critically shape the future of our peoples and nation. This leadership at different levels will have to be supported by appropriate, fair, just and efficient governance system.

Hence, an institute focussed on training and trans-disciplinary research in different aspects of leadership as well as on studies on good governance structures, practices and processes is highly essential today. Such an Institute is by its very nature interdisciplinary in nature, principally involving fields of Political Science, Public Administration, Sociology, Business Management, Psychology, Organizational Studies, Social Work etc. As The Maharaja Sayajirao University

of Baroda has a sound base of knowledge and expert faculty members in these areas, it is proposed that an Institute of Leadership and Governance be established under the University.

This Institute will academically support the country's efforts to move ahead in the comity of nations as a powerful, peaceful, distinctive and prosperous country. The Institute shall be a non-partisan and non-sectarian organization open to the different ideas, positions and methods on leadership development and governance in alignment with the vision and mission of the University.

21E. National Service Scheme

Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service. NSS is a voluntary association of young people in Colleges, Universities and at +2 levels working for a campus-community linkage.

The cardinal principle of the NSS program is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation building.

The University Grants Commission headed by Dr. Radhakrishnan recommended introduction of national service in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

In the recent years (2016-17), the strength of NSS Volunteers has soared upto 1000 students across the 13 different faculties of M.S. University.

Aims and objectives of NSS

- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems in the community and the Solutions in which they can be involved.
- Develop among them a sense of social and civic responsibility.
- Apply their education in finding practical solutions to individual and community problems.
- Develop competencies required for group living and sharing responsibilities.
- Gain skills in mobilising community participation.
- Acquire leadership qualities and democratic attitudes.
- Develop capacity to meet emergencies and natural disasters.

21F. Students' Common Room

There are three Common Rooms for University students. Two rooms are on the campus-one for boy students and the other for girl students. The third room generally known as Non-Resident Students' Centre, is near the Faculty of Technology and Engineering. The Women Students' Common Room and the Non-Resident Students' Centre, were built with financial assistance from the University Grants Commission and the State Government.

A cafeteria is attached to each of the three Common Rooms. There are facilities for indoor games such as carrom, draught, chess, table tennis etc. and for reading news-papers, periodicals and books. A committee, consisting of the members of the teaching staff, looks after the upkeep and arrangement of the rooms. The rooms are also used for meeting of Student's Associations, Socials, Indoor Games and Tournaments.
