

APPENDIX-B.1: READING TEST SPECIFICATIONS AND WEIGHTAGES

<u>Behavioral Area</u> (Percentage of items)		<u>Reading of Letters (16%)</u>		<u>Reading of words (40%)</u>		<u>Reading along with fluency (27%)</u>		<u>Comprehension (17%)</u>		<u>Total number of items</u>	
Ability to recognize letters	10	Consonants	5	Words without conjuncts	5	Reading material specially prepared for new literates on the subjects related to H.Y.V. crops	20	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53
Ability to read words	10	Consonants	5	Words with conjunct consonants or most frequent occurrence	20	Reading along with fluency	17	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53
Ability to read sentences	10	Consonants	5	Words with conjunct consonants or most frequent occurrence	20	Reading along with fluency	17	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53
Ability to read paragraphs	10	Consonants	5	Words with conjunct consonants or most frequent occurrence	20	Reading along with fluency	17	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53
Ability to read stories	10	Consonants	5	Words with conjunct consonants or most frequent occurrence	20	Reading along with fluency	17	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53
Ability to make sentences	10	Consonants	5	Words with conjunct consonants or most frequent occurrence	20	Reading along with fluency	17	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53
Ability to comprehend reading comprehension	10	Consonants	5	Words with conjunct consonants or most frequent occurrence	20	Reading along with fluency	17	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53
Total number of items	10	Consonants	5	Words with conjunct consonants or most frequent occurrence	20	Reading along with fluency	17	Comprehension of the immediate meaning of what is read, especially simple matter about modern practices in the cultivation of H.Y.V. crops	11	10	53

APPENDIX-B.2: WRITING TEST SPECIFICATIONS AND WEIGHTAGES

Behavioral Area percentage of emphasis	Ability to write letters	Ability to write words	Ability to write one word answers for questions asked for	Ability to transcribe as	Ability to write dictation	Total number of items
Content						
writing of letters (14.2%)						
Vowels	2					2
Consonants	1					1
Conjuncts	2					2
writing of simple words(14.2%)						
Words with/without conjunct consonants of most frequent occurrence			5			5
writing the name and address (14.8%)						
Name of the candidate				1		1
Name of his village				1		1
Name of his taluk				1		1
Name of his district				1		1
Name of his state				1		1
writing the names of common things of most frequent occurrence (Gen.Knowledge, (14.2%)				5		5
writing of words commonly used in farming occupation (14.2%)				5		5
Transcription of senten- ces related to H.Y.V. programme (9%)				3		3
writing to dictation of simple sentences on a topic (20%)				7		7
Total number of items	5	5	15	3	7	35

APPENDIX-B.3: ARITHMETIC TEST SPECIFICATIONS AND WEIGHTAGES

Behavioral Area percentage of emphasis	Know- ledge	Under- standing	Appli- cation	Total No. of items
Knowledge of weights (11%)	-	1	-	1
Knowledge of time time (11%)	1	2	-	3
Knowledge of money (4%)	-	1	-	1
Knowledge of Squares (4%)	-	1	-	1
Knowledge of areas (4%)	-	1	-	1
Knowledge of profit and loss (4%)	-	-	1	1
Simple fraction (7%)	-	1	2	3
Simple addition (11%)	2	-	-	2
Compound addition involving money (4%)	-	-	1	1
Compound addition involving weights (4%)	-	1	-	1
Simple subtraction (7%)	2	-	-	2
Compound subtraction involving persons (4%)	-	-	1	1
Compound subtraction involving money (4%)	-	-	1	1
Simple multiplication (7%)	2	-	-	2
Simple compound multiplication (7%)	-	1	1	2
Simple division (7%)	2	-	-	2
Simple compound division involving money (4%)	-	-	1	1
Simple compound division involving distances and time (4%)	-	-	1	1
Total number of items	9	9	9	27
