

LIST OF FIGURES

<u>Fig.No.</u>		<u>Page No.</u>
1.	Frequency Polygon for the Distribution of Scores of Reading Test - Adult Participants ..	156
2.	Frequency Polygon for the Distribution of Scores of Writing Test - Adult Participants ..	159
3.	Frequency Polygon for the Distribution of Scores of Arithmetic Test - Adult Participants ..	162
4.	Frequency Polygon for the Distribution of Awareness Scores - Adult Participants ..	165
5.	Frequency Polygon for the Distribution of Scores of School Children in Reading Test ..	171
6.	Frequency Polygon for the Distribution of Scores of School Children in Writing Test ..	174
7.	Frequency Polygon for the Distribution of Scores of School Children in Arithmetic Test ..	177
8.	Bar diagram Showing the Mean Literacy Scores of the RFLP Participants and School Children - Literacy Tests ..	181
9.	Ogive Curves for the Scores Obtained by RFLP Participants and School Children in the Reading Tests ..	182
10.	Ogive Curves for the Scores Obtained by RFLP Participants and School Children in Writing Test ..	190
11.	Ogive Curves for the Scores Obtained by RFLP Participants and School Children in Arithmetic Test ..	194
12.	Bar diagram Showing the Mean Literacy Achievement of Participants of Different Age Groups ..	199
13.	Bar diagram Showing the Mean Literacy Achievement of Participants of Different Caste Groups ..	202

14.	Bar diagram Showing Mean Literacy Achievement of Participants of Different Income Groups	..	205
15.	Bar diagram Showing Mean Literacy Achievement of Married and Unmarried Participants	..	207
16.	Bar diagram Showing Mean Literacy Achievement of Participants from Different Occupations	..	210
17.	Bar diagram Showing Average Level of Awareness Among Participants of Various Age Groups	..	221
18.	Bar diagram Showing the Average Level of Awareness of Participants of Different Caste Groups	..	224
19.	Bar diagram Showing the Average of Awareness Among Married and Unmarried participants	..	226
20.	Bar diagram Showing the Average Level of Awareness Among Participants with Varied Income Levels	..	229
21.	Bar diagram Showing the Average Level of Awareness Among Participants from Different Occupations	..	231
22.	Bar diagram Showing the Average Level of Functionality Among the Participants Belonging to Different Age Groups	..	236
23.	Bar diagram Showing the Average Functionality Level Among the Participants Belonging to Different Caste Groups	..	238
24.	Bar diagram Showing the Average Level of Functionality Among the Married and Unmarried Participants	..	241
25.	Bar diagram Showing the Average Level of Functionality Among the Participants at Different Income Levels	..	243
26.	Bar diagram Showing the Average Level of Functionality Among the Participants Belonging to Different Occupations	..	245
