The satisfaction and euphoria accompanying the successful completion of this thesis would be incomplete without mention of the people who made it possible.

First and foremost, I would like to express my sincere thanks to my research guide Prof. A C Sharma. Besides giving me a wonderful opportunity to start my research career, he has cultivated in me the right attitude towards research and academics. I feel fortunate to have benefited from his immense knowledge and plentiful experience in the field. I am greatly indebted to him for his valuable guidance, support, trust and encouragement.

I also thank our head of the department, Prof. S K Mukherjee for his prompt help and support whenever required.

I would also like to thank all my teachers from Department of Physics, for their constant enthusiasm and encouragement from the days of my undergraduate study till the doctorate work.

The research carried out for this thesis is made possible by the financial support provided by UGC-BSR (New Delhi) in the form of JRF and SRF fellowship.

I owe special thanks to my senior lab members Dr Sagar K. Ambavale and Dr Digish K. Patel for contributing their ideas and stimulating discussions regarding my research works.

My special thanks also go to my fellow PhD students; Dr. Narayan Som, Dr. Trupti Gajaria, Dr. Sharadbabu Pillai, Dr. Vibha Vansola, Dr. Shilpa Bhavsar and Dr. Nimesh Patel for providing diverse academic environment and extending the support as and when required on different fronts.

I would like to thank my dearest friends; Dr. Avani Patel, Dr. Nakul Soni, Dr. Prathna Kharod, Dr. Akshay Vaghani, Dr. Vishal Joshi, Mr. Anand Purohit, Riddhi Joshi and Dr. Prachi Karia for being the encouraging and enthusiastic friends.

I would like to express my heartfelt gratitude to my family. First and foremost, my parents, Mr. Rashmikumar Dave and Mrs. Smita Dave, parents in law, Mr. Sanjiv Thakar and Mrs. Jagruti Thakar, their unconditional love and blessings are my strength. I thank my beloved aunt Mrs. Komal Bhatt for her selfless love and care. A special thanks to my dear sister Mrs. Bhairavi Purohit, brother-in-law Mr. Darshit Thakar and sister-in-law Dr. Vishwa Thakar, they have always been there as the happy and helping people around whom I can rely on anytime. I acknowledge my heartfelt thanks to my beloved husband Mr. Dhaivat Thakar, whose love and care has been a constant driving force during the most challenging times of thesis writing.

I thank the Almighty God who empowered me to fulfil this research by showing his abundant grace and mercy.
