
LIST OF FIGURES

Figure 1	Biogeographical zones of India.	11
Figure 2	Showing study area - Gujarat state.	25
Figure 3	Structure of the categories used at the regional level.	41
Figure 4	A pie chart showing distribution of species (in %) in various orders of lycophytes and ferns in the wild from Gujarat.	46
Figure 5	A pie chart showing distribution of species (in %) in various families of lycophytes and ferns in the wild from Gujarat.	46
Figure 6	A pie chart showing distribution of species (in %) in various genera of lycophytes and ferns in the wild from Gujarat.	47
Figure 7	A pie chart showing distribution of pteridophyte species (in %) in various bio-geographic zones of Gujarat state.	47
Figure 8	A pie chart showing distribution of pteridophyte species (in %) in various regions of Gujarat state.	48
Figure 9	Distribution of <i>Isoetes coromandeliana</i> subsp. <i>coromandeliana</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	127
Figure 10	<i>Isoetes coromandeliana</i> subsp. <i>coromandeliana</i>	128
Figure 11	Distribution of <i>Selaginella ciliaris</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	129
Figure 12	<i>Selaginella ciliaris</i>	130
Figure 13	Distribution of <i>Selaginella delicatula</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	131
Figure 14	<i>Selaginella delicatula</i>	132
Figure 15	Distribution of <i>Selaginella repanda</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	133
Figure 16	<i>Selaginella repanda</i>	134
Figure 17	Distribution of <i>Equisetum ramosissimum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	135
Figure 18	<i>Equisetum ramosissimum</i>	136
Figure 19	Distribution of <i>Ophioglossum costatum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	137
Figure 20	<i>Ophioglossum costatum</i>	138

Figure 21	Distribution of <i>Ophioglossum gramineum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	139
Figure 22	<i>Ophioglossum gramineum</i>	140
Figure 23	Distribution of <i>Ophioglossum gujaratense</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	141
Figure 24	<i>Ophioglossum gujaratense</i>	142
Figure 25	Distribution of <i>Ophioglossum jaykrishnae</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	143
Figure 26	<i>Ophioglossum jaykrishnae</i>	144
Figure 27	Distribution of <i>Ophioglossum nudicaule</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	145
Figure 28	<i>Ophioglossum nudicaule</i>	146
Figure 29	Distribution of <i>Ophioglossum parvifolium</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	147
Figure 30	<i>Ophioglossum parvifolium</i>	148
Figure 31	Distribution of <i>Ophioglossum reticulatum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	149
Figure 32	<i>Ophioglossum reticulatum</i>	150
Figure 33	Distribution of <i>Ophioglossum thermale</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	151
Figure 34	<i>Ophioglossum thermale</i>	152
Figure 35	Distribution of <i>Lygodium flexuosum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	153
Figure 36	<i>Lygodium flexuosum</i>	154
Figure 37	Distribution of <i>Azolla pinnata</i> subsp. <i>asiatica</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	155
Figure 38	<i>Azolla pinnata</i> subsp. <i>asiatica</i>	156
Figure 39	Distribution of <i>Salvinia molesta</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	157
Figure 40	<i>Salvinia molesta</i>	158
Figure 41	Distribution of <i>Marsilea minuta</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	159
Figure 42	<i>Marsilea minuta</i>	160

Figure 43	Distribution of <i>Ceratopteris thalictroides</i> subsp. <i>thalictroides</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	161
Figure 44	<i>Ceratopteris thalictroides</i> subsp. <i>thalictroides</i>	162
Figure 45	Distribution of <i>Actiniopteris radiata</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	163
Figure 46	<i>Actiniopteris radiata</i>	164
Figure 47	Distribution of <i>Anogramma reichsteinii</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	165
Figure 48	<i>Anogramma reichsteinii</i>	166
Figure 49	Distribution of <i>Pteris vittata</i> subsp. <i>vittata</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	167
Figure 50	<i>Pteris vittata</i> subsp. <i>vittata</i>	168
Figure 51	Distribution of <i>Adiantum capillus-veneris</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	169
Figure 52	<i>Adiantum capillus-veneris</i>	170
Figure 53	Distribution of <i>Adiantum incisum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	171
Figure 54	<i>Adiantum incisum</i>	172
Figure 55	Distribution of <i>Adiantum philippense</i> subsp. <i>philippense</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	173
Figure 56	<i>Adiantum philippense</i> subsp. <i>philippense</i>	174
Figure 57	Distribution of <i>Aleuritopteris albomarginata</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	175
Figure 58	<i>Aleuritopteris albomarginata</i>	176
Figure 59	Distribution of <i>Aleuritopteris anceps</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	177
Figure 60	<i>Aleuritopteris anceps</i>	178
Figure 61	Distribution of <i>Aleuritopteris bicolor</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	179
Figure 62	<i>Aleuritopteris bicolor</i>	180
Figure 63	Distribution of <i>Aleuritopteris formosana</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	181

Figure 64	<i>Aleuritopteris formosana</i>	182
Figure 65	Distribution of <i>Cheilanthus tenuifolia</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	183
Figure 66	<i>Cheilanthus tenuifolia</i>	184
Figure 67	Distribution of <i>Athyrium falcatum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	185
Figure 68	<i>Athyrium falcatum</i>	186
Figure 69	Distribution of <i>Athyrium hohenackerianum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	187
Figure 70	<i>Athyrium hohenackerianum</i>	188
Figure 71	Distribution of <i>Athyrium micropterum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	189
Figure 72	<i>Athyrium micropterum</i>	190
Figure 73	Distribution of <i>Athyrium parasnathense</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	191
Figure 74	<i>Athyrium parasnathense</i>	192
Figure 75	Distribution of <i>Athyrium schimperi</i> subsp. <i>biserrulatum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	193
Figure 76	<i>Athyrium schimperi</i> subsp. <i>biserrulatum</i>	194
Figure 77	Distribution of <i>Thelypteris dentata</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	195
Figure 78	<i>Thelypteris dentata</i>	196
Figure 79	Distribution of <i>Thelypteris prolifera</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	197
Figure 80	<i>Thelypteris prolifera</i>	198
Figure 81	Distribution of <i>Hypodematium crenatum</i> subsp. <i>crenatum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	199
Figure 82	<i>Hypodematium crenatum</i> subsp. <i>crenatum</i>	200
Figure 83	Distribution of <i>Tectaria coadunata</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	201
Figure 84	<i>Tectaria coadunata</i>	202
Figure 85	Distribution of <i>Lepisorus nudus</i> in different bio-geographical zones	203

	(A) and different regions (B) of Gujarat.	
Figure 86	<i>Lepisorus nudus</i>	204
Figure 87	Distribution of <i>Microsorium membranaceum</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	205
Figure 88	<i>Microsorium membranaceum</i>	206
Figure 89	Habit of A: <i>I. coromandeliana</i> subsp. <i>thanensis</i> , B: <i>S. reticulata</i> , C: <i>O. indicum</i> , D: <i>O. lancifolium</i> , E: <i>O. lusitanicum</i> , F-H: <i>O. rubellum</i> , I: <i>C. thalictroides</i> subsp. <i>gaudichaudii</i> .	207
Figure 90	Distribution of <i>Ephedra foliata</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	208
Figure 91	<i>Ephedra foliata</i>	209
Figure 92	Distribution of <i>Ephedra karumanchiana</i> in different bio-geographical zones (A) and different regions (B) of Gujarat.	210
Figure 93	<i>Ephedra karumanchiana</i>	211
Figure 94	A pie chart showing distribution of pteridophyte species (in %) of various habitats.	216
