

LIST OF TABLES

TABLE NO.		PAGE NO.
3.1	Insoluble residue percentage of samples, Ratipal section	
3.2	Insoluble residue percentage of samples, Bermoti section	
3.3	Insoluble residue percentage of samples, Bernani section	
3.4	Insoluble residue percentage of samples, Waioar section	
3.5	Petrographic attributes	
4.1	Criteria used for biozonal assignment of Bermoti series	
4.2	Standard planktonic foraminiferal zones	
4.3	History of far east Letter Stage Zones development	
4.4	Larger foraminiferal events of Oligocene	
4.5	Letter stage boundaries and ranges of taxa	
5.1	Distribution of faunal assemblages and probable causes responsible for their distribution	
5.2	Biostratigraphy of Bermoti series
