

LIST OF TABLES

Table-1: Stratigraphy of Mesozoic rocks of Kachchh	5
Table-2: Time Stratigraphic classification of Tertiary rocks of Kachchh	7
Table-3: Functional groups of the living organisms of the Mandvi intertidal zone	91
Table-4: Feeding guilds of the polychaetes	93
Table-5: Feeding guilds of the Crustaceans	93
Table-6: Distribution of the organisms, their observed working depth, functional group codes and biogenic structures.	185
Table-7: Published data on reworking rates and working zones of the individual organisms.	186
