

## LIST OF TABLES

	Page No.
<b>Table 2.1</b> Simplified stratigraphy of Andaman Island	36
<b>Table 4.1</b> Descriptions of samples form lava flows and ash beds of the Barren Island Volcano	102
<b>Table 4.2</b> Description of samples collected from the Ophiolite Group, Andaman Islands	104
<b>Table 4.3</b> Description of mud breccia and rock clast samples collected from Mud Volcanoes of Andaman Islands	105
<b>Table 4.4</b> Description of Water samples from Mud Volcanoes and other water bodies, Andaman Islands	107
<b>Table 4.5</b> Description of Rock standards used during the generation of major element data	112
<b>Table 4.6</b> Measured and reported values of major oxide concentrations in USGS rock standard BHVO -2 and BCR-2 to check of accuracy of the measurement	113
<b>Table 4.7</b> Sample dissolution procedure for trace elements analysis	117
<b>Table 4.8</b> Measured and reported concentrations for various trace elements in BHVO-2 to check accuracy of the measurement on ICP-MS	119
<b>Table 4.9</b> Measured and reported concentrations for various trace elements in BCR-1 and BHVO-2 to check accuracy of the measurement for INAA	121
<b>Table 4.10</b> Sample dissolution procedure for isotopic analyses	122
<b>Table 4.11</b> Protocol for Sr and REE separation from sample solution	123

<b>Table 4.12</b>	Protocol for Nd separation from REE Cut	124
<b>Table 5.1</b>	Major oxide composition of mud breccia and rock clasts samples collected from mud volcanoes of Andaman Islands	139
<b>Table 5.2</b>	Major oxide composition of samples collected from the Ophiolites Group, Andaman Islands	140
<b>Table 5.3</b>	Major oxide composition of samples from lava flows and ash beds of the Barren Island Volcano	141
<b>Table 5.4</b>	Trace elements abundances of rock clasts samples collected from mud volcanoes of Andaman Islands	143
<b>Table 5.5a</b>	Trace elements abundances of samples from lava flows and ash beds of the Barren Island Volcano	144
<b>Table 5.5b</b>	Trace elements abundances of samples from lava flows and ash beds of the Barren Island Volcano	146
<b>Table 5.6</b>	Oxygen and hydrogen isotopic ratios of water samples from Mud Volcanoes and other water bodies, Andaman Islands	148
<b>Table 5.7</b>	Sr and Nd isotopic ratios of mud breccia and rock clasts samples collected from mud volcanoes of Andaman Islands	149
<b>Table 5.8</b>	Sr and Nd isotopic ratios of samples collected from the Ophiolites Group, Andaman Islands	150
<b>Table 5.9</b>	Sr and Nd isotopic ratios of samples from ash beds of The Barren Island Volcano	150
<b>Table 5.10</b>	Sr, Nd and Pb isotopic ratios of rock and ash samples from Barren Island Volcano	151
