It gives me immense pleasure and deep satisfaction in presenting my research work. The present thesis entitled “A SYSTEM OF p -POLYNOMIALS AND ITS q -ANALOGUE” is the research work carried out by me under the guidance of Dr. B. I. Dave, Professor, Department of Mathematics, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara.

I express my profound thanks to my guide, Dr. B. I. Dave, for giving me the topic. His extensive knowledge, unfailing optimism and easy nature made the period of research work an existing and enjoyable experience. I am also thankful to him for his constant encouragement, kind advice and support throughout the period of the research work.

At this moment, I cannot forget my father Vasantbhai, my mother Radhaben, my elder brothers Viralbhai and Miteshbhai, my sisters-in-law Renukaben and Deepaben, my nieces Saloni and Twisha, my nephews Shivam and Devarsh for their kind cooperation, encouragement and constant support to complete my thesis work.

My special thanks are also due to my wife Asha and beloved daughter Aarvi for their constant support and encouragement during the period of research work.

My special thanks to Mrs Jagrutiben Dave and Ishan Dave for their support during the period of research work.

I express my sincere thanks to the Head of the Department and the Dean of the Faculty of Science, Professor Dr. H. R. Kataria and also the office staff members: Shri Gopalbhai Tandle, Shri Sadashivbhai Bandgi (Retd.), Shri Mukeshbhai Mali, Shri Rajeshbhai Jadhav and Shri Bholabhai Kahar of this Department for their administrative support and cooperation whenever needed during the entire period of the research work.

I owe a deep sense of gratefulness to the former Head of the Department, Professor J. R. Patadia sir for his inspiration and encouragement for the advanced study.

I cannot forget my CHARUSAT authorities for their kind permission and support at the initial stage and during this task. In particular, Registrar Dr. D. J. Joshi, Professor R. V. Upadhyay, Principal, Professor A. B. Patel, Head of Mathematics Department, Shri Ashokbhai Patel, the Adviser of CHARUSAT and Shri Ketankumar R. Patel.

I would also like to thank my contemporary researcher Dr. Bharti V. Nathwani with whom I had joyful time and very useful discussion till the end of the work.

I express my special thanks to the authors of the papers whose work I have consulted and used in my research findings; which I have quoted in the Bibliography.

My sincere thanks to all who directly or indirectly helped me in successful completion of this work.

Last but not least; I thank God, the Almighty, for giving me strength and ability to accomplish this work, taken on hand.
