

Acknowledgements

To my parents, *Bhavana Sharma* and *Rajendra Sharma*, for their support in providing me all the long years of education up to the doctoral degree. Many thanks for their moral and emotional support and raising me as a strong person.

I would like to thank my research advisor *Prof. Prafulla Kumar Jha*, who introduced me to the world of research. I thank him for his directions to work in collaboration as well as an independent researcher. I want to acknowledge to other teaching and non-teaching staff in department of physics at The Maharaja Sayajirao University for their help. I sincerely appreciate the help from all my seniors *Dr. Satyam Shinde, Dr. Shree Mishra, Dr. Nikita Shah, Dr. Himadri Soni, Dr. Venu Mankad, Dr. Sanjay Gupta, Dr. Shweta D. Dabhi, Dr. Swapnil Patil, Dr. Swati Gahlot, Dr. Nidhi Astik* and *Dr. Narayan Som* for being there as motivator. I also want to thank *Dr. Vaibhav Kulshrestha* and his team for providing me the experimental knowledge of my work. I specially thank *Ashwini Mahadik* for her support in submitting the thesis in this pandemic situation of COVID-19. I appreciate time and opportunities given by *Prof. Krzysztof J. Kurzydłowski* and *Dr. Piotr Śpiewak* of Warsaw University of Technology, Poland.

The very special gratitude to my friends *Anna, Athira, Kaka* and *Archana* for their much needed support in past 5 years. Many thanks to *Rakhi, Arshi, Symran, Dishee, Devdeep* and *Soham* for always been there for me. This acknowledgement is incomplete without mentioning the love and care of my little ones *ishita, shruchi* and *sharan*.

I say a very big thank you to my family, especially my sister *Nehal* for inspiring me with her work, advice and care. I am forever thankful to my fiancé *Dr. Basant Roondhe*, for standing next to me, your positivity and encouragement brings out the best in me.

The most important, “*Guruji*” for all the blessings and strength given to me to deal with any situation.

Finally, I acknowledge the financial assistance from the *Department of Science & Technology (DST)* under the Indo-Poland program of cooperation on science and technology.
