

## C O N T E N T S

| CHAPTER |                         | PAGE NO. |
|---------|-------------------------|----------|
| 1.      | Introduction            | 1        |
| 2.      | Experimental Techniques | 17       |
| 3.      | Growth                  | 40       |
| 4.      | Electrical Conductivity | 74       |
| 5.      | Optical Band gap.       | 120      |
| 6.      | Photoconductivity       | 156      |
| 7.      | Junctions               | 176      |
