

***SYNTHESIS OF NANO STRUCTURED MAGNESIUM BASED ALLOYS FOR  
OPTIMAL HYDROGEN STORAGE FOR POWER SYSTEM APPLICATION***

A thesis submitted to

**The Maharaja Sayajirao University of Baroda**

For the Degree of

*Doctor of Philosophy*

In

**Physics**

By

**Bambhaniya Kanti Gopabhai**

Under the Supervision of

**Dr. V. Shrinet**

Research Guide

Technology Centre

Electrical Research & Development Association

Makarpura, Vadodara – 390 010, India

**Prof. N. L. Singh**

Research Co-Guide

Physics Department, Faculty of Science

The M. S. University of Baroda

Vadodara – 390 002, India

**May – 2012**
