I express my sincere thanks to my supervisor and well-wisher, **Prof. B Suresh**, who trusted and allowed me to work in an independent manner. I would like to thank him for his encouragement, trust, and support during my research period. I would like to express my deepest gratitude to him, who has always been approachable and positive, without his support, this thesis would not be possible. It was always my pleasure to work under his supervision.

I would like to thank **Prof. Shubhangi S. Soman**, the department of chemistry, who always positive toward my research ideas and provided me the support the best way she can. I would extend my sincere thanks to **Dr. Rina Soni** for providing a constant supply of derivatives and suggestions as a collaborator.

I take this opportunity to thank **Prof P.C Mankodi**, the former Head of the Department of Zoology and **Prof. Dolly Kumar**, the Head of the Department of Zoology, for making the paper process easy and for a timely gain of fellowship.

I am grateful to the **UGC, University Grant Commission**, New Delhi, for providing me the financial support during my entire tenure of research.

I would extend my thanks to **Prof. J. Jaykanthan**, Head department of Bioinformatics, Alagappa University, for providing their research facilities and for their invaluable time to complete my *in silico* portion of research work.

I am thankful to my lab seniors **Dr. Pranav Buch**, **Dr. Hiral Murawala**, for their help and support during the initial period of my research and for teaching the basics of cell culture technique. I would also like to thank my labmat **Dr. Isha Ranadive** and **Dr. Sonam Patel**, for providing a friendly environment to work, especially during the crucial period of thesis writing.

I would like to thank my colleague **Kashmira Khaira**, **Urja Verma**, and **Dr. Shashikant Sharma**, for being always available as friends whenever I was in need. I am heartily thankful to **Pooja Raval**, **Bhaval Parmar**, and **Dhanush Danes** for their support during the whole process of thesis submission.

A special thanks to my dearest husband, **Gaurav R. Omar**, a true blessing of almighty, without his support, love, and motivation, this journey of Ph.D. couldn't be possible. He

always trusted my ability and created a whole positive surrounding around me so that I can do better. He always understood my anxieties and worries and stood beside me in every stage of life.

Lastly, I would like to thank **my parents** and My sister **Dipti Umar** for always present by my side whenever I am in need.
