

ACKNOWLEDGEMENT

I am grateful to my guide Prof. D.B. Desai for the guidance he provided me during the whole work. I enjoyed working under him.

I am obliged to thank Dr. C.N. Daftuar, Reader, Psychology Department, M.S. University, Baroda and Dr. D.N. Sansanwal, Reader, Teaching Department of Education, Indore University, Indore for their support and guidance in analysing the data.

I am short of words to express my deep feelings of thanks to Dr. Rajen Gupta, who had been a consistent source of inspiration to me right from the beginning of the study and without whose moral support, I might not have completed the work in this form.

I extend words of thanks to all my colleagues and friends, the librarian Mrs. Fadhye for their help given to me. I thank Vibha for her constant encouragement.

In the last but not the least I thank my parents for allowing me to come to Baroda and complete the work.
