

ACKNOWLEDGEMENTS

It is indeed a pleasure to acknowledge my indebtedness and gratitude to Dr. R.V. Shah, Reader and Officiating Head of the Department of Zoology, Faculty of Science, M.S. University of Baroda, Baroda, for the suggestion of the problem, constant guidance and encouragement without which this work would not have been completed. While preparing the thesis I have profited greatly by the constructive criticisms and valuable suggestions from Dr. K.S.S. Nair to whom I wish to express my appreciation. I am thankful to Dr. (Miss) N.J. Chinoy, Dr. N.V. Vallyathan and Dr. (Miss) Freney Bokdawala for going through the manuscripts critically. My thanks are also due to my colleagues Mr. Bonny Pilo, Mr. D.K. Magon, Miss V.N. Shyamala, Mrs. Ila Jadav and Mrs. Bharathi Rao in the Department for their cooperation and help.

I am indebted to the Ministry of Education, Government of India, for the award of a Research Scholarship during the tenure of which most of the work was carried out.
