

List of Tables

Table 1: Net Capital flows into India (Yearly) US \$ million	17
Table 2: India's annual GDP growth rate, investment rate, and savings rate	45
Table 3: Estimates of descriptive statistical parameters for quarterly GDP series	47
Table 4: Estimates of descriptive statistical parameters for quarterly WPI series	52
Table 5: Estimates of descriptive statistical parameters for quarterly CMR series	55
Table 6: Estimates of descriptive statistical parameters for money supply	61
Table 7: Foreign exchange reserves of India (US\$ billions)	63
Table 8: Descriptive statistical analysis of foreign exchange reserve	65
Table 9: Descriptive statistical analysis of exchange rate	71
Table 10: Changing pattern of regional distribution of Indian trade (export and import share)	74
Table 11: Export and import products and partner	76
Table 12: Descriptive statistical analysis of export	77
Table 13: India trade in the US \$ million	79
Table 14: Descriptive statistical analysis of import	79
Table 15: Components of FDI flows to India	80
Table 16: Descriptive statistical analysis of FDI to India	81
Table 17: Descriptive statistical analysis of FPI flow to India	82
Table 18: Correlation among leading indicators	83
Table 19: HEGY test coefficients for seasonal unit roots in quarterly series data	89
Table 20: SARIMA result of macroeconomic indicators	92
Table 21: The summary output of ADF test regression	117
Table 22: The summary output of the KPSS test	118
Table 23: The summary output of PP test regression	119
Table 24: Cointegration rank without linear trend and constant for FDI	121
Table 25: Cointegration rank without linear trend and constant for FPI	121
Table 26: Eigenvectors, normalized to the first column for FDI model using MLE	122
Table 27: Eigenvectors, normalized to the first column for FPI model using MLE	123
Table 28: Error Correction term for FDI Model	123
Table 29: Error Correction term for FPI Model	124
