

List of Figures

Figure 1.1: Constructivist knowledge sharing	10
Figure 1.2 ZPD and Scaffolding	13
Figure 1.3: Types of Concept map: a) Spider, b) Hierarchical, c) Flowchart, d) Systems	23
Figure 3.1 sample selection procedure of the study.....	77
Figure 3.2 display activities of Experimental Phase	77
Figure 3.3 Implementation of experiment in schools.....	85
Figure 4.9 showing the Reactions of Students of experimental group in Chemistry	101

List of Graph

Graph 4.1: Mean and SD Values for Achievement test-1 Scores	92
Graph 4.2: Mean and SD Values for Achievement test-1 Scores	93
Graph 4.3: Mean and SD Values for Achievement test-1 Scores	94
Graph 4.4: Mean and SD Values for Achievement test-1 Scores	95
Graph 4.5: Mean and SD Values for Achievement test-1 Scores	96
Graph 4.6: Mean and SD Values for Achievement test-1 Scores	97
Graph 4.7: Mean and SD Values for Achievement test-1 Scores	98
Graph 4.8: Mean and SD Values for Achievement test-1 Scores	98

List of Table

Table No.3.1: Table showing DV and DI of each item for Achievement test-1.....	80
Table No.3.2: Table showing DV and DP of <i>each item for Achievement test-2</i>	81
Table No.3.3: Table showing DV and DP of <i>each item for Achievement test-3</i>	81
Table No.3.4: Table showing DV and DP of each item for Achievement test-4.....	81
Table No.3.5: Table showing DV and DP of <i>each item for Achievement Test-5</i>	82
Table no.3.6: Table showing DV and DP of each item for Achievement test-6.....	82
Table 3.7 Contain, Constructivist techniques, and period	86
Table 4.1: Summary table showing the number, <i>mean scores, SD, U-test value and level of significance for Pre-achievement test-1 scores of experimental group and control group before the treatment.</i>	92
Table 4.2: Summary table showing the number, <i>mean scores, SD, U-test value and level of significance for achievement test-2 scores of experimental group and control group after completed first Unit.</i>	93
Table 4.3: Summary table showing the number, <i>mean scores, SD, U-test value and level of significance for achievement test-3 scores of experimental group and control group after completed Second Unit.</i>	93
Table 4.4: Summary table showing the number, <i>mean scores, SD, U-test value and level of significance for achievement test-4 scores of experimental group and control group after completed third Unit.</i>	94
Table 4.5: Summary table showing the num ber, <i>mean scores, SD, U-test value and level of significance for achievement test-5 scores of experimental group and control group after completed fourth Unit.</i>	95
Table 4.6: Summary table showing the number, <i>mean scores, SD, U-test value and level of significance for achievement test-6 scores of experimental group and control group after completed the treatment.</i>	96
Table 4.7: Summary table showing the num ber, <i>mean scores, SD, U-test value and level of significance for pre-test – post-test scores of experimental group.</i>	97
Table 4.8: Summary table showing the number, <i>mean scores, SD, U-test value and level of significance for pre-test – post-test scores of Control group.</i>	98
Table 4.9: Reactions of students	100
Table 4.10: Reactions of students	100
Table 5.1: Table showing tools used for data collection.....	109
Table 5.2 Testing of hypotheses	110
