

## **Acknowledgement**

Immeasurable appreciation and deepest gratitude for the help and support are extended to the following persons who in one way or another have contributed in making this study possible.

First and foremost, I would like to express my deep and sincere gratitude to **Dr. Sunita Salunke**, Assistant Professor, Department of Zoology, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara, who has been my supervisor since the beginning of my research career in The Maharaja Sayajirao University of Baroda, Vadodara, Gujarat. The association with her, has transformed me in scientific as well as in personal terms. She provided me many helpful suggestions, important advices and constant encouragement during research work. Her patience, understanding, encouraging and personal guidance have provided a good basis for the present thesis. I am very grateful to, Head, Department of Zoology, **Prof. P.C Mankodi** for providing me the needful help during the tenure of my work. I am thankful to **Dr. Ranjitsinh Devkar** for his valuable ideas, suggestions and help in my work. It's difficult to express my gratitude in words for **Prof. Geeta S. Padate**, for her detailed and constructive comments, and for her important support during this work. I want to express my gratitude to **Dr. Ansarullah**, whose valuable guidance and support from the conception of the study shaped the present work as it shows. My Special Gratitude goes to Venkatesh Food Products, Indore, India for gifting the basic compound Fermented Papaya Preparation for my studies.

I acknowledge my indebtedness and deep sense of gratitude to my friend **Jaymesh Thadani**, who has helped me out to overcome all the tough situations thorough out the period of my study. I am deeply thankful to **Sharmita** and **Shweta** for helping me in lab work. I would like to thank **Khushali Pandya, Kirandi, Dipak, Swati** and **Chandinidi** for inspiring me in research and in life through our interactions during my days in MSU, Baroda. I extend my thanks to **Ruzbeh, Ankita and Ali** for being very helpful during my thesis writing. I am also thankful to **Ashutosh, Zalak, Kedar, Arpita, Jaldip, Lipi, Juhi, Kapil** and all my lab mates who made our laboratory a convivial place to work. My thanks to **Sonia, Naveen and Sangeetadi** for their kind friendship and support.

I also acknowledge with a deep sense of reverence, my gratitude towards my **parents, in-laws, brother, sister in-law** and my whole family for their unflagging love and support throughout my life; this thesis is simply impossible without them.

I would like to thank the integral part of my life, my friend and husband **Nishant Barot** for his unwavering moral and emotional support. Love and a big hug to my son **Janmejaya**, for being supportive during the completion days of my thesis.

Last but not the least; I bow to **GOD ALMIGHTY** for without his graces and blessings this study would not have been possible.

.

Bhavya N. Barot
