

## ACKNOWLEDGEMENTS

*I would first like to thank the Almighty for enriching my life with so many wonderful people who have helped me through the different stages of my life whose direct or indirect contribution in making of this thesis deserves special mention. It gives me great pleasure to express my gratitude and acknowledgement to all the people who have supported and encouraged me to achieve this target.*

*With solemnity and humbleness, I would like to express my sincere gratitude to my Guiding Teacher **Dr. Dolly Kumar** for her confidence in me to take up this work. The words would be less to thank my guide for her valuable guidance, unconditional support, constant encouragement and patience throughout my research tenure.*

*I would like to express my sincere thanks to **Dr. P.C. Mankodi**, Head, Department of Zoology for providing me departmental facilities, constant support and encouragement. My deepest sense of gratitude to **Dr. Geeta Padate**, Ex Head, Department of Zoology, showing keen interest and personalized support in my work.*

*I sincerely thank **Dr. Manju Siliwal**, renowned arachnologist from India for teaching me the basics of spider taxonomy and helping me with the identification of spiders. Her constant encouragement and inspiration has made me to continue this work and contribute towards spiders of world. Secondly, **Dr. Suresh Kumar**, Scientist C, WII, Dehradun for providing technical support.*

*It's my great pleasure to thank my teachers **Dr. Pragnya Parikh**, **Dr. B. Suresh**, **Dr. R. V. Devkar** for always being there whenever I need and also for developing my interest in the subject. I would like to thank **Dr. Sujatha Pillai** for teaching me dissections with precision.*

*I would like to specially thank **Mr. Sunil Kumar** to bring about ultimate precision in formatting and final arrangement of the thesis.*

*It gives me great pleasure to thank **Mr. Kartik Upadhyay** for his constant support, encouragement and assistance during fields work. I also thank him for helping me with the wonderful natural photographs of spiders without which the work on ecology of spiders would not have been so fruitful.*

*I am also grateful to Late **Dr. B. H. Patel** for providing me information and ideas to work on spider taxonomy during my initial phase of Ph. D. I sincerely thank **Dr. Raju Vyas***

*and **Dr. Bhavbhuti Parashrya** for their continuous support and encouragement during the research tenure.*

*I would like to thank University Grant Commission for providing me fellowship to carry out the present work under **RFSMS** scheme.*

*I am grateful to **PCCF**, Gujarat Forest Department for giving permission to carry out spider surveys in Jambughoda Wildlife Sanctuary. Thanks to Mr. N.K. Juyal, Jr. Technical officer, Wadia Institute of Himalayan Geology, Dehradun for providing facility to procure SEM images.*

*I am also grateful to **Dr. Arun Arya**, and **Dr. Neeta Pandya**, Department of Botany, Faculty of Science, The M.S. University of Baroda, Vadodara for providing technical support and helping me with the identification of plant species.*

*I am thankful to all my teachers of Department of Zoology, Faculty of Science, The Maharaja Sayajiro University of Baroda, to mould and encourage me during my entire tenure of higher education. My teachers who taught me in my Bachelors, Masters and who have been supportive are duly acknowledged. I would also like to thank the non-teaching staff for their help and cooperation.*

*I am honored to have the most supportive and encouraging friends whose constant support has made this research work possible. I am thankful to **Dr. Jignesh Trivedi** for helping me in statistical analysis and during laboratory studies. I would like to thank **Jaymesh Thadani** and **Dr. Khushali Pandya** who helped me through my work in the laboratory. I would also like to thank my friends **Mr. Mittal Patel**, **Mr. Rahul Bhatt** and **Ms. Divya Patel** for accompanying me in field. I am grateful **Mr. Pritesh Patel** and **Mrs. Sachi Rana** for helping me in making maps and providing me with the GIS related information about the study site.*

*Special thanks to my colleagues **Ms. Suchi Gandhi**, **Ms. Arachana Yadav**, **Ms. Mamta deb**, **Ms. Kala Mokaria**, **Mr. Ruzbeh Mirza**, **Ms. Ankita Viradiya**, **Mr. Pranav buch**, **Mr. Parth Pandya** for their constant help and encouragements during the research tenure.*

*This work would not have completed without the support and help of local people of Jambughoda Wildlife Sanctuary. I would like to thank **Mr. Harshad Bariya** and **Mr. Mahesh Bariya** for their assistance during the fields work. I am grateful to **Mr. Sanjay Bariya**, **Mr. Raju Bariya**, **Mr. Rama Bariya**, **Mr. Mukesh Bariya**, and **Mrs. Rangaben Bariya** for providing me food, shelter and other facilities during my field visits. Thanks to*

*Mr. Santilal Parmar, Mr. Mukesh Parmar and Mr. Rakesh Parmar for helping me during field work.*

*I am thankful to **Bird Conservation Society of Gujarat (BCSG)** and **Savana Nature Club** for helping me in the studies related to ecology of spiders. Thanks to the **Nature Education Resource Person** team from Sasan Gir for providing information on spiders from dry deciduous forest of Gujarat. I would also like to thank **Mr. M. R. Gadhvi**, RFO; **Mr. C.B. Patel**, Zoo Curator and **Mr. Manoj Sarvaya** for their help during sanctuary permission procedures.*

*Finally nothing is complete if I am unable to express gratitude to my parents **Mr. Chhatrasinh A. Solanki**, my father and **Mrs. Tejuben C. Solanki**, my mother; **Ms. Pratima Solanki** and **Mr. Devendra Solanki**, my sister and brother for their continuous support throughout all the stages of my work, in the field as well as laboratory work. Their critical but constructive comments and encouragement have made this work possible.*

*Though the list is long, but it will not be possible to name each and every people who molded the situations in my favor and helped me to complete this work. Here, I thank one and all of them with my fine sense of respect and gratitude.*

Reshma Ben C. Solanki
