

# TABLE OF CONTENTS

|                                                                                 |           |
|---------------------------------------------------------------------------------|-----------|
| <b>1. Introduction .....</b>                                                    | <b>18</b> |
| 1.1 Prior research work in Lepidopterology .....                                | 19        |
| 1.2 Butterfly Diversity in Indian Sub-continent .....                           | 20        |
| 1.3 How diverse habitats will affect Rhopaloceran existence? .....              | 22        |
| 1.4 How climatic factors will influence distribution of Rhopalocerans?<br>..... | 26        |
| 1.5 Life cycle of a butterfly.....                                              | 28        |
| 1.6 Rhopaloceran Study in Gujarat: THEN and NOW.....                            | 39        |
| 1.7 Aim and Objectives.....                                                     | 41        |
| <b>2. Materials and Methods .....</b>                                           | <b>43</b> |
| 2.1 State of Gujarat- An Overview .....                                         | 43        |
| 2.2 Study Area.....                                                             | 44        |
| 2.2.1 Urban Residentials.....                                                   | 46        |
| 2.2.2 Agricultural Landscape.....                                               | 47        |
| 2.2.3 Industrial Vicinity .....                                                 | 52        |
| 2.2.4 Botanical Garden .....                                                    | 55        |
| 2.2.5 Hill Station.....                                                         | 55        |
| 2.3 Sampling Protocol.....                                                      | 59        |
| 2.3.1 Pollard- Walk Method .....                                                | 59        |
| 2.4 Collection of Data .....                                                    | 59        |
| 2.4.1 Rendering Habitat Preferences .....                                       | 60        |
| 2.4.2 Rendering Seasonal Variations.....                                        | 65        |

|                   |                                                     |            |
|-------------------|-----------------------------------------------------|------------|
| 2.4.3             | Photographing Butterflies .....                     | 65         |
| 2.5               | Taxonomical Identification of Rhopalocerans.....    | 66         |
| 2.6               | Statistical Analysis of Species Diversity .....     | 66         |
| <b>3.</b>         | <b>Results and Discussion .....</b>                 | <b>69</b>  |
| 3.1               | Species Diversity.....                              | 70         |
| 3.2               | Habitat Preference .....                            | 112        |
| 3.2.1             | Urban Residential .....                             | 113        |
| 3.2.2             | Agricultural Landscapes .....                       | 118        |
| 3.2.3             | Industrial Vicinity .....                           | 122        |
| 3.2.4             | Botanical Garden .....                              | 124        |
| 3.2.5             | Hill Station.....                                   | 128        |
| 3.3               | Impact of Seasonal Variations .....                 | 134        |
| 3.3.1             | Urban Residential .....                             | 134        |
| 3.3.2             | Agricultural Landscape.....                         | 136        |
| 3.3.3             | Industrial Vicinity .....                           | 138        |
| 3.3.4             | Botanical Garden .....                              | 140        |
| 3.3.5             | Hill Station.....                                   | 142        |
| <b>4.</b>         | <b>Conclusion &amp; Critical Findings .....</b>     | <b>147</b> |
| <b>5.</b>         | <b>Recommendations &amp; Future Prospects .....</b> | <b>151</b> |
| <b>6.</b>         | <b>Bibliography.....</b>                            | <b>155</b> |
| <b>APPENDICES</b> | <b>.....</b>                                        | <b>164</b> |
