

PREFACE

The subject **"A Socio-Legal Study Relating to Promotion of Educational and Economic Interests of Scheduled Castes, Scheduled Tribes and Other Weaker Sections"**

has been chosen after a great deal of thought and deliberation. Now-a-days, the incidences of atrocities on the Scheduled Castes, Scheduled Tribes and Other Weaker Sections are increasing. The issue of promotion of Economic and Educational Interest of Scheduled Castes, Scheduled Tribes and Other Weaker Sections have remained a subject matter of public debate from the independents of India. The Constitution of India has passed certain legislations relating to Scheduled Caste, Scheduled Tribes and Other Weaker Sections for the protection of above classes of people but still they are backward. Since last 60 years the High Courts and Supreme Court have been delivering judgements in regard to Reservation policy and that made the subject debatable. By this work, an attempt has been made to focus and deliberate on this issue.
