

## ACKNOWLEDGEMENT

Degree of Doctor of Philosophy is a landmark in one's Academic career and this effort needs the help and cooperation from many. Acknowledgement is recognized word and a medium of expressing one's feelings.

I am greatly indebted to my guide Prof. (Dr.) Syed Maswood, without whose able guidance and support this work could have never seen the light of the day. Prof. (Dr.) Syed Maswood, is a down the earth person who is an Academician to the core. He is Master of his subject and an extremely meticulous person who has a keen eye for perfection. Despite of his strict schedule, he always squeezed time for sorting out my difficulties. The moments when I used to get stuck up with the subject matter and couldn't find the way ahead, the only thing I had to do was to approach him for guidance. During the research period his presence made all the difference. He was a constant source of inspiration. I must sincerely confes that it was because of the strict deadlines laid down by him, this work could be completed in time.

I am also indebted to my parents, my brother and my wife who patiently supported and co-operated me.

Prof. (Dr.) S. N. Parikh and Dr. Ghansham Solanki, deserves special mention for giving me the most needed unquestionable time and unconditional support.
