

Track list of Music recording attached in the CD for thesis:

Here is the list of tracks and its details, included in the DVD attached with the thesis. Though the quality of recordings is not of high standard, it certainly has an academic and archival value. Hence the quality of recordings may be ignored. On the basis of these recordings, certain analysis and observations are made by the researcher in the thesis. However the major part of thesis is based on the large repertoire of Agra gharana music and its recordings, possessed by the researcher. The separate list of which is also included.
