

LIST OF TABLES

TABLE NO.		PAGE
1.	Table showing the Total Responses obtained from each University	..121
2.	Table showing Whether the Innovation is implemented at the Faculty Level or at the Whole University Level	..126
3.	Table showing the Availability of Resources in each University	..129
4.	Table showing the Universities and their Adoption Stages	..131
5.	Table showing the Division of Responses Indicating whether the Innovation is being successfully implemented or not.	..145
6.	Table showing the Total Responses obtained from each University	..151
7.	Table showing whether the Innovation is implemented at the Faculty Level or at the whole University Level	..154
8.	Table showing the Availability of Resources in each University	..157
9.	Table showing the Universities and Their adoption Stages	..159
10.	Table showing the Division of Responses indicating Whether the Innovation is being Successfully implemented or not	..167
11.	Table showing the Total Responses obtained from each University	..172
12.	Table showing Whether the Innovation is implemented at the Faculty Level or at the Whole University Level	..174
13.	Table showing the Availability of Resources in each University	..177
14.	Table showing the Universities and Their adoption Stages	..179
15.	Table showing the Division of Responses indicating whether the Innovation is being Successfully implemented or not	..190

TABLE NO.	PAGE
16. Table showing the Total Responses obtained from each University	..194
17. Table showing whether the Innovation is implemented at the Faculty Level or at the Whole University Level	..196
18. Table showing the Availability of Resources in each University	..199
19. Table showing the Universities and their adoption Stages	..201
20. Table showing the Division of Responses indicating Whether the Innovation is being Successfully implemented or not	..207
21. Table showing the Total Responses obtained through the (I) Case Studies and (II) the Questionnaire from each University	..213
22. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies and Questionnaire Data in Andhra University	..215
23. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies and Questionnaire Data in Nagarjuna University	..220
24. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies and Questionnaire Data in Osmania University	..225
25. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies in Questionnaire Data in Kakatiya University	..229
26. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies and Questionnaire Data in Sri Venkateswara University	..233
27. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and Questionnaire Data in the Autonomous Post-graduate Centre	..237

TABLE NO.	PAGE
28. Table showing the Total Responses obtained through the Case Studies (Part I) and the Questionnaire (Part II) from Each University	..242
29. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies and Questionnaire Data in Andhra University	..244
30. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies and Questionnaire Data in Nagarjuna University	..248
31. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in Kakatiya University	..252
32. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in the Autonomous Post-graduate Centre	..256
33. Table showing the Total Responses obtained through the Case Studies (Part I) and the Questionnaire (Part II) from each University	..260
34. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by Case Studies and Questionnaire Data in Nagarjuna University	..262
35. Table showing the Factors affecting Failure and Success in Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in Osmania University	..266
36. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in Kakatiya University	..270
37. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in Sri Venkateswara University	..274
38. Table Showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in the Autonomous Post-graduate Centre	..278

TABLE NO.	PAGE
39. Table showing the Total Responses obtained through the Case Studies (Part I) and the Questionnaire (Part II) from each University..	282
40. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in Andhra University ..	284
41. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in Osmania University ..	288
42. Table showing the Factors affecting Failure and Success in the Implementation of the Innovation as revealed by the Case Studies and the Questionnaire Data in Sri Venkateswara University ..	291
43. Table showing the Total Number of Statements from Part B of the Questionnaire and the Percentage of the Responses obtained from all the Categories of Respondents from each University ..	296
44. Table showing the total Number of Statements from Part C of the Questionnaire and the Percentage of Responses obtained from all the Categories of Respondents from Each University ..	302
45. Table showing the Universities and to What extent the Innovation of Internal Assessment is Successfully Implemented and the Factors working Favourably or Unfavourably for its Continuation ..	312
46. Table showing the Universities and to what extent the Innovation of Semester System is Successfully implemented and the Factors working Favourably or Unfavourably for its Continuation ..	317
47. Table showing the Universities and to What extent the Innovation of M.Phil Course is successfully Implemented and the Factors Working Favourably or Unfavourably for Its Continuation ..	321

48. Table showing the Universities and to What extent the Innovation of Correspondence Course is Successfully implemented and the Factors Working Favourably or Unfavourably for its Continuation.	324
