ACKNOWLEDGEMENTS

I want to express my gratitude to all the people who all the supported me during the whole process to finish my thesis.

- ➢ First, I would like to express my Sincere gratitude to **Prof.(Dr.)Parimal H.Vyas,** my Research Guide for his Continuous Support and encouragement through out the process. I am really thankful for his patience as a research advisor, enthusiasm that motivated me, and promptness while reviewing all my writing. Without his support task of accomplishing Ph.d would not have been possible.

- ➢ I thank Shri Mayank Bhatt, Lecturer in Statistics, S. P. University. Vidyanagar, who helped me in applying statistical tools.

- ➢ I would especially like to thank my former colleague & dear friend Mr.Prashant Amin who helped me in statistical data analysis and his assistance that he always showed me in throughout the process.

- ➢ I want to thank Prof.Trupti almola MBA Department, VNSGU Bharuch for her professional advice.

- ➢ I would like to thank Dr.Madhusudan Pandya, Lecturer at M.S.University for his support and concern.

- ➢ I would like to thank to all the staff members of Hansa Mehata Library, M.S.Universtiy Baroda and Staff members of IIM Ahmedabad library.I also thank to all respondents who provided me necessary information.

- ➢ Most importantly, I would like to thank my family. Their devoted love and supports made this work possible. To my parents, sister and brother, I am grateful for their love and support that they always showed me.

- ➢ Last but never least I thank the almighty who has always been with me for all my llife whose blessing kept me motivated throughout the journey.
