

List of Tables

Details of Table	Page No.
Table 1.1: World Wide Existing Retailing Formats	14
Table 1.2: Key Players in the World of Retail	15
Table 1.3 : Percentage of Organized and Traditional Retailing Globally - 2010	17
Table 1.4: Most active emerging retail Markets	19
Table 1.5 : Existing Retailing Formats in India	26
Table 1.6 : Few Existing Retailers in India	30
Table 2.1 : The Evolution of Own Brands (Private Labels)	42
Table 2.2: Private label Penetration (%) & Sales growth (%)	47
Table 2.3 Private Labels with Indian Retailers	52
Table 2.4 : Indian Retailer's depth of private labelling	53
Table 3.1 : Overview of Research work carried out on Private Labels / Store Brands in decadal format	77
Table 6.1 : Population of Major Cities of Gujarat State	176
Table 6.2 : Interpretation of Respondent's Attitude with Respect to Mean Calculated for Corresponding Belief Towards Different Attributes Associated	179
Table 7.1 : The demographic profile of respondents	186
Table 7.2 : Cronbach's Alpha - Composite for all selected cities	195
Table 7.3 : Cronbach's Alpha – Ahmedabad City	196
Table 7.4 : Cronbach's Alpha – Surat City	197
Table 7.5 : Cronbach's Alpha – Vadodara City	198
Table 7.6 : Cronbach's Alpha – Rajkot City	199
Table 7.7: Comparative Analysis of (Means) Attitude Towards NBs vs. PLs Across Different Categories and Attributes	257
Table 7.8 : Comparative Analysis of (Means) Attitude Towards NBs vs. PLs Across Different Categories and Attribute in Ahmedabad City.	258
Table 7.9 : Comparative Analysis of (Means) Attitude Towards NBs vs. PLs Across Different Categories and Attribute in Surat City	259
Table 7.10: Comparative Analysis of (Means) Attitude Towards NBs vs. PLs Across Different Categories and Attribute in Vadodara City	260
Table 7.11: Comparative Analysis of (Means) Attitude Towards NBs vs. PLs Across Different Categories and Attributes in Rajkot City	261
Table 7.12 : Overall Mean Rank Analysis of Attitudes Towards NBs vs. PLs Across Different Attributes and Product Categories	262
Table 7.13 : Mean Rank Analysis of Attitudes Towards NBs vs. PLs Across Different Attributes	264

and Product Categories for Ahmedabad City	
Table 7.14 : Mean Rank Analysis of Attitudes Towards NBs vs. PLs Across Different Attributes and Product Categories for Surat City	266
Table 7.15 : Mean Rank Analysis of Attitudes Towards NBs vs. PLs Across Different Attributes and Product Categories for Vadodara City	268
Table 7.16 : Mean Rank Analysis of Attitudes Towards NBs vs. PLs Across Different Attributes and Product Categories for Rajkot City	270
Table 7.17: Mean Rank Analysis of Attitudes Towards NBs and PLs Consumer Durables Across Attributes and Selected Cities	272
Table 7.18: Mean Rank Analysis of Attitudes Towards NBs and PLs Personal Care Products Across Attributes and Selected Cities	274
Table 7.19: Mean Rank Analysis of Attitudes Towards NBs and PLs Home Care Products Across Attributes and Selected Cities	276
Table 7.20.a : Effect of respondents Gender on attitude towards PLs (ANOVA) - Ahmedabad	280
Table 7.20.b : Effect of respondents Gender on attitude towards PLs (Descriptive) - Ahmedabad	281
Table 7.21.a : Effect of respondents Gender on attitude towards PLs (ANOVA) – Surat	282
Table 7.21.b : Effect of respondents Gender on attitude towards PLs (Descriptive) - Surat	283
Table 7.22.a : Effect of respondents Gender on attitude towards PLs (ANOVA) - Rajkot	284
Table 7.22.b : Effect of respondents Gender on attitude towards PLs (Descriptive) - Rajkot	284
Table 7.23.a : Effect on respondents attitude towards PLs with respect to Age Group (ANOVA) - Vadodara	287
Table 7.23.b : Effect on respondents attitude towards PLs with respect to Age Group (Descriptive)	288
Table 7.23.c : Effect on respondents attitude towards PLs with respect to Age Group(Multiple Comparisons - LSD) - Vadodara	289
Table 7.24.a : Effect on respondents attitude towards PLs with respect to Age Group (ANOVA) - Rajkot	290
Table 7.24.b : Effect on respondents attitude towards PLs with respect to Age Group (Descriptive) - Rajkot	290
Table 7.24.c : Effect on respondents attitude towards PLs with respect to Age Group(Multiple Comparisons - LSD) - Rajkot	290
Table 7.25.a : Effect on respondents attitude towards PLs with respect to Monthly Household Income (ANOVA) - Ahmedabad	292
Table 7.25.b : Effect on respondents attitude towards PLs with respect to Monthly Household Income (Descriptive) - Ahmedabad	293
Table 7.25.c : Effect on respondents attitude towards PLs with respect to Monthly Household Income (Multiple Comparisons - LSD) - Ahmedabad	294
Table 7.26.a : Effect on respondents attitude towards PLs with respect to Monthly Household Income (ANOVA) - Surat	295
Table 7.26.b : Effect on respondents attitude towards PLs with respect to Monthly Household	296

Income (Descriptive) - Surat	
Table 7.26.c : Effect on respondents attitude towards PLs with respect to Monthly Household Income (Multiple Comparisons - LSD) - Surat	296
Table 7.27.a : Effect on respondents attitude towards PLs with respect to Monthly Household Income (ANOVA) - Vadodara	297
Table 7.27.b : Effect on respondents attitude towards PLs with respect to Monthly Household Income (Descriptive) - Vadodara	297
Table 7.27.c : Effect on respondents attitude towards PLs with respect to Monthly Household Income (Multiple Comparisons - LSD) - Vadodara	298
Table 7.28.a : Effect on respondents attitude towards PLs with respect to Monthly Household Income (ANOVA) - Rajkot	299
Table 7.28.b : Effect on respondents attitude towards PLs with respect to Monthly Household Income (Descriptive) - Rajkot	299
Table 7.28.c : Effect on respondents attitude towards PLs with respect to Monthly Household Income (Multiple Comparisons - LSD) - Rajkot	299
Table 7.29.a : Effect on respondents attitude towards PLs with respect to Type of Family (ANOVA) - Ahmedabad	301
7.29. b. : Effect on respondents attitude towards PLs with respect to Type of Family (Descriptive) - Ahmedabad	301
7.30.a : Effect on respondents attitude towards PLs with respect to Type of Family (ANOVA) – Surat	302
7.30. b : Effect on respondents attitude towards PLs with respect to Type of Family (Descriptive) - Surat	302
7.31.a : Effect on respondents attitude towards PLs with respect to Type of Family (ANOVA) - Vadodara	302
7.31.b : Effect on respondents attitude towards PLs with respect to Type of Family (Descriptive) - Vadodara	303
7.32. a : Effect on respondents attitude towards PLs with respect to Type of Family (ANOVA) – Rajkot	303
7.32. b : Effect on respondents attitude towards PLs with respect to Type of Family (Descriptive) - Rajkot	304
Table 7.33.a : Effect on respondents attitude towards PLs with respect to Occupation (ANOVA) - Ahmedabad	306
Table 7.33.b : Effect on respondents attitude towards PLs with respect to Occupation (Descriptive) - Ahmedabad	307
Table 7.33.c : Effect on respondents attitude towards PLs with respect to Occupation (Multiple Comparisons - LSD) - Ahmedabad	308
Table 7.34.a : Effect on respondents attitude towards PLs with respect to Occupation (ANOVA) - Surat	309
Table 7.34.b : Effect on respondents attitude towards PLs with respect to Occupation	310

(Descriptive) - Surat	
Table 7.34.c : Effect on respondents attitude towards PLs with respect to Occupation (Multiple Comparisons - LSD) - Surat	310
Table 7.35.a : Effect on respondents attitude towards PLs with respect to Occupation (ANOVA) - Vadodara	311
Table 7.35.b : Effect on respondents attitude towards PLs with respect to Occupation (Descriptive) - Vadodara	312
Table 7.35.c : Effect on respondents attitude towards PLs with respect to Occupation (Multiple Comparisons - LSD) - Vadodara	313
Table 7.36.a : Effect on respondents attitude towards PLs with respect to Occupation (ANOVA) - Rajkot	314
Table 7.36.b : Effect on respondents attitude towards PLs with respect to Occupation (Descriptive) - Rajkot	315
Table 7.36.c : Effect on respondents attitude towards PLs with respect to Occupation (Multiple Comparisons - LSD) - Rajkot	316
7.37. a : Effect on respondents attitude towards PLs with respect to Marital Status (ANOVA) - Ahmedabad	316
7.37.b : Effect on respondents attitude towards PLs with respect to Marital Status (Descriptive) - Ahmedabad	317
7.38. a : Effect on respondents attitude towards PLs with respect to Marital Status (ANOVA) - Vadodara	318
7.38. b : Effect on respondents attitude towards PLs with respect to Marital Status (Descriptive) - Vadodara	318
7.39.a : Effect on respondents attitude towards PLs with respect to Marital Status (ANOVA) - Rajkot	319
7.39.b : Effect on respondents attitude towards PLs with respect to Marital Status (Descriptive) - Rajkot	320
Table 7.40.a : Effect on respondents attitude towards PLs with respect to Shopping Frequency (ANOVA) - Ahmedabad	321
Table 7.40.b : Effect on respondents attitude towards PLs with respect to Shopping Frequency (Descriptive) - Ahmedabad	322
Table 7.40.c : Effect on respondents attitude towards PLs with respect to Shopping Frequency (Multiple Comparisons - LSD) - Ahmedabad	322
Table 7.41.a : Effect on respondents attitude towards PLs with respect to Shopping Frequency (ANOVA) - Vadodara	323
Table 7.41.b : Effect on respondents attitude towards PLs with respect to Shopping Frequency (Descriptive) - Vadodara	324
Table 7.41.c : Effect on respondents attitude towards PLs with respect to Shopping Frequency (Multiple Comparisons - LSD) - Vadodara	324
