

CHAPTER VII

USEFULNESS OF THE STUDY

This study would be useful to the Home Scientists particularly those specializing in Clothing and Textiles. Such information provides them the knowledge of historic costume, dress design.

This study would also be useful to the costume designers for stage, drama, cinema and T.V.

The modern designer will also be benefitted, ^{would} it interest them in bringing about variety in dress and design to give a look matching to the fashion in vogue and demand.

This study will also help in creating awareness in the general public about their sartorial heritage which is always related to the cultural development of a society. It would also be beneficial to the young generation to know about the traditional costumes, who owe major responsibility to preserve their cultural heritage.

This study is expected to be a source of information to the museum curators and librarians.
