ACKNOWLEDGEMENTS	ii
1 INTRODUCTION	1
1.1 Importance of Research in Home Science ..	4
1.2 Realisation of Importance of Research at Central Level	7
1.3 Causes of Meagre Research	8
1.4 Need for the Study	11
1.5 Scope of the Study	12
1.6 Research Dissemination and Utilisation . .	16
1.7 Agricultural Education and Agricultural Universities in India	18
1.7.1 Agricultural Education Before Pre-indepen- dence (1906 - 1947)	18
1.7.2 Origin of Land-Grant Colleges in the U.S.A.	19
1.7.3 Agricultural Universities in India . . .	20
1.7.4 Academic Units of An Agricultural University	23
1.7.5 College of Home Science in an Agricultu- ral University	25
1.7.6 Contribution of Agricultural Universities	27
1.7.7 Conclusion	29
1.8 The Description of the Present Study . . .	30
1.8.1 Specific Objectives of the Study	31
1.8.2 Assumptions	32
1.8.3 Hypotheses	33
1.8.4 Operational Definitions.	34
1.8.5 Limitations of the Study	35

2	REVIEW OF CONCEPTUAL AND EMPIRICAL FOUNDATIONS OF THE STUDY	36
2.1	Review of Conceptual Foundations of the Study	37
2.1.1	Educational Foundations.	37
2.1.2	Psychological Foundations.	38
2.1.3	Sociological Foundations	44
2.2	Review of Empirical Foundations of the Study	48
2.2.1	Review of Studies Regarding Factors Hindering/Accelerating the Research Output of Teachers	48
2.2.2	Review of Studies Regarding Attitudes Toward Research	59
2.3	A Resume of Related Research Studies	61
3	METHODOLOGY	65
3.1	Determination of Population and Sample	66
3.2	Research Instrument for Data Collection.	71
3.3	Validity of the Questionnaire	77
3.4	Pre-testing	78
3.4.1	Item Analysis	79
3.4.2	Reliability of the Attitude Scale.	82
3.4.3	Scoring	84
3.5	Collection of Data	85
3.6	Analysis of Data	89
4	FINDINGS AND DISCUSSION	91
4.1	Description of the Sample of Teachers of Agricultural Universities of India	92
4.2	Problems of Teachers in Conducting Research.	96
4.2.1	Intensity of the Problems	97
4.2.2	Significant Differences in the Problems of the Teachers according to Their Personal Characteristics	110

	Page
4.2.3 Significant Correlations of Problems with Personal Characteristics of the Teachers . .	121
4.2.4 Interrelationships among Various Areas of Problems related to Research	126
4.2.5 Supplementary Information provided by the Teachers regarding Problems in Doing Research	130
4.2.6 An Overall View of the Problems faced by the Teachers in Conducting Research	134
Conclusion	139
4.3 Attitudes Toward Research	143
4.3.1 Frequency and Percentage Distribution of Teachers in 3 Categories of Attitudes	143
4.3.1.1 Highly Favourable Attitudes of Teachers Toward Different Aspects of Research According to Their Personal Characteristics	154
4.3.2 Mean Scores and Differences in Attitudes of Teachers Toward Research According to Their Personal Characteristics	159
4.3.3 Significant Correlations among Attitudes and Personal Characteristics of Teachers	167
4.3.4 Interrelationship Among Different Aspects of Attitudes Toward Research	171
Conclusion	174
4.4 Research Output of the Teachers	176
4.4.1 Significant Differences of Research Output of the Teachers Due to Their Personal Characteristics	178
4.4.2 Significant Correlations among Research Output of the Teachers and Their Personal Characte- ristics	186
4.4.3 Significant Differences and Correlations of the Literature Produced by the Teachers according to Their Personal Characteristics .	190
4.4.3.1 Significant Differences in the Literature produced by the Teachers according to Their Personal Characteristics	191

	Page
4.4.3.2 Significant Correlations Between Literature Produced and Personal Characteristics of the Teachers	193
4.4.4 Interrelationships among Various Aspects of Research Output	196
4.4.5 A General View of Research Output of Agricultural Universities of India	197
4.4.5.1 Literature Produced	202
Conclusion	209
4.5 Interrelationships among Problems, Attitudes and Output Related to Research and Their Implications	211
5. SUMMARY AND RECOMMENDATIONS	217
BIBLIOGRAPHY	230
APPENDICES	240
1 Letters to the Deans/Principals of Colleges of Agricultural Universities for Teachers' Lists of Their Colleges	240
2 Letters to Vice-Chancellors of Agricultural Universities to seek Permission to Collect Data from the Teachers of Their Universities..	241
3 Research Tool of the Study	242
4 Reminder	256
5 Reminder - II	257
6 Request Letters to Deans/Principals of the Colleges to enhance Teachers' Response to the Questionnaire	258
7 Colleges of Agricultural Universities represented in the Sample	259
8 Mean Scores of Personal Problems of Teachers according to Their Personal Characteristics...	264
9 Mean Scores of Problems regarding Lack of Time of Teachers according to their Personal Characteristics	266

10	Mean Scores of Problems of Lack of Library Facilities of Teachers according to Their Characteristics	267
11	Mean Scores of Problems of Laboratory Facilities of Teachers according to Their Personal Characteristics	269
12	Mean Scores of Problems Regarding Transport Facilities of Teachers according to Their Personal Characteristics. .	271
13	Mean Scores of Human-Relation Problems of Teachers according to Their Personal Characteristics	272
14	Mean Scores of Problems due to Administrative Duties of Teachers who were Either Heads/Incharges of Departments...	273
15	Differences on the Basis of Chi-square Values of the Problems of Teachers according to Their Personal Characteristics.	274
16	Correlations with 333 Degrees of Freedom Between Problems and Characteristics of Teachers	275
17	Frequency and Percentage Distribution of Teachers according to Their Degree of Favourableness of Attitudes Toward Different Aspects of Research, Due to Their Personal Characteristics	276
18	Differences (on the Basis of Chi-square Values) in the Attitudes of Teachers according to Their Characteristics.	280
19	Correlations with 333 Degrees of Freedom Between Attitudes and Characteristics of Teachers	281
20	Differences (on the Basis of Chi-square Values) in Production of Research and Literature by Teachers according to their Characteristics.	281
21.	Correlations with 333 Degrees of Freedom Between Research Output and Literature Output of Teachers according to Their Personal Characteristics.	281
