

LIST OF TABLES

No.		Page
1.	Yield of Wheat	28
2.	Summary of Studies of Attitudes related/not related to Overt Behaviour	43
3.	Summary of the Reviewed Studies regarding Factors Hindering/Accelerating the Research Output of Teachers and Teachers' Attitudes Toward Research	63
4.	Colleges of Agricultural Universities to whom Letters were sent for Names of Teachers and the Colleges responded to the Letters	68
5.	Population and Sample of Teachers from Agricultural Universities excluding Colleges of Home Science	70
6.	Population and Sample of Teachers from Colleges of Home Science affiliated to Agricultural Universities.	72
7.	Grand Total of Population and Sample of Teachers	73
8.	Number of Positive and Negative Items under the 4 Parts of the Attitude Scale	83
9.	Universitywise and College of Home Science-wise Return of Questionnaires.	88
10.	Statistics used for Analysis of Data	90
11.	Description of Teachers' Age, Year of Receiving the Last Degree, Teaching Experience, Academic Qualifications and Professional Status.	94
12.	Description of Teachers according to Their Marital Status, Sex, Area of Specialisation, College and Place of Residence	95
13.	Significant Differences in Problems of Teachers according to their Characteristics	112
14.	Significant Correlations in the Problems of Teachers according to Their Characteristics . . .	123
15.	Correlations among Different Areas of Problems of Teachers. .in doing Research.	127

No.		Page
16.	Frequency and Percentage Distribution of Teachers who provided Supplementary Information Regarding Problems in Doing Research	132
17.	Overall Mean Scores of Problems of Teachers Related to Research of Agricultural Universities of India	136
18.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Colleges	145
19.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Their Age	147
20.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Their Marital Status	148
21.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Their Academic Qualifications	150
22.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Their Sex	150
23.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Their Professional Status	152
24.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Their Teaching Experience	152
25.	Frequency and Percentage Distribution of Teachers on Attitudes Toward Research according to Their Place of Residence	152
26.	Frequency and Percentage Distribution of Teachers in Majority Having 'Highly Favourable' Attitudes Toward Different Aspects of Research according to Their Personal Characteristics	155
27.	Mean Scores of Attitudes Toward Research of the Teachers according to Their Characteristics	160

NO.	Page
28. Significant Differences in the Attitudes of Teachers toward Research According to Their Characteristics	162
29. Significant Correlations in the Attitudes of Teachers Toward Research According to Their Characteristics.	169
30. Interrelationships among Different Aspects of Attitudes Toward Research	173
31. Significant Differences in Research Output of Teachers according to Their Personal Characteristics.	180
32. Frequency and Percentage Distribution of Dissertations guided and examined by the Teachers according to Their College	181
33. Frequency and Percentage Distribution of Dissertations guided and examined by the Teachers according to their Academic Qualifications	183
34. Frequency and Percentage Distribution of Dissertations guided and examined by the Teachers according to Their Sex.	185
35. Significant Correlation among Research Output of Teachers and Their Personal Characteristics.	187
36. Frequency and Percentage Distribution of Literature produced by the Teachers according to Their Colleges	192
37. Significant Correlations among Literature Produced by the Teachers and Their Personal Characteristics	194
38. Correlations among Various Aspects of Research Output of Teachers.	196
39. Pattern of Research Output of Teachers of Agricultural Universities of India	198

No.		Page
40.	Total Research Output of Colleges Represented in the Study.	200
41.	Frequency and Percentage Distribution of Aspects of Research Output and Percentage of Total Research Output of Different Colleges..	203
42.	Pattern of Literature produced by the Teachers of Agricultural Universities of India.	205
43.	Total Literature Produced by Colleges represented in the Study	206
44.	Frequency and Percentage Distribution of Aspects of Literature Produced and Percentage of Total Literature produced of Different Colleges	207
45.	Significant Correlations among Problems in doing Research and Aspects of Research Output	211
46.	Significant Correlations among Problems and Attitudes of the Teachers Toward Research ...	213
47.	Correlations among Research Output and Attitudes of Teachers Toward Research	214
