

LIST OF FIGURES

Fig. No.	Title	Page No.
1.	Types of Marbles as per BIS Classification	18
2.	Other Types of Marbles available in Rajasthan	19
3.	Processing of Marble	23
4.	The Schematic framework showing the Hypothetical Relationship between the Variables considered for the present study is as follows:	64
5.	Sampling and Selection Procedures	69
6.	Distribution of Respondents according to their Age (in years)	93
7.	Distribution of Respondents according to their Educational Qualification	94
8.	Distribution of Respondents according to their total Working Experience (in years)	95
9.	Distribution of Respondents according to their Working Experience in the present Industry	96
10.	Distribution of Respondents according to their Handedness	97
11.	Distribution of Respondents according to the feeling of Physical Wellness as perceived by them	98
12.	Dimensions of the Workstation	104
13.	Distribution of Respondents according to the Postural Discomfort	138
14.	Distribution of the Marble Industries According to their Presence of Light	142
15.	Distribution of Respondents according to their Perceived Comfort Level of Light at the Workplace	143
16.	Distribution of Respondents according to their Preference of Light at the Workplace	144
17.	Distribution of the Marble Industries according to their Noise Level	145
18.	Distribution of Industry according to their Presence of Humidity	147
19.	Distribution of the Marble Industries according to their Existing Temperature	148
20.	Marked points at which the Vibration was measured on the Marble Cutting Workstation	149
21.	Distribution of Respondents according to the Physiological Cost of Work	155
