

## LIST OF PLATES

<b>S.No.</b>	<b>Title</b>	<b>Page No.</b>
1.	Digital Thermo Hygrometer	73
2.	Digital Noise Meter	73
3.	Digital Lux Meter	74
4.	Vibrometer	75
5.	Digital Heart Rate Monitor	76
6.	Ear plugs provided by the researcher to the workers for Intervention Programme	89
7.	Safety Shoes provided by the researcher to the workers for Intervention Programme	89
8.	Safety gloves provided by the researcher to the workers for Intervention Programme	90
9.	Recording anthropometry measurements with the non-stretchable	101
10.	Recording anthropometry measurements with the non-stretchable	101
11.	Posture of the respondent placing the marble slab for cutting on the Marble Cutting Workstation	139
12.	Posture of the Respondent while cutting the Marble on the Marble Cutting Workstation	139
13.	Interviewing the Respondents regarding the preference and Comfort Level of Light	152
14.	Recording vibration measurements with the aid of Vibrometer	152
15.	Poster regarding Guidelines for using safety gloves by the workers in English	168
16.	Poster regarding Guidelines for using safety boots by the workers in English	169
17.	Poster regarding Guidelines for using ear plugs by the workers in English	170
18.	Poster regarding Guidelines for Maintaining proper Posture in English	171
19.	Poster regarding Guidelines for using Safety Gloves in Hindi	174
20.	Poster regarding Guidelines for using Safety Shoes in Hindi	175
21.	Poster regarding guidelines for using Ear plugs by Workers in Hindi	177
22.	Poster regarding guidelines for using ear plugs displayed near the marble cutting workstation at the Marble Industry	178
23.	Poster regarding guidelines for wearing safety gloves near the marble cutting workstation at the Marble Industry	178
24.	Poster regarding safety shoes displayed near the marble cutting workstation at the Marble Industry	179

<b>25.</b>	Respondents reading the displayed posters on guidelines for wearing ear plugs at the Marble Industry	179
<b>26.</b>	Polythene used for protecting the feet from marble slurry	180
<b>27.</b>	Worker starting the machine for cutting the marble slab into tiles while wearing the Protective Aids	180
<b>28.</b>	Worker cleaning the marble slab before cutting it into tiles while wearing the Protective Aids	181
<b>29.</b>	Poster regarding Guidelines for Maintaining Proper Posture in Hindi	184
<b>30.</b>	Poster regarding maintaining proper posture displayed at near the storage of the Marble Slabs in the Marble Industry	185
<b>31.</b>	Respondents reading the guidelines for maintaining the proper posture displayed at the Marble Industry	185
<b>32.</b>	Respondent using legs to lift the marble tiles	186
<b>33.</b>	Worker lifting the marble tiles as per the perceived body's capacity	186
<b>34.</b>	Workers lifting the marble slab for cutting into marble tiles while wearing protective aids	187
<b>35.</b>	Workers lifting the marble slab with a secure grip while wearing protective aids	187
