

LIST OF TABLES

Table No	Title	Page
1	Distribution of Women Beneficiaries by Marital Status	91
2	Distribution of Women Beneficiaries' Family Head's by Age.	93
3	Distribution of Women Beneficiaries by Years of Married Life	94
4	Distribution of Women Beneficiaries and Family Heads by Education Level	95
5	Distribution of Women Beneficiaries by Family Size during Post Assistant Period	96
6	Distribution of Women Beneficiaries by Family Land holding	97
7	Distribution of Women Beneficiaries by Family's Main Occupation During Pre and Post Financial Assistance Period	98
8	Distribution of Women Beneficiaries by Caste	99
9	Distribution of Women Beneficiaries by Possession of Goods	100
10	Distribution of Women Beneficiaries by Type of House	101
11	Distribution of Women Beneficiaries by Family's Socio-politico Participation	102
12	Distribution of Women beneficiaries by Family's Socio-economic Status Members	103
13	Distribution of Women Beneficiaries by Their Main Occupation During Pre and Post Financial Assistance Period	104
14	Distribution of Women Beneficiaries by Annual Family Income During Pre and Post Financial Assistance Periods	106
15	Distribution of Women Beneficiaries by Year of Award of Financial Assistance	109.a

16	Distribution of Women Beneficiaries by Mode of Releasing Financial Assistance	110
17	Distribution of Women Beneficiaries by Motivating Factors to Seek Financial Assistance under GSEUPs	111
18	Distribution of Women Beneficiaries by Motivators	113
19	Distribution of Women Beneficiaries by Sources of Information about GSEUPs	114
20	Distribution of Women beneficiaries by IGA Proposed	115
21	Distribution of Women Beneficiaries by Sector of IGA Proposed	117
22	Distribution of Women Beneficiaries by Assets / Raw Materials Proposed	118
23	Distribution of Women Beneficiaries by Factors Considered in the Selection of IGA Under GSEUPs	119
24	Distributioun of Women Beneficiaries by Amount of Loan Awarded	122
25	Distribution of Women Beneficiaries by Reasons for Not Seeking either First or Second Dose of Loan	122
26	Distribution of Women Beneficiaries by Amount of Subsidy Awarded	124
27	Distribution of Women Beneficiaries by Additional Amount Invested in IGA from Other Sources	125
28	Distribution of Women Beneficiaries by Investment Inclusive of Subsidy on IGA under GSEUPs	126
29	Distribution of Women Beneficiaries by Investment Exclusive of Subsidy on IGA under GSEUPs	128
30	Distribution of Women Beneficiaries by Status and Duration of IGA Under GSEUPs	130
31	Distribution of Women Beneficiaires by Sector of Ongoing IGAs	131

32	Distribution of Women Beneficiaries by Problems in Running IGAs under GSEUPs	133
33	Distribution of Women Beneficiaries by Expenditure on IGA under GSEUPs	137
34	Distribution of Women Beneficiaries by Annual Income from all Sources in Pre and Post Financial Assistance Period	138
35	Distribution of Women Beneficiaries by Current Annual Income from IGA under GSEUPs	141
36	Distribution of Women Beneficiaries by Profit / Loss of Ongoing IGAs under GSEUPs	142
37	Distribution of Women Beneficiaries by Utilisation of Surplus Income from IGA under GSEUPs	143
38	Distribution of Women Beneficiaries by Proportion of Income from IGA contributed to their Income	145
39	Distribution of Women Beneficiaries by Proportion of Income from IGA Contributed to Family Income	146
40	Distribution of Women Beneficiaries by Categorization by Incremental Income	148
41	Distribution of Women Beneficiaries by Change in Income in the Post Financial Assistance Period	150
42	Distribution of Women Beneficiaries by Access and Control Over Income from IGA under GSEUPs	152
43	Distribution of Women Beneficiaries by Repayment of Loan	153
44	Distribution of Women Beneficiaries by Involvement in IGAs under GSEUPs	155
45	Distribution of Women Beneficiaries by Family Commitment towards IGA under GSEUPs	156

46	Distribution of Women Beneficiaries by Attitude towards Empowerment of Women through GSEUPs	159
47	Distribution of Women Beneficiaries by Perceived Changes in Practices Related to Multiple Role Fulfilment (PCPMRF)	161
48	Distribution of Women Beneficiaries by Perceived Level by Self Esteem (PLSE)	163
49	Distribution of Women Beneficiaries by Extent of Empowerment through GSEUPs	164
50	Comparison Mean of Family Characteristics of Women Beneficiaries of IRDP in Relation to Empowerment	165
51	Comparison of Mean of Family Characteristics of Women Beneficiaries of DWCRA in Relation to Extent of Empowerment	168
52	Comparison of Mean of Family Characteristics of All Women Beneficiaries in Relation to the Extent of Empowerment	172
53	Co-efficient of Correlation for Fourteen Variables Including Extent of Empowerment of Women Beneficiaries of IRDP	174
54	Coefficient of Correlation for Fourteen Variables Including Extent of Empowerment of Women Beneficiaries of DWCRA	175
55	Coefficient of Correlation for Fourteen Variables Including Extent of Empowerment of All Women Beneficiaries	176
56	Coefficient of Correlation for Fourteen Variables Including Attributes Components of Extent of Empowerment of Women Beneficiaries of IRDP	179
57	Coefficient of Correlation for Fourteen Variables Including Attributes Components of Extent of Empowerment of Women Beneficiaries of DWCRA	180
58	Coefficient of correlation for Fourteen Variables Including Attributes Components of Extent of Empowerment of All Women Beneficiaries	181

59	Difference between Mean Scores on EoE of Women Beneficiaries through IRDP by Family Commitment	182
60	Difference between Mean Scores on EoE of Women Beneficiaries through DWCRA by Family Commitment.	183
61	Difference between Mean Scores on EoE of All Women Beneficiaries by Family Commitment	184
62	Difference between Mean Scores on EoE of Women Beneficiaries through DWCRA by Education Level	189
63	Difference between Mean Scores on EoE of Women Beneficiaries by education Level	190
64	Difference between Mean Scores on EoE of Women Beneficiaries through DWCRA by Income from IGA under DWCRA	192
65	Difference between Mean Scores on EoE of All Women Beneficiaries by Income from IGA under Selected GSEUPs in general	194
66	Difference between Mean Scores on EoE of Women Beneficiaries through DWCRA by Incremental Income	195
67	Difference between Mean Scores on AEoW of Women Beneficiaries by Incremental Income	196
68	Difference between mean Scores on EoE of Women Beneficiaries through IRDP by Extent of Involvement in IGA under IRDP	197
69	Difference between Mean Scores on EoE of Women Beneficiaries through DWCRA by Extent of Involvement in IGA under DWCRA	198
70	Difference between Mean Scores on EoE of All Women Beneficiaires by Extent of Involvement in IGA	199
71	Difference between Mean Scores on EoE of Women Beneficiaries through DWCRA by Land holding	201
72	Difference between Mean Scores on EoE of Women Beneficiaries by Land holding	201

73	Difference between Mean Scores on EoE of Women Beneficiaries through IRDP by Socio-Economic Status	202
74	Difference between Mean Scores on EoE of Women Beneficiaries through DWCRA by Socio-economic Status	203
75	Difference between Mean Scores on EoE of All women Beneficiaries by Socio-Economic Status	204
76	The Table of F- to enter and the Variables Entered in the Regression Equation in Stepwise Multiple Regression Analysis Conducted in Relation to EoE of IRDP Women Beneficiaries	206
77	The Table of F- to enter and the Variables Entered in the Regression Equation in Stepwise Multiple Regression Analysis Conducted in Relation to EoE of DWCRA Women Beneficiaries	207
78	The Table of F- to Enter and the Variables Entered in the Regression Equation in Stepwise Multiple Regression Analysis Conducted in Relation to All Women Beneficiaries	208
79	Difference between Mean Scores on EoE of Women Beneficiaries by the Specific GSEUPs, namely, IRDP and DWCRA	209
80	Difference between Mean Scores on EoE of IRDP Women Beneficiaries and Non Beneficiaries	210
81	Difference between Mean Scores on EoE of DWCRA Women Beneficiaries and Non Beneficiaries	211
82	Difference between Mean Scores on EoE of All Women Beneficiaries in General and Non Beneficiaries.	212
