

LIST OF PLATES

Plate no.	Title	Page no.
4.1.1 (a-d)	FOS incorporated <i>chapati</i> , <i>thepla</i> , <i>dhokla</i> and <i>patra</i>	129
4.2(a-f)	Steps in Determination of FOS Content in Food Samples	135
4.3.9.2	Laminar flow depicting plates inoculated with samples and media	159
4.3.9.3	Anaerobic Jar and Desiccator Placed inside Incubator with plates inoculated with fecal samples for determination of <i>Bifidobacteria</i> , <i>Lactobacilli</i> and Enteric pathogen	159
4.3.9.4	Serial dilution and sampling in the laminar flow	159
5.5.2.a	<i>Bifidobacteria</i> counts before FOS supplementation	270
5.5.2.b	<i>Bifidobacteria</i> counts after FOS supplementation	270
5.5.3.a	Lactic acid bacteria counts before FOS supplementation	271
5.5.3.b	Lactic acid bacteria counts after FOS supplementation	271
5.5.4.a	Enteric pathogen counts before FOS supplementation	272
5.5.4.b	Enteric pathogen counts after FOS supplementation	272
