

ACKNOWLEDGEMENT

Dear God, Thank you for your amazing power, thank you for your goodness, for your great love and care, for your blessings over me that has brought this special day of success to me.

I would like to express my sincere gratitude to Prof. Komal Chauhan ma'am, my mentor and thesis supervisor. It was a privilege to work with her. Her patience, trust, thoughtful suggestions and apt guidance helped me take my project to the pinnacle of success. Ma'am, I would like to thank you for recognizing my potential, believing in my abilities and encouraging me in all my research endeavors.

I am grateful to Prof. Meenakshi Mehan, HOD, for her constant encouragement and support during these years.

I convey my heartfelt gratitude to Prof. Pallavi Mehta, former HOD and Prof. Uma Iyer, honorable Dean of Faculty of Family and Community Sciences, MSU.

I would like to thank the entire teaching faculty and non-teaching staff of the Department of Foods and Nutrition for their constant support during these long years of doctoral studies.

I would also like to take this opportunity to thank Dr. Amit Patel, who guided me and helped me to organize BMD camps. I also convey my regards and gratitude to all my study subjects for being a part of my research project; the senior citizen associations and all the organizations, which permitted me and cooperated to arrange camps – Without whom this day would ever come.

In addition, I wholeheartedly thank Professor Joanna Kaluza, who always supported me in the time of need and helped me to solve all my research queries. I would also like to convey my gratitude to Shazia Sharma ma'am, who took me to the opportunity to work in the Department of Food and Nutrition, MSU.

I would enormously acknowledge the financial support received from UGC RFSMS as the Junior and Senior Research Fellowship for the entire research period.

Finally, I am indebted to my parents, Mr. Madhusudan Maity and Mrs. Laxmi Maity for being a reservoir of support and positive energy all throughout my life. Bapi and Maa, thank you for everything that you've done for me.

I am greatly thankful to my second parents as my parents-in-law Dr. Bhabendra Naskar and Mrs. Krishna Naskar for their constant encouragement and support.

I owe my deepest gratitude to the amazing person, the source of motivation, my beloved life partner Dr. Shovan Naskar for being there emotionally whenever I felt demotivated and depressed during these long years of my PhD studies.

I also would like to convey my heartfelt gratitude to my Chhoto mashi and Chhoto mesho, who took care of me during my entire course of PhD study.

Lastly, I thank all the people who in some way or the other has been a part of my life and have supported finished this doctoral work.
