

---

# ACKNOWLEDGEMENTS

---

*At the end of the journey, I would like to thank my well wishers, my friends and my family members because without them, this would not have been possible*

*First of all, I would like to express my special appreciation and thanks to my guide Dr. Vanisha S Nambiar (Associate Professor), you have been a tremendous mentor for me. I would like to thank you for encouraging my research and for allowing me to grow as a research scientist. Your advice on my research has been priceless.*

*I also sincerely express my gratitude to Prof. (Dr.) Uma Iyer, Dean, Faculty of Family and Community Sciences, The Maharaja Sayajirao University of Baroda, for providing the necessary facilities to carry out the research work.*

*I acknowledge the partial financial assistance provided by the University Grants Commission (UGC) for conducting this study.*

*I would also like to express my gratitude to the entire teaching and non teaching staff of the department of Foods and Nutrition.*

*I express my gratitude to Dr. Padmanabhi Nagar of the department of Botany, the Maharaja Sayajirao University of Baroda for identification and authentication of Aegle Marmelos (L.) Correa leaves.*

*I express my gratitude to Dr Singh Sr. Scientist Vejalpur Bael Research Station (Horticulture Research Station) Panchmahals for his support in providing the newly cultivated variety of Aegle Marmelos (L.) Correa. I wish to thank Food Testing Laboratory of the Biochemical Department of Junagadh Agriculture University for carrying out the proximate, elemental and bio-chemical analysis of wild and cultivated variety of Aegle Marmelos (L.) Correa leaf.*

*I would also like to thank my team members, Dr. Rujuta Desai, Ms. Neha Sareen, Ms. Chitrarpita Saha, Roshni and Arya for supporting me throughout the journey of research. I also want to thank you for letting my defence be an enjoyable moment, and for your brilliant comments and suggestions, thanks to you.*

*I would express a sincere thanks to B.K Ramila didi and Jaimalaben (Brahmakumaris spiritual centre, Veraval city) for their constant support, appreciation and providing their spiritual centre and infrastructure for supplementation during clinical trial.*

*I would especially like to thank physician Dr. Chag, Navjeevan Hospital, Mr. Lalani, Mr. Suresh (lab technician) of Lalani Laboratory, Veraval for supporting me during clinical trial phase of data collection for my Ph.D. thesis.*

*This thesis would not have been possible without the support of Dr. Mohamed Koya, Scientist I/C, Dr. Das, Dr. Remya along with Mr. Heerabhai of Central Marine Fish Research Institute and Central Institute of Fishing Technology Veraval, Gir Somnath for their support in carrying out serum antioxidant analysis during clinical trial.*

*My sincere thanks are also due to all the enrolled subjects who participated in this study either for clinical trial or sensory evaluation (organoleptic) for their willingness and cooperation during the study.*

*A special thanks to my family. Words cannot express how grateful I am to my mother Mrs. Pushpa Nigam, father Shri G.C. Nigam, sister Ms. Sunita Nigam, brother Mr Vikas Nigam, bhabhi Mrs Anita Nigam, brother-in law Mr S.J. Verma, mother-in-law Mrs Revati Verma, lovely daughters Ms. Siddhi Rajput, Ms. Riddhi Rajput, niece Ms. Shefali Nigam, Ms. Shreya Nigam, nephew Master Aditya Nigam for all of the sacrifices that you've made on my behalf. Your prayer for me was what sustained me thus far. I would also like to thank all of my friends who supported me in writing, and incited me to strive towards my goal.*

*At the end I would like to express appreciation to my beloved husband Shri. V.J. Rajput, Commissioner, Junagadh who spent sleepless nights with and was always my support in the moments when there was no one to answer my queries.*

*Above all I would like to thank the Almighty for his omnipresence in my good and bad phase and giving me constant strength and motivation to complete this voluminous work successfully.*

*THANK YOU ....!*

**Vinita Nigam**
