

ACKNOWLEDGEMENTS

I wish to express my thanks to all individuals who have contributed to the completion of this study.

I take this opportunity to express my deep sense of appreciation and gratitude to my guide, Dr.(Smt.) Pramila Phatak, Reader, Department of Child Development, for the guidance and critical appraisal of the study. Without her encouragement from time to time this study would not have been completed.

I am grateful to, Professor Amita Verma, Head of the Department of Child Development and Director of the research project for permission to collect the data of this study and Dr. Justina A. Singh, Dean, Faculty of Home Science, for giving all facilities and help for this study.

I especially wish to express my grateful thanks to Dr. S. W. Dharmadhikari, Professor of Statistics for being kind enough to give valuable critical suggestions and guidance in the statistical analysis connected with the study. I am equally appreciative of the valuable suggestions and apt help given by Dr. Arun T. Phatak, Assistant Professor of Paediatrics, Baroda Medical College.

I wish to thank Shri B. S. Zaveri and Shri A. S. Karkhanis for expert assistance in typing and preparation of the diagrams, respectively.
