

TABLE OF CONTENTS

CHAPTER 1

WORK FAMILY BALANCE: THE CONCEPT AND CONTEXT FOR THE STUDY.....	1
Understanding the Concept of Work Family Balance.....	2
The Demographics of Women's Employment.....	3
Trends in Work-Family Research in India.....	5
Why Study Work Family Balance Among Employed Women?	7
Clarification of Concepts Used in This Study.....	10

CHAPTER 2

THEORY AND PAST RESEARCH AS A BACKGROUND TO THE STUDY.....	11
Theories of Work Life/Family Balance.....	12
Family Theories Guiding the Study.....	15
Social exchange and choice framework.....	15
The conflict framework.....	16
So, Why These Two Theoretical Frameworks for The Study?	18
A Conceptual Model for The Present Study.....	20
An Overview of the Past Research on Work-Family Balance.....	21
Positive Spillover of Resources and Support of Work and Family.....	22
Work to family enhancement.....	24
Family to work enhancement.....	30
Negative Spill Over of Demands and Responsibilities of Work and Family.....	34
Family to work intrusion.....	35
Work to family intrusion.....	40
Managing Intrusions Created by the Negative Spillover of Work and Family.....	42
Coping Styles and Strategies.....	43
Theories of coping styles and strategies.....	43
How Do Women Cope? Summary of Past Research.....	44
Women's self-Efficacy and agency.....	46
Emerging Perspectives from Review.....	52
Aim and Objectives.....	52
Delimitations of the Study.....	53

CHAPTER -3: METHODOLOGY.....	54
Research Paradigm.....	54
The Research Process.....	56
Phase 1- Nature and Level of Work-Family Balance in Employed Women.....	57
Selection of sample.....	57
Inclusion criteria.....	57
Profile of Participants.....	58
Instruments.....	61
Pilot test.....	63
Data collection procedure.....	64
Quantitative Data Analysis.....	65
Procedures of Quantitative Data Analysis.....	65
Ensuring Reliability and Validity in Quantitative Data.....	68
Phase 2- Understanding the Processes of Achieving Work-Family Balance.....	69
Interview Guide for Data Generation.....	76
Process of Interviews.....	77
Analysis of In-Depth Interview Data.....	79
Management of interview data.....	80
Data Analysis procedures.....	81
Translation of Principles of Mixed Methods Research Design to Practice.....	86
Establishing trust and openness.....	86
Strategic selection of participants.....	87
Member checks.....	87
Triangulation.....	87
Objectivity.....	88
Reliability.....	88
Credibility.....	88
CHAPTER 4 –.....	89
RESULTS: LIVED REALITIES OF WORK-FAMILY BALANCE OF WOMEN.....	89
Level of Women’s Work-Family Balance.....	89
Women’s Agency -Self-Efficacy and Work-Family Balance.....	92
Positive Spillover of Work and Family: Women’s Experiences.....	95
Family enhancing work	97

Work enhancing family	100
Negative Spillover between Work and Family and its Effects.....	106
Family Dynamics That Affect Work Negatively.....	108
Work to Family Conflict: Repercussions.....	114
Negative spillover and its effects on women.....	121
Coping with The Push and Pull Between Work and Family.....	123
Problem focused Coping Style.....	124
Emotion focused Coping Style.....	132
Avoidant Coping	136
CHAPTER 5-.....	
WHAT DOES THIS RESEARCH TELL US ABOUT WORK-FAMILY BALANCE:	
CONCLUSIONS AND FUTURE DIRECTIONS.....	138
Case-1- Saanvi's Story tells us about the Trajectory towards High Work-Family Balance.....	145
Case 2- Steering through Work-Family conflicts to achieve Moderate WFB: Aashi's Story.....	147
Case 3- Feeling Sandwiched between the Pressures of Work and Family: Darpana's Story of Low Balance.....	149
Are Women Able to Break Away from Gender Stereotypes?	152
Is Family Support Free of Cost?	153
The Men Behind the Women's Success/Spouse's Contribution to Women's Success....	154
What are the Features of a truly Supportive Workplace?	155
Is Work-Family Balance Important? Personal Reflections.....	157
Future Direction in Research.....	157
References.....	159
Annexures.....	168
