

## **Acknowledgements**

I would like to express my profound gratitude to my guide Prof. C. N. Murthy for his encouragement and guidance right from the beginning of this work.

I wish to express my gratitude to The Dean, Faculty of Technology & Engineering, The M. S. University of Baroda and The Head, Applied Chemistry Department for providing required facilities to carry out my work. I express my gratitude to Prof. R. A. Sengupta, Head, Chemical Engineering Department for his help in some of the calculations and give me a better perspective of the work carried out.

I acknowledge the Department of Science & Technology, Government of India for providing Research fellowship for the whole duration of my project work. I thank Prof. L. S. Chamyal for the introducing me to the field of Geology and helping me in soil collection techniques. I also acknowledge CECRI, Karaikudi and Environmental Engineering Department, Faculty of Technology & Engineering, The M. S. University of Baroda for AAS analysis. I wish to acknowledge Dr. V. Rao, Metallurgy Department, Faculty of Technology & Engineering for SEM-EDS analysis.

I thank my seniors Dr. Indrajit shown, Dr. Rashmika Patel and Dr. Harindu Vyas and colleagues Santosh kumar, Vinod Bhoi, Gangadhar, Prachi Shah, Vaishali, Renu, Mayur, Gautham, Parimal for maintaining a very cordial and supportive environment during my research work.

R. Murali
