

*With profound sense of indebtedness and reverence, I wish to express my sincere feelings and gratitude to my research guide **Dr. Uma V. Chudasama**, Professor, Applied Chemistry Department, Faculty of Technology and Engineering, The M. S. University of Baroda, Vadodara, for her inspiring and enthusiastic guidance throughout the research work. Special thanks and recognition go to her, whose drive and commitment to research has inspired, motivated and enabled me to complete this endeavour. She has played a fundamental role in defining my future.*
