

### **\*\*\* ACKNOWLEDGEMENTS \*\*\***

*Primarily, I would like to express my profound gratitude to Dr. (Mrs.) Uma V. Chudasama, Professor, Applied Chemistry Department, Faculty of Technology and Engineering, The M. S. University of Baroda, who constantly encouraged, inspired and guided me right from the beginning of this work. Her receptive attitude, untiring enthusiasm and positive approach will always remain a source of inspiration. Her deep passion for perfection of work has not only taken care of my present study, but shall always be a guide to me in future.*

*I wish to express my gratitude to the Gujarat Council on Science & Technology (GUJCOST), Gandhinagar, Gujarat for providing research fellowship and financial assistance to carry out the research work.*

*I wish to express my gratitude to the Dean, Faculty of Technology and Engineering and to the Head, Applied Chemistry Department for providing me the required facilities to carry out my research work.*

*I am also thankful to Dr. D. P. Bharambe, Professor, Applied Chemistry Department, Faculty of Technology and Engineering, The M. S. University of Baroda, for his encouragement to pursue research and render me support.*

*I wish to express my gratitude to the management of Sud-Chemie India Pvt. Limited, for providing me instrumentation facilities. My thanks to The Head, Department of Metallurgical and Materials Engineering, Faculty of Technology and Engineering, and to the The Head, Department of Chemistry, Faculty of Science, The M. S. University of Baroda for providing me SEM - EDX analysis and NMR facilities respectively. Thanks are also due to SAIF-CUSAT (Cochin) for elemental analysis by ICP-AES.*

*I extend my sincere thanks to all the teaching staff members who have helped me in many ways during my research work. I cannot forget the cooperation extended to me by the non-teaching staff members of the department.*

*Conti.....*

*I had the pleasure of working with an excellent group of lab mates, Dr. Parimal Patel, Dr. Rajesh Patel, Mr. Tarun Parangi and Mr. Brijesh Shah for making my work an enjoyable one and for all the help rendered to me in each and every step of my work right from literature survey to compilation of the thesis. Thanks are also due to Dr. Rikesh Joshi for the useful suggestions at various stages of my research work.*

*Thanks are also due to Dr. Mayur Patel, Mr. Deepak Singh, Mr. Gautam Patel, Mr. Umesh Chaudhari and to all my fellow research mates who have maintained a cordial and supportive environment during the research period. Thanks are also due to Mrs. Richa Parikh Shah, Mr. Prashant Bhatt, Mr. Vijay Padhiyar and Mr. Hiren Patel for their financial support to complete my study.*

*I am indebted to my late father who encouraged me to pursue research and my mother who shouldered all responsibilities and always encouraged me. I am also thankful to my maternal uncle Mr. Prakash Ambegavker who supported me in many ways. My Special thanks to my sister Mrs. Priti Dev and her husband Mr. Kaustubh Dev who have been most instrumental in the accomplishment of this task and, to other family members for their love and encouragement, who above all have taught me that patience, determination, persistence and faith are the keys to success.*

*There were so many people who did so many things to help me out at critical times. In this short space, it is impossible to acknowledge all of them individually. I thank all of you, my friends, colleagues and well wishers, who have been always with me, in times of need.*
