

ACKNOWLEDGEMENT

*I sincerely acknowledge the help and support rendered to me by my esteem guide, **Prof. S.C.Panigrahi**, Head, CASE, Baroda in carrying out this work successfully. I extend my deep appreciation and gratitude to him for his enlightened guidance, scholarly assistance, constant support and encouragement which helped me in conceptualizing and completing this noble task.*

*I express thanks to **Prof. R.G.Kothari**, Dean of Faculty of Education and Psychology, **Prof. S.Kumar**, former Dean and **Prof. D.R.Goel**, former officiating Dean of Faculty of Education & Psychology for providing me academic and administrative support. Thanks are due to all the members of Faculty, research scholars and non-teaching staff of department of Education who have helped in every possible way to complete the study. Thanks are for their valuable suggestions.*

*I express my deep gratitude to **Dr. M.M.Mohanty** for his expertise towards sharing his knowledge and experience in finalizing the PBL problem scenario.*

*My acknowledgements are also due to **Prof. B.N.Panda**, **Prof. N.Pradhan**, and **Dr. L.Behera** for giving their valid suggestions to complete this piece of research work.*

*I heartily thank **Dr. S.Krishna kumari**, former principal, Dr.HRGCE, Adipur for allowing me to conduct the study. I am also immensely grateful to the menial staff and the mathematics and science method students of B.Ed for being involved in the collection of data.*

I am also obliged to the librarian and staff of Hansa Mehta Library, for their kind support in using the Library resources.

*Lastly, I pay my reverence to my father and mother without their blessings this work could not have been possible. I also thank **Priyanshu** and the other members of the family, friends and colleagues who have helped me all the way. I am pleased to acknowledge with gratitude to one and all those who have supported directly or indirectly to complete my study. Last but not the least I remember and bow to the almighty whose blessings made me to accomplish this.*

Biswajit Behera
