

## LIST OF FIGURES

Figure No.	Title of the Figures	Page No.
3.1	Convergent parallel mixed methods study design	63
3.2	Multi-stage purposive sampling method	66
3.3	Geographical location of NIFT campuses across India	68
4.1	NIFT's governing body structure	84
4.2	NIFT's administrative and academic structure	85
4.3	Academic Management in NIFT institution	87
4.4	NIFT offered Bachelor's and Master's Programmes	95
4.5	Curriculum management at NIFT institution	100

## LIST OF GRAPHS

Graph No.	Title of the Graph	Page No.
4.1	Opinions of the students on academic administration aspects in percentages	108
4.2	Opinions of the students on current state and importance of academic administration aspects in percentages	110
4.3	Opinions of the students on curriculum design aspects in percentages	112
4.4	Opinions of the students on current state and importance of aspects of curriculum design in percentages	114
4.5	Opinions of the students on curriculum transition aspects in percentages	116
4.6	Opinions of the students on current state and importance of curriculum transition aspects in percentages	118
4.7	Opinions of the students on their evaluation and feedback aspects in percentages	121
4.8	Opinions of the students on academic resources related aspects in percentages	123
4.9	Opinions of the students on current state and importance of academic resources related aspects in percentages	125
4.10	Opinions of the students on their approaches to learning related aspects in percentages	127
4.11	Opinions of the students on current state and importance of learning approaches in the institution in percentages	130

Graph No.	Title of the Graph	Page No.
4.12	Opinions of the students on learning culture in percentages	132
4.13	Opinions of the students on current state and importance learning culture in the institution in percentages	134
4.14	Opinions of the students on academic focus related aspects in percentages	137
4.15	Opinions of the teachers on academic administration aspects in percentages	141
4.16	Opinions of the teachers on current state and importance of Academic Administration aspects in percentages	143
4.17	Opinions of teachers on aspects of curriculum design in percentages	145
4.18	Opinions of the teachers on current state and importance related to Curriculum Design aspects in percentages	147
4.19	Opinions of the teachers on curriculum transition aspects in percentages.	149
4.20	Opinions of teachers on current state and importance of curriculum transition aspects in percentage	151
4.21	Opinion of teachers on assessment and evaluation aspects in percentages	154
4.22	Opinion of teachers on current state and importance of assessment and evaluation aspects in percentages	156
4.23	Opinion of teachers on academic resources aspects in percentage	158
4.24	Opinions of teachers on current state and importance of academic resources aspects in percentages	160
4.25	Opinions of teachers on professional development aspects in percentages	162
4.26	Opinions of teachers on various aspects related to current state and importance of students approaches to learning in percentages	164
4.27	Opinions of teachers on aspects related to academic focus in percentages	166
4.28	Opinions of teachers on academic learning aspects in percentages	168
4.29	Opinions of teachers on various aspects related to current state and importance of academic culture in percentages	171
