

## LIST OF FIGURES

Figure No.	Title of the Figures	Page No.
1.1	Model on impact of Science Centres developed by Garnett	26
3.1	Selection of sample Community Science Centres	90
<b>Exhibits and Activities of Community Science Centre at Vadodara</b>		
4.1	Seed Ball dropping activity (1) and (2) Students making seed-balls (3) Students and dignitaries with a drone (4) Drone dropping seed balls from drone to Vishwamitri ravines for plantation	105
4.2	Bicycle which runs on battery	106
4.3	Demonstration of experiments (1) and (2) Concept of temperature	111
4.4	Model Making (1) Multiple Refraction (2) Double Cone	112
4.5	Demonstration of experiments (1) Solid expands on heating (2) Litmus test (3) Oxygen and fire (4) Chemical Reaction	112
4.6	Magical cards explaining illusion	113
4.7	Activities of science club (1) Robotics (2) Learning through Animation	114
4.8	Exhibits on (1) Flying Ball (2) Magnetism	114
4.9	Demonstration of experiments (1) Mass of stone (2) Centripetal force (3) Air expands on heating (4) Condensation	115
4.10	Exhibits on (1) Pedal Power Light (2) Thermodynamics	116
<b>Exhibits and Activities of Community Science Centre at Amreli</b>		
4.11	Astronomy education activity (1) Perforated Sky Vision Globe a Planetarium (2) Students understanding constellations	119
4.12	Constellations (1) Darado (2) Sagitarius	120
4.13	Tools for astronomy education (1) Weighning machines for planets (2) Carving Sky map on an umbrella	121
4.14	Charts showing cartoons for explanation of DNA	122
4.15	Activities like Medical Camp, Quiz and Importance of handkerchief	126
<b>Exhibits and Activities of Community Science Centre at Anand</b>		
4.16	Charts showing importance of biotechnology	129
4.17	Exhibits on (1) Viscosity (2) Flow of Electricity	133
4.18	Exhibits explaining magnetism	134
4.19	Exhibits explaining Concept of sensor	134
4.20	Exhibits explaining concept of illusion	135
4.21	Exhibits explaining (1) Elasticity (2) Simple Microscope (3) Phases of Moon (4) Concept of Sound	136
<b>Exhibits and Exhibits of Community Science Centre at Dang</b>		
4.22	Activities of Community Science Centre-Dang (1) Aadar awareness (2) Celebration of International Year of light	138
4.23	Activities of the centre (1) Awareness programme on eradicating superstitions (2) Students takes pledge of environment conservation	140

<b>Figure No.</b>	<b>Title of the Figures</b>	<b>Page No.</b>
4.24	Figure (1) Chart explaining mutation of crops Figure (2) Gyroscope made from bicycle wheel	140
4.25	Exhibits explaining (1) Centre of Gravity (2) Concept of Collision (3) Smokeless Chulha (4) Biogas plant	141
4.26	Exhibits on (1) Solar Steel and (2) Concept of illusion	142
4.27	Exhibits on (1) Relation of voltage and electricity (2) Barmuda Hall	142
	<b>Exhibits of Community Science Centre at Dharampur</b>	
4.28	Exhibits at Science Park (1) Concept of sound (2) Newton's third law of motion (3) Echo Tube (4) Compound Pendulum (5) Perspective Drawing (6) Double Cone (7) Parabolic Solar Cooker (8) Sand Clock	149
4.29	Exhibits at the Perception Hall: (1) Virtual Harp (2) Moire Pattern (3) and (4) Optics (5) Colour Shadow (6) Ishira Plates (7) Changing Colours (8) and (9) Optical illusion (10) White light	151
4.30	Exhibits at Fun Section: (1) Sand Pendulum (2) Acrobatic stick (3) Vortex (4) Electromagnetism (5) Rising Arc (6) Bending of Light (7) Sensor (8) Direction of Pole star (9) and (10) Images in mirror (11) and (12) Pressure Balance	155
4.31	Birds and Peacock at Life Science Park	160
	<b>Exhibits and Activities of Gujarat Science Ciy at Ahmedabad</b>	
4.32	Activities (1) Laser Show (2) Talk Show on Environment (3) Simulator Ride (4) Musical Fountain	164
4.33	Exhibits at the centre (1) Astronomy show at planetarium (2) Resonating Tube (3) Electricity (4) Rock and Minerals (5) Concept of Alternating Current and Direct Current (6) Model of Atom	170
4.34	Exhibits at the centre (1) Aero Mobil (2) Pneumatic Rocket (3) Corrioles Effect (4) Force and Energy (5) Hydropower (6) Benham's Disc (7) Defect of Vision (8) Tidal Power (9) Ocean Thermal Energy (10) Geothermal Energy	171
4.35	Medicinal Plants, Butterfly Park and Cactus Park	175
	<b>Exhibits and Activities of Lokbharti Community Science Cenre at Sanosara</b>	
4.36	Exhibits at centre: (1) Community Solar Cooker (2) Electric Autorickshaw (3) Wind Mill (4) Solar Pump	179
4.37	Wheat Field and Biogas Plant	180
4.38	Tools for learning science (1) Spinning wheel running on solar energy (2) Water purification plant (3) Solar lamps (4) Flowers to understand biodiversity	181
4.39	Experiment on dispersion of light	182
4.40	Activities: Experiment on Respiratory system of tree and Use of mobile technology for quiz	182
4.41	Learning tools at the centre (1) Architectural structure of the centre (2) Drip irrigation (3) Solar Panels (4) Wind Mill (5) Net House (6) Hydroponics	183

<b>Figure No.</b>	<b>Title of the Figures</b>	<b>Page No.</b>
4.42	Exhibits at the centre (1) Magical lamps (2) Finding capacity of lungs (3) Mathematics Puzzle (4) Clap Operator Switch	184
	<b>Exhibits of Vikram Sarabhai Community Science Centre at Vadodara</b>	
4.43	Models used by the centre (1) Newton's cradle (2) Brahma's Tower	190
4.44	Exhibits and models at the centre (1) Crazy cubes (2) Pythagoras theorem (3) Chaotic Pendulum (4) and (5) Understanding mathematics equation (6) Geometrical shapes	192
4.45	Exhibits at the centre (1) Parabolic Disc (2) Exhibition at Science Express Train	194
4.46	Exhibits at the centre (1) Centripetal and Centrifugal force (2) Periodic table (3) Sola light house (4) Weighning measurements for different planets (5) Tenagram puzzle (6) Chart explaining acid and base (7) Human heart (8) Human lungs (9) Explanation of mechanical energy (10) Cartoon explaining inertia	201
4.47	Explanation of models and experiments at the centre (1) Air Pressure (2) Persistence of vision (3) Brain nerves (4) Yo-Yo (5) Jerk (6) Chemical reaction	203
