

## LIST OF TABLES

<b>TABLE NO.</b>	<b>TITLE</b>	<b>PAGE NO.</b>
Table 1.1	Difference between Pre-service and In-service B.Ed. Programmes in terms of admission process, teaching-learning process and evaluation process	18-19
Table 4.1	Mean, Standard Deviation and Standard Error of Mean wise Distribution of Teaching Aptitude of Pre-service and In-service Student-Teachers	111
Table 4.2	Summary of Mann-Whitney U-Test for Teaching Aptitude of Pre-service and In-service Student-Teachers, with the Number of Sample, Sum of Ranks, U-value, z-value and Probability	112
Table 4.3	Mean, Standard Deviation and Standard Error of Mean wise Distribution of Interest of Pre-service and In-service Student-Teachers towards Teaching Profession	113
Table 4.4	Summary of Mann-Whitney U-Test for Interest of Pre-service and In-service Student-Teachers towards Teaching Profession, with the Number of Sample, Sum of Ranks, U-value, z-value and Probability	113
Table 4.5	Mean, Standard Deviation and Standard Error of Mean wise Distribution of Attitude of Pre-service and In-service Student-Teachers towards Teaching Profession	114
Table 4.6	Summary of Mann-Whitney U-Test for Attitude of Pre-service and In-service Student-Teachers towards Teaching Profession, with the Number of Sample, Sum of Ranks, U-value, z-value and Probability	115
Table 4.7	Mean, Standard Deviation and Standard Error of Mean wise Distribution of Knowledge in Education of Pre-service and In-service Student-Teachers	116
Table 4.8	Summary of Mann-Whitney U-Test for Knowledge in Education of Pre-service and In-service Student-Teachers, with the Number of Sample, Sum of Ranks, U-value, z-value and Probability	116
Table 4.9	Mean, Standard Deviation and Standard Error of Mean wise Distribution of Teaching Skills of Pre-service and In-service Student-Teachers	117
Table 4.10	Summary of Mann-Whitney U-Test for Teaching Skills of Pre-service and In-service Student-Teachers, with the Number of Sample, Sum of Ranks, U-value, z-value and Probability	118
