

List of Tables

The following is a list of tables in the thesis

Table 2.1	Dimensions wise detail of survey questionnaire	92
Table 2.2	Research design- 2 X 2 factorial design	93
Table 3.1	Correlation among GHRM Practices, Perceived CSR, OCB and employee engagement and employee retention factors	95
Table 3.2	GHRM Practices as a predictor of employee engagement, OCB and employee retention	96
Table 3.3	Perceived CSR as a predictor of employee engagement, OCB and employee retention	97
Table 3.4	Fit Measurement of Model	98
Table 3.5	Path Analytic Results of GHRM practice and Perceived CSR as a predictor of workplace behaviour	99
Table 3.6	F- test (main effect) between male employees and female employees on GHRM Practices, Perceived CSR, OCB, employee engagement and employee retention factors	101
Table 3.7	Analysis of Variance (main effect) between the age groups on GHRM practices, perceived CSR, employee Engagement, OCB and employee retention factors	103
Table 3.8	F-tests between Service sector Employees and Manufacturing sector Employees on GHRM practices, Perceived CSR, OCB and Work Engagement and employee retention factors	104
Table 3.9	Independent Sample t-tests between the years of experience of employees on GHRM practices, perceived CSR, employee engagement, OCB and employee retention factors	106
Table 3.10	Two-way Analysis of Variance regarding the Education qualification of employees on GHRM Practices, Perceived CSR, Work Engagement, OCB and employee retention factors	107
Table 3.11	Two-way Analysis of Variance between Gender and age of employees on GHRM practices, perceived CSR, employee Engagement OCB and employee retention factors	110

Table 3.12	Two-way Analysis of Variance between Gender and Sector of Employees on GHRM practices, perceived CSR, employee engagement, OCB and employee retention factors	112
Table 3.13	Two-way Analysis of Variance between sector and age of employees on GHRM practices, perceived CSR, employee engagement, OCB and employee retention factors	114
Table 3.14	Two-way Analysis of Variance between gender and education qualification of employees on GHRM practices, perceived CSR, OCB and employee engagement factors	116
Table 3.15	Intensity index of barriers of GHRM practices	119
Table 3.16	Intensity index of positive outcomes of GHRM practices	120
