

## PUBLICATION

- ❖ **Niralee Patel, Mrinalini Nair (2021)**, The small RNA RsaF regulates the expression of secreted virulence factors in *Staphylococcus aureus* Newman. Journal of Microbiology, Vol. 59, DOI 10.1007/s12275-021-1205-6

## POSTER PRESENTATIONS IN MEETINGS

- **Niralee Patel, Mrinalini Nair (2018)**, “**Role of a non-coding RNA in regulation of a spreading factor of *Staphylococcus aureus***”, in the 87<sup>th</sup> Annual conference of Society of Biological Chemists (India), on “**Genome biology in health and disease**”, School of life sciences, Manipal, Karnataka.
- **Niralee Patel, Hasmatbanu Buchad, Anuja Malgaonkar, Mrinalini Nair (2019)**, “**Role of non-coding RNAs in the regulation of pathogenicity factors in *Staphylococcus aureus* and *Pseudomonas aeruginosa***”, in the 3<sup>rd</sup> Prof. V.V. Modi Memorial Lecture and International Symposium on “**Vaccine development and Infectious diseases**”, Dept. Of Microbiology and Biotechnology Centre, M.S.U, Baroda.
- **Niralee Patel, Mrinalini Nair (2019)**, “**A non-coding RNA RsaF regulates a pathogenicity factor in *Staphylococcus aureus* Newman**”, in the EMBO/FEBS lecture course “**The New Microbiology**”, Spetses, Greece.
