

ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to my research guide Professor (Dr.) M.D. Vyas, who has provided his valuable guidance and expertise at all stages of this study. In spite of his busy schedule, he was kind enough to spare his precious time and has shown keen interest from commencement to completion of the study.

I owe a debt of gratitude to Professor (Dr.) Aruna Khasgiwala, Dean and Head who has encouraged and supported me to work for this study. I express my sincere thanks to Professor (Dr.) N.S. Pathak for his support and guidance in this study.

I would like to put on record the support extended by Dr. M.N.Parmar and Shri Jagdish Solanki.

My thanks goes to authorities of Hansa Mehta Library, Libraries of Social Work and Baroda Management Association.

My special thanks goes to my parents and all my family members whose love, support and blessings have encouraged me and stood behind me through out the process of completion of this work.

It is said that behind every successful man there is a woman, but I would like to mention that behind my success is my Husband – Sunil Bulchandani; who motivated me at every step of this study. When it was time to enjoy my married life; he inspired and encouraged me to reach up to this level and prove myself.

I am indebted to all the authorities and respondents of various industries without whose cooperation, the study would not have been completed.

I am grateful to Shri Samir Balerao for assisting me in data processing and Shri Niraj for computer assistance.

My sincere thanks to all my faculty colleagues, students and all those who have directly and indirectly helped me in this endeavour.

No endeavour especially the one as monumental as this one would have been possible without the blessings of the Almighty.
