

LIST OF TABLES

Tables Analyzing Respondent's Profile

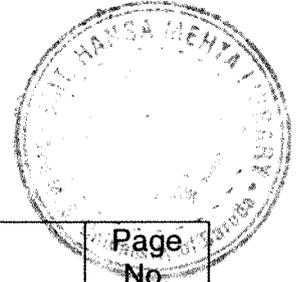

Table No.	Title of the Table	Page No.
1	Organization wise distribution of the respondents	154
2	Age wise distribution of the respondents	155
3	Education wise distribution of the respondents	156
4	Category wise distribution of the respondents	157
5	Tenure wise distribution of the respondents	158
6	Total experience wise distribution of the respondents	159
7	Monthly Income wise distribution of the respondents	160

Tables Analyzing Organization wise Respondents Profile for Four Different Variables

Reliance Industries

8	Age wise analysis of high opinions on variable of 'Organizational Effectiveness' in Reliance Industries.	161
9	Education wise analysis of high opinions on variable of 'Organizational Effectiveness' in Reliance Industries.	162
10	Category wise analysis of high opinions on variable of 'Organizational Effectiveness' in Reliance Industries.	163
11	Tenure wise analysis of high opinions on variable of 'Organizational Effectiveness' in Reliance Industries.	164
12	Total experience wise analysis of high opinions on variable of 'Organizational Effectiveness' in Reliance Industries.	165
13	Income wise analysis of high opinions on variable of 'Organizational Effectiveness' in Reliance Industries.	166
14	Age wise analysis of high opinions on variable of 'Productivity' in Reliance Industries.	167
15	Education wise analysis of high opinions on variable of 'Productivity' in Reliance Industries.	168
16	Category wise analysis of high opinions on variable of 'Productivity' in Reliance Industries.	169
17	Tenure wise analysis of high opinions on variable of 'Productivity' in Reliance Industries.	170
18	Total experience wise analysis of high opinions on variable of 'Productivity' in Reliance Industries.	171
19	Income wise analysis of high opinions on variable of 'Productivity' in Reliance Industries.	172
20	Age wise analysis of high opinions on variable of 'Emotional Intelligence' in Reliance Industries.	173/4

21	Education wise analysis of high opinions on variable of 'Emotional Intelligence' in Reliance Industries.	175/6
22	Category wise analysis of high opinions on variable of 'Emotional Intelligence' in Reliance Industries.	177/8
23	Tenure wise analysis of high opinions on variable of 'Emotional Intelligence' in Reliance Industries.	179/80
24	Total experience wise analysis of high opinions on variable of 'Emotional Intelligence' in Reliance Industries.	181/2
25	Income wise analysis of high opinions on variable of 'Emotional Intelligence' in Reliance Industries.	183/4
26	Age wise analysis of high opinions on variable of 'Work Values' in Reliance Industries.	185
27	Education wise analysis of high opinions on variable of 'Work Values' in Reliance Industries.	186
28	Category wise analysis of high opinions on variable of 'Work Values' in Reliance Industries.	187
29	Tenure wise analysis of high opinions on variable of 'Work Values' in Reliance Industries.	188
30	Total experience wise analysis of high opinions on variable of 'Work Values' in Reliance Industries.	189
31	Income wise analysis of high opinions on variable of 'Work Values' in Reliance Industries.	190

Essar Industries

32	Age wise analysis of high opinions on variable of 'Organizational Effectiveness' in Essar Industries.	191
33	Education wise analysis of high opinions on variable of 'Organizational Effectiveness' in Essar Industries.	192
34	Category wise analysis of high opinions on variable of 'Organizational Effectiveness' in Essar Industries.	193
35	Tenure wise analysis of high opinions on variable of 'Organizational Effectiveness' in Essar Industries.	194
36	Total experience wise analysis of high opinions on variable of 'Organizational Effectiveness' in Essar Industries.	195
37	Income wise analysis of high opinions on variable of 'Organizational Effectiveness' in Essar Industries.	196
38	Age wise analysis of high opinions on variable of 'Productivity' in Essar Industries.	197
39	Education wise analysis of high opinions on variable of 'Productivity' in Essar Industries.	198
40	Category wise analysis of high opinions on variable of 'Productivity' in Essar Industries.	199
41	Tenure wise analysis of high opinions on variable of 'Productivity' in Essar Industries.	200

42	Total experience wise analysis of high opinions on variable of 'Productivity' in Essar Industries.	201
43	Income wise analysis of high opinions on variable of 'Productivity' in Essar Industries.	202
44	Age wise analysis of high opinions on variable of 'Emotional Intelligence' in Essar Industries.	203/4
45	Education wise analysis of high opinions on variable of 'Emotional Intelligence' in Essar Industries.	205/6
46	Category wise analysis of high opinions on variable of 'Emotional Intelligence' in Essar Industries.	207/8
47	Tenure wise analysis of high opinions on variable of 'Emotional Intelligence' in Essar Industries.	209/10
48	Total experience wise analysis of high opinions on variable of 'Emotional Intelligence' in Essar Industries.	211/2
49	Income wise analysis of high opinions on variable of 'Emotional Intelligence' in Essar Industries.	213/4
50	Age wise analysis of high opinions on variable of 'Work Values' in Essar Industries.	215
51	Education wise analysis of high opinions on variable of 'Work Values' in Essar Industries.	216
52	Category wise analysis of high opinions on variable of 'Work Values' in Essar Industries.	217
53	Tenure wise analysis of high opinions on variable of 'Work Values' in Essar Industries.	218
54	Total experience wise analysis of high opinions on variable of 'Work Values' in Essar Industries.	219
55	Income wise analysis of high opinions on variable of 'Work Values' in Essar Industries.	220

Adani Group of Industries

56	Age wise analysis of high opinions on variable of 'Organizational Effectiveness' in Adani Group of Industries.	221
57	Education wise analysis of high opinions on variable of 'Organizational Effectiveness' in Adani Group of Industries.	222
58	Category wise analysis of high opinions on variable of 'Organizational Effectiveness' in Adani Group of Industries.	223
59	Tenure wise analysis of high opinions on variable of 'Organizational Effectiveness' in Adani Group of Industries.	224
60	Total experience wise analysis of high opinions on variable of 'Organizational Effectiveness' in Adani Group of Industries.	225
61	Income wise analysis of high opinions on variable of 'Organizational Effectiveness' in Adani Group of Industries.	226
62	Age wise analysis of high opinions on variable of 'Productivity' in Adani Group of Industries.	227

63	Education wise analysis of high opinions on variable of 'Productivity' in Adani Group of Industries.	228
64	Category wise analysis of high opinions on variable of 'Productivity' in Adani Group of Industries.	229
65	Tenure wise analysis of high opinions on variable of 'Productivity' in Adani Group of Industries.	230
66	Total experience wise analysis of high opinions on variable of 'Productivity' in Adani Group of Industries.	231
67	Income wise analysis of high opinions on variable of 'Productivity' in Adani Group of Industries.	232
68	Age wise analysis of high opinions on variable of 'Emotional Intelligence' in Adani Group of Industries.	233/4
69	Education wise analysis of high opinions on variable of 'Emotional Intelligence' in Adani Group of Industries.	235/6
70	Category wise analysis of high opinions on variable of 'Emotional Intelligence' in Adani Group of Industries.	237/8
71	Tenure wise analysis of high opinions on variable of 'Emotional Intelligence' in Adani Group of Industries.	239/40
72	Total experience wise analysis of high opinions on variable of 'Emotional Intelligence' in Adani Group of Industries.	241/2
73	Income wise analysis of high opinions on variable of 'Emotional Intelligence' in Adani Group of Industries.	243/4
74	Age wise analysis of high opinions on variable of 'Work Values' in Adani Group of Industries.	245
75	Education wise analysis of high opinions on variable of 'Work Values' in Adani Group of Industries.	246
76	Category wise analysis of high opinions on variable of 'Work Values' in Adani Group of Industries.	247
77	Tenure wise analysis of high opinions on variable of 'Work Values' in Adani Group of Industries.	248
78	Total experience wise analysis of high opinions on variable of 'Work Values' in Adani Group of Industries.	249
79	Income wise analysis of high opinions on variable of 'Work Values' in Adani Group of Industries.	250

Tables Analyzing Organization Wise 9 different Dimensions of
'Organizational Effectiveness'

80	Organization wise analysis of 'Consensus' dimension of Organizational Effectiveness	251
81	Organization wise analysis of 'Legitimization' dimension of Organizational Effectiveness	252
82	Organization wise analysis of 'Need for Independence' dimension of Organizational Effectiveness	253

83	Organization wise analysis of 'Self control' dimension of Organizational Effectiveness	254
84	Organization wise analysis of 'Job Involvement' dimension of Organizational Effectiveness	255
85	Organization wise analysis of 'Innovation' dimension of Organizational Effectiveness	256
86	Organization wise analysis of 'Organizational Commitment' dimension of Organizational Effectiveness	257
87	Organization wise analysis of 'Organizational Attachment' dimension of Organizational Effectiveness	258
88	Organization wise analysis of 'Job Satisfaction' dimension of Organizational Effectiveness	259

Tables Analyzing Organization Wise 5 different Dimensions of 'Productivity'

89	Organization wise analysis of ' Learning Attitude' dimension of Productivity	260
90	Organization wise analysis of 'Motivational Morale' dimension of Productivity	261
91	Organization wise analysis of 'Discipline' dimension of Productivity	262
92	Organization wise analysis of 'Working Conditions' dimension of Productivity	263
93	Organization wise analysis of 'Work Methodology' dimension of Productivity	264

Tables Analyzing Organization Wise 19 different Dimensions of 'Emotional Intelligence'

94	Organization wise analysis of ' Work' dimension of Emotional Intelligence	265
95	Organization wise analysis of ' Emotional Self-Awareness' dimension of Emotional Intelligence	266
96	Organization wise analysis of 'Emotional Expression' dimension of Emotional Intelligence	267
97	Organization wise analysis of 'Emotional Awareness of Others' dimension of Emotional Intelligence	268
98	Organization wise analysis of 'EQ Competencies Internationality' dimension of Emotional Intelligence	269
99	Organization wise analysis of 'Creativity' dimension of Emotional Intelligence	270
100	Organization wise analysis of 'Resilience' dimension of Emotional Intelligence	271
101	Organization wise analysis of 'Interpersonal Connection' dimension of Emotional Intelligence	272
102	Organization wise analysis of 'Constructive Discontent' dimension of Emotional Intelligence	273

103	Organization wise analysis of 'EQ Values and Beliefs Comparison' dimension of Emotional Intelligence	274
104	Organization wise analysis of 'Outlook' dimension of Emotional Intelligence	275
105	Organization wise analysis of 'Trust Radius' dimension of Emotional Intelligence	276
106	Organization wise analysis of 'Personal Power' dimension of Emotional Intelligence	277
107	Organization wise analysis of 'Integrity' dimension of Emotional Intelligence	278
108	Organization wise analysis of 'General Health' dimension of Emotional Intelligence	279
109	Organization wise analysis of 'Quality of Life' dimension of Emotional Intelligence	280
110	Organization wise analysis of 'Relationship Quotients' dimension of Emotional Intelligence	281
111	Organization wise analysis of 'Optional Performance' dimension of Emotional Intelligence	282
112	Organization wise analysis of 'Personality Traits' dimension of Emotional Intelligence	283

Tables Analyzing Organization Wise 6 different Dimensions of 'Work Values'

113	Organization wise analysis of 'Interest in Work ' dimension of Work Values	284
114	Organization wise analysis of 'Supervisory Treatment ' dimension of Work Values	285
115	Organization wise analysis of 'Participation' dimension of Work Values	286
116	Organization wise analysis of 'Rewards and Punishment' dimension of Work Values	287
117	Organization wise analysis of ' Praise and Blame' dimension of Work Values	288
118	Organization wise analysis of 'Favouritism ' dimension of Work Values	289

Summary Tables

119	At a glance – Status of high average rating of four variables in 3 organizations	290
120	At a glance – Status of low average rating of four variables in 3 organizations	291
121	At a glance – Status of chi-square test of respondent's profile not accepted in 3 organizations	292/3
122	At a glance – Status of chi-square test not accepted of different dimensions for all 4 variables in descending order.	294

123	At a glance – Status of chi-square test for different dimensions of Emotional Intelligence in descending order.	296
124	At a glance – Status of chi-square test of different dimensions of Organizational Effectiveness in descending order.	298
125	At a glance – Status of chi-square test for different dimensions of Productivity in descending order.	299
126	At a glance – Status of chi-square test for different dimensions of Work Values in descending order.	300
127	At a glance – Status of chi-square test of all 39 dimensions of four variables in descending order	301/2
128	At a glance status of average percentage of positive rating of Reliance industries for Emotional Intelligence in descending order as compared with average percentage of Essar and Adani.	303
129	At a glance status for percentage CV ascending order of Reliance as compared with Essar and Adani.	304
130	At a glance status of highly positive result of different dimensions of E.I.(> =80 %) of Reliance in descending order	305
131	At a glance status of highly positive result of different dimensions of E.I.(> =80 %) of Essar in descending order	306
132	At a glance status of highly positive result of different dimensions of E.I.(> =80 %) of Adani in descending order	307
133	At a glance – comparison of dimensions of E.I. in all the 3 organizations.	308
134	At a glance – Coefficient of correlation values for Reliance.	309
135	At a glance – Coefficient of correlation values for Essar.	310
136	At a glance – Coefficient of correlation values for Adani.	311
137	Testing a Hypothesis using Paired 't' Test for variable of Emotional Intelligence as compared between Reliance and Essar.	312
138	Testing a Hypothesis using Paired 't' Test for variable of Emotional Intelligence as compared between Reliance and Adani	314
139	Testing a Hypothesis using Paired 't' Test for variable of Emotional Intelligence as compared between Essar and Adani.	316
140	Testing a Hypothesis using Paired 't' Test for variable of Organizational Effectiveness as compared between Reliance and Essar.	318
141	Testing a Hypothesis using Paired 't' Test for variable of Organizational Effectiveness as compared between Reliance and Adani.	320
142	Testing a Hypothesis using Paired 't' Test for variable of Organizational Effectiveness as compared between Essar and Adani.	322
143	Testing a Hypothesis using Paired 't' Test for variable of Productivity as compared between Reliance and Essar.	324

144	Testing a Hypothesis using Paired 't' Test for variable of Productivity as compared between Reliance and Adani.	325
145	Testing a Hypothesis using Paired 't' Test for variable of Productivity as compared between Essar and Adani.	326
146	Testing a Hypothesis using Paired 't' Test for variable of Work Values as compared between Reliance and Essar.	327
147	Testing a Hypothesis using Paired 't' Test for variable of Work Values as compared between Reliance and Adani.	328
148	Testing a Hypothesis using Paired 't' Test for variable of Work Values as compared between Essar and Adani.	329
149	At a glance status of Paired 't' Test results of all four variables	330
150	At a glance - Table showing High and Low rating of different dimensions of Organizational Effectiveness with reference to classification based on respondents profile of all the 3 organizations	331/2
151	At a glance - Table showing High and Low rating of different dimensions of Productivity with reference to classification based on respondents profile of all the 3 organizations	333/4
152	At a glance - Table showing High and Low rating of different dimensions of Emotional Intelligence with reference to classification based on respondents profile of all the 3 organizations	335/6
153	At a glance - Table showing High and Low rating of different dimensions of Work Values with reference to classification based on respondents profile of all the 3 organizations	337/8
154	At a glance - The final analysis of higher and lower ranking of 9 dimensions of organizational effectiveness	363
155	At a glance-The final analysis of higher and lower ranking of 5 dimensions of Productivity	364
156	At a glance-The final analysis of higher and lower ranking of 19 dimensions of Emotional Intelligence	366
157	At a glance-The final analysis of higher and lower ranking of 6 dimensions of Work values	367
158	At a glance – The final analysis of high and low ratings of all dimensions of four variables in all the three organizations	368
159	Table showing co-relation of Organizational Effectiveness and Productivity on one end with reference to Emotional Intelligence and Work values on the other end.	369
