

<b>LIST OF FIGURES</b>		
1.1	Types of Work Teams	8
1.2	Work teams characteristics	11
1.3	Stages of Team Development	13
<b>1.4.</b>	Stages of Team Development	14
<b>3.1a.</b>	<b>Industrial clusters of Gujarat</b>	99
<b>3.1b.</b>	<b>Gujarat Industrial Contribution in India.</b>	100
<b>3.1c.</b>	<b>Integrated Industrial Infrastructure of Gujarat</b>	100
<b>3.1d.</b>	<b>Chemical industry and Industry wise contribution of Gujarat in 2012.</b>	101
<b>3.1e.</b>	<b>Abeinsa's principal stakeholders</b>	134
3.1	Normal probability plot of standardized residuals for linear regression of the team climate factors (n=250)	320
3.2	Scree plot of team climate.	325
3.3	Team climate with variables path analysis diagram	331
3.4	Team climate with overall variables path analysis diagram.	332
4.1	Normal probability plot of standardized residuals for linear regression 2: team effectiveness.	345
4.2	Scree plot of team effectiveness.	348
4.3	Path analysis team effectiveness model of goodness of fit	354
5.1	Normal probability plot of standardized residuals for linear regression 3: organizational development	364
5.2	Scree Plot organizational development factors	367
6	Impact of team climate and team effectiveness.	374
6.1	Normal probability plot of standardized residuals for linear regression 1 team climate and team effectiveness	389
6.2	Normal probability plot of standardized residuals for linear regression 1 overall team climate and team effectiveness	392
6.3	Path analysis model of team climate and team effectiveness	393
6.4	Path analysis diagram of factors of team climate its relationship with team effectiveness.	395
6.5	Normal probability plot of standardized residuals for linear regression model of team climate and organizational development	402
6.6	Normal probability plot of standardized residuals for linear regression model of variables of team effectiveness and organizational development	405
6.7	Model of team effectiveness factors and overall organizational development	408
6.8	Path analysis diagram of team climate its relationship and organizational development. (with model fit indices obtained for measurement model)	411
6.9	Path analysis diagram of team climate its relationship with team effectiveness and organizational development.	416
6.10	Path analysis diagram of individual factors influencing team climate its relationship with team effectiveness and organizational development	417
