

ACKNOWLEDGEMENT

I bow down to the almighty God, pray and thank Him, for showering His blessings in completing this thesis, and for His eternal presence in my life.

I express my profound gratitude and extend my hand folded greetings to my guide Prof (Dr.) Haresh M. Patel, Head, Civil Engineering Department, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara, for his valuable guidance and vital encouragement. He has tirelessly checked and corrected the research papers and chapters, to bring them to an acceptable form. His continuous involvement and proficient support brought the work to its completion. I remain in debt to him forever.

I express my sincere thanks to Prof. (Dr.) Parimal Vyas, Vice Chancellor, The Maharaja Sayajirao University of Baroda, Vadodara, for his constant motivation, support and cooperation. I express my sincere thanks to Prof. (Dr.) Yogesh Singh, Former Vice Chancellor, The Maharaja Sayajirao University of Baroda, Vadodara, Prof. (Dr.) Amit Dholakia, Provost, GSFC University, Vadodara, and Prof. (Dr.) R.G. Kothari, Former Vice Chancellor, Veer Narmad South Guajrat University, Surat, for their constant encouragement and valuable suggestions.

My sincere thanks to Prof. (Dr.) S.S. Bhattacharya, Dean, Faculty of Technology and Engineering, Prof. (Dr.) A.N. Mishra, Former Dean, Faculty of Technology and Engineering, and Late Prof. (Dr.) A.S Patel, Head, Civil Engineering Department, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara for their administrative support and cooperation.

I am thankful to syndicate members of The M S University of Baroda, for their timely administrative support. I sincerely thank Dr. Neerja Jaiswal, Registrar (O.S.D.), Shri Jayprakash Soni, Dy. Registrar, Shri Darshan Maru, Dy. Registrar, Shri Jignesh Patel, Asst. Registrar, of The M. S. University of Baroda, for their administrative support.

Prof. (Dr.) Vyas Pandey, Shri Kantibhai Patel and Shri Nirav Shah of Anand Agriculture University gave relevant and useful inputs, for the important aspects of the research works. I am very thankful to them for constant encouragement provided.

I am thankful to Late Prof (Dr.) P.M.Modi, Prof. (Dr.) Geeta Joshi, Prof. (Dr.) D.L. Shah, Prof. (Dr.) U.D.Patel, Ms. Roopali Goyal and all the Civil Engineering staff members of Faculty of Technology and Engineering, of The M. S. University of Baroda, who were friendly, supportive and always ready to help. Their suggestions and remarks were of great help towards completion of the present work.

My special thanks to Shri V.M.Yagnik, Chief Engineer, Government of Gujarat, Shri P.M.Patel, SSNNL, Shri A.G. Shah, State Water Data Centre, Retd. Prof. (Dr.) C.C.Gujarathi, S.P University, Shri S.N. Shah, SSNNL, Shri S.M. Pancholi, SSNNL, Shri A.Raj, SSNNL, and Shri Sikarvar SSNNL, for their support and cooperation to complete the present work.

I am extremely thankful to my university friends, Retd. Prof. (Dr.) G.C.Maheshwari, Dr. K. S. Aggrawal, Prof. (Dr.) Rameshwari Pandya, Prof. (Dr.) Pragnesh Shah and Shri Hitesh Brahmhatt, for their care and love.

I am thankful to my father in-law Shri Manohar Jaiswal, mother in-law Smt Kalpana Jaiswal, my brothers Piyush, Manoj and my motherly maid Vimlaben, who constantly motivated me to complete research on time.

I would like to sincerely and lovingly thank my wife Dr. Arti, and my dear son Shivam, who were the pillars of my strength. They had been extremely patient and supportive during the entire period of my research. The love, motivation and affection rendered by them cannot be described in words.

I am thankful to all my friends, experts, well wishers, one and all, who have directly or indirectly helped me to accomplish this task.

Gopal Hiraji Bhatti
